- (b) where the order relates to a group of trees, shall specify the number of trees in the group; and
- (c) shall indicate the position of the trees, groups of trees or woodlands, as the case may be, by reference to a map.

(2) An order shall contain or have annexed to it the map referred to in paragraph (1)(c); and where a map is annexed to an order it shall be treated as part of the order.

(3) The map contained in, or annexed to, an order shall be prepared to a scale sufficient to give a clear indication of the position of the trees, groups of trees or woodlands to which the order relates.

Procedure after making an order

3.—(1) As soon as practicable after making an order, and before confirming it, the authority which made it shall—

- (a) serve on the persons interested in the land affected by the order—
 - (i) a copy of the order; and
 - (ii) a notice containing the particulars mentioned in paragraph (2); and
- (b) make a copy of the order available for public inspection, in accordance with paragraph (3).

(2) The particulars mentioned in this paragraph are—

- (b) a statement that objections or other representations with respect to any trees, groups of trees or woodlands specified in the order may be made to the authority in accordance with regulation 4;
- (c) the date, being at least 28 days after the date of the notice, by which any objection or representation must be received by the authority;
- (d) a copy of regulation 4; and
- (e) where the order contains a direction under section 201 (provisional tree preservation orders), a statement of the effect of that direction.

(3) Subject to regulations 6(c), 7(c) and 9(1)(c), a copy of the order shall be made available for inspection, free of charge, at all reasonable hours, at the offices of the authority by whom the order was made; and where an order is made on behalf of an authority, it shall be made available for inspection also at the offices of the authority on whose behalf it was made.

Objections and representations

4.—(1) Subject to paragraph (2), objections and representations—

- (a) shall be made in writing and—
 - (i) delivered to the authority not later than the date specified by them under regulation 3(2)(c); or
 - (ii) sent to the authority in a properly addressed and pre-paid letter posted at such time that, in the ordinary course of post, it would be delivered to them not later than that date;
- (b) shall specify the particular trees, groups of trees or woodlands (as the case may be) in respect of which the objections or representations are made; and
- (c) in the case of an objection, shall state the reasons for the objection.

(2) The authority may treat as duly made objections and representations which do not comply with the requirements of paragraph (1) if, in the particular case, they are satisfied that compliance with those requirements could not reasonably have been expected.

Procedure for confirmation of a tree preservation order

5.—(1) The authority shall not confirm an order which they have made unless they have first considered any objections and representations duly made in respect of it and not withdrawn.

(2) An authority may confirm an order with or without modification.

(3) Where an order is confirmed it shall be endorsed to that effect, and the endorsement shall also indicate—

- (a) that the order was confirmed with modifications or without modification, as the case may be; and

 - (iii) of the time within which an application may be made to the High Court under section 284 (validity of development plans and certain orders, decisions and directions), and of the grounds on which such an application may be made;
- (b) where the order was confirmed with modifications, send a copy of the order, as confirmed, to those persons; and
- (c) make a copy of the order, as confirmed, available for public inspection, in place of the copy made so available in accordance with regulation 3, but otherwise in accordance with paragraph (3) of that regulation.
