## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order designates South Africa and the provinces and territories of Canada under section 108(2) (b) of the Road Traffic Act 1988 as making satisfactory provision for the issue of certain classes of driving licence. This enables a person holding one of those licences to exchange it for a corresponding British licence. The licences affected are those authorising the driving of mopeds, motor cycles, motor cars and small goods vehicles up to 3.5 tonnes maximum authorised mass (with or without a trailer), tractors, pedestrian controlled vehicles and mowing machines. However, a licence may not be exchanged for a British licence authorising the driving of vehicles with manual transmission unless the holder took a driving test on a vehicle with manual transmission.

**Status:**

Point in time view as at 31/12/2020.

**Changes to legislation:**

There are currently no known outstanding effects for the The Driving Licences (Exchangeable Licences) Order 1999.
