

## SCHEDULE 10

(ANNEX VII to the Directive)

### **Unit Verification**

2. The application for a unit verification must be lodged by the manufacturer or his authorised representative established in the Community with a notified body chosen by him.

This application must include:

- the name and address of the manufacturer and, if the application is lodged by the authorised representative, his name and address in addition
- a written declaration that the same application has not been lodged with any other notified body,
- a technical documentation conforming to the requirements set below:
  - a description of the equipment
  - trade name
  - type, series and numbers
  - the technical data relevant for the identification of the equipment and the assessment of its noise emission, including, if appropriate, schematic drawings and any description and explanation necessary for their understanding
  - the reference to this Directive.
