8. In the year beginning on 1st April 2001 and in the year beginning on 1st April in any year after 2001, the amount of the inner London boroughs' additional funding contribution payable by each inner London borough shall be calculated by applying the following formula—

$$F \times G$$

where F is 45.3818% of the amount of the inner London boroughs' additional funding contribution for that year and G is the figure shown in column 2 of Schedule 2 to these Regulations.

Anticipation of payments

9.—(1) A London local authority may anticipate a payment under section 59B of the 1997 Act when making calculations in accordance with section 32 of the Local Government Finance Act 1992(a) (originally or by way of substitute).
