**2002 No. 1931**

The Regulation of Investigatory Powers  
(Maintenance of Interception Capability) Order 2002

**Interception capability notices**

3.—(1) The Secretary of State may give a service provider a notice requiring him to take all such steps falling within paragraph (2) as may be specified or described in the notice.

(2) Those steps are ones appearing to the Secretary of State to be necessary for securing that the service provider has the practical capability of meeting the obligations set out in the Schedule to this Order.
