

SCHEDULE 1

PART II

PRESSURE SYSTEMS EXCEPTED FROM CERTAIN REGULATIONS

3. Regulations 4, 5, 7 to 10, 13 and 14 shall not apply to a tank container if—
 - (a) it is intended to be used in the carriage of dangerous goods to which the Carriage of Dangerous Goods by Road Regulations 1996 apply, or would apply but for an exception specified in paragraph 1 of Schedule 2 thereof and is present solely for the purpose of being loaded with the goods to be carried; or
 - (b) it has been used in such carriage, has been temporarily removed from a vehicle and is present solely for the purpose of unloading the goods from it.
