

## SCHEDULE 3

### (Annex III of Directive 99/5/EC)

#### CONFORMITY ASSESSMENT PROCEDURE REFERRED TO IN ARTICLE 10(4)

##### **(Internal production control plus specific apparatus tests).**

This Annex consists of Annex II, plus the following supplementary requirement:

For each type of apparatus, all essential radio test suites must be carried out by the manufacturer or on his behalf. The identification of the test suites that are considered to be essential is the responsibility of a notified body chosen by the manufacturer except where the test suites are defined in the harmonised standards. The notified body must take due account of previous decisions made by notified bodies acting together.

The manufacturer or his authorised representative established within the Community or the person responsible for placing the apparatus on the market must declare that these tests have been carried out and that the apparatus complies with the essential requirements and must affix the notified body's identification number during the manufacturing process.
