**Prohibitions and offence**

**2.**—(1) Subject to paragraph (2) below—

- (a) no person shall sell any controlled entity which is not a live creature for the purpose of its being used to feed to an animal or in the manufacture of a product for such use;

- (e) no person shall import or export any controlled entity for that purpose.

(2) Paragraph (1) above shall not be taken to prohibit the bringing into Great Britain from a member State of any controlled entity in free circulation in that member State.

## **Application and modification of various provisions of the Act**

4.—(1) Section 9 of the Act (inspection and seizure of suspected food) shall apply for the purposes of these Regulations, subject to the following modifications—

- (a) the references in subsections (1) and (2) to “food authority” shall be construed as including reference to a port health authority;
- (b) subsections (1) and (2) shall extend to any creature, product or material which appears to an authorised officer to come within the definition of “controlled entity”;
- (c) subsections (3) to (9) thereof shall apply—

  - (ii) to any controlled entity as if it were food which failed to comply with food safety requirements,

save that each reference to human consumption shall be taken as a reference to animal consumption, that where a notice under subsection (3)(a)(i) is given in relation to a live creature, the notice is to relate to material which may come to be derived from the live creature, that subsection (6) thereof shall apply in relation to the destruction or disposal of a live creature so as to prevent any material which may come to be derived from it from being used for animal consumption and that a justice of the peace shall decline to condemn any creature, product or material falling within sub-paragraph (b) above under subsection (6) thereof if and only if it is proved to him that it does not comprise a controlled entity.

(2) The following provisions of the Act shall apply, subject to paragraph (3) below, for the purposes of these Regulations and any reference in those provisions to the Act shall be construed for the purposes of these Regulations as a reference to these Regulations—

- (a) section 33 (obstruction etc. of officers);
- (b) section 35(1) (punishment of offences) in so far as it relates to offences under section 33 as applied by sub-paragraph (a) above; and
