

PROSPECTIVE

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations implement Council Directive 97/74/EC (O.J. L10, 16.1.98, p.22). That Directive extends to the United Kingdom Directive 94/45/EC on the establishment of a European Works Council or a procedure in Community-scale undertakings or Community-scale groups of undertakings for the purposes of informing and consulting employees (O.J. L254, 30.9.94, p.64).

The Regulations provide for the establishment of a European Works Council or information and consultation procedure in a Community-scale undertaking or Community-scale group of undertakings.

Part I contains general provisions. In particular, regulation 1 provides that the Regulations extend to Northern Ireland. Regulation 4 specifies regulations which apply only where the central management is situated in the United Kingdom and regulations which apply even where the central management is not situated in the United Kingdom.

Part II concerns the calculation of, and the provision of information on, the number of employees in the Community-scale undertaking or Community-scale group of undertakings. It also makes provision about requests to negotiate an agreement for a European Works Council or information and consultation procedure, and provides for the central management to be able to dispute the validity of such requests or the application of the obligation in regulation 9(1).

Part III concerns the special negotiating body, whose members are to represent employees in negotiations with the central management for an agreement to establish a European Works Council or information and consultation procedure.

Part IV makes provision about the negotiations for, and the content and scope of, an agreement for a European Works Council or information and consultation procedure. It also specifies when a European Works Council is required to be established in accordance with the provisions in the Schedule.

Part V provides for the enforcement of the establishment and operation of a European Works Council or information and consultation procedure.

Part VI deals with the unauthorised disclosure of confidential information, and with the withholding of information by central management.

Part VII contains provisions conferring protections on employees and their representatives, such as members of a European Works Council.

Part VIII concerns the bodies which are to enforce the Regulations. It also contains provisions restricting the possibility of contracting out of the provisions in Part VII and the other provisions in the Regulations.

Part IX concerns exceptions to the application of the Regulations, and Part X contains transitional provisions.

The Schedule sets out the provisions, which apply to a European Works Council, which is required to be established in the circumstances specified in regulation 18.
