EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the Motor Vehicles (Approval) Regulations 1996.

Regulations 3 and 4 concern the application of the 1996 Regulations. They remove the requirement (in regulations 3 and 5) that passenger vehicles, other than motor ambulances and motor caravans, and goods vehicles must fall within one of the categories specified in Schedule 1.

Schedule 1 will continue to apply for the purposes of regulation 12(2) which concerns the Type Code to be inserted in the Minister's approval certificate. For those purposes, *regulation 6* removes the category specified in paragraph 1 of Schedule 1 (vehicles entering into service in very low numbers) and *regulation 5* provides for certificates to bear the Type Code "R" in the case of vehicles not falling into any of the remaining Schedule 1 categories.
