PART I

Recognition requirements for investment exchanges

Complaints

9.—(1) The exchange must have effective arrangements for the investigation and resolution of complaints arising in connection with the performance of, or failure to perform, any of its regulatory functions.

(2) But sub-paragraph (1) does not extend to—

- (a) complaints about the content of rules made by the exchange, or
- (b) complaints about a decision against which the complainant has the right to appeal under procedures of the kind mentioned in paragraph 8(2)(b) above.

(3) The arrangements must include arrangements for a complaint to be fairly and impartially investigated by a person independent of the exchange, and for him to report on the result of his investigation to the exchange and to the complainant.

(4) The arrangements must confer on the person mentioned in sub-paragraph (3) the power to recommend, if he thinks it appropriate, that the exchange—

- (a) makes a compensatory payment to the complainant,
- (b) remedies the matter complained of,

or takes both of those steps.

(5) Sub-paragraph (3) is not to be taken as preventing the exchange from making arrangements for the initial investigation of a complaint to be conducted by the exchange.
