SCHEDULE 1

RESTRICTED AREAS

PART A

ADDITION OF NEW RESTRICTED AREAS

Antarctic Specially Protected Area No. 151 Lions Rump, King George Island, South Shetland Islands Lat. 62°08'S; Long. 58°09'W

Lions Rump is located on the southern coast of King George Bay, King George Island in the South Shetland Islands. The area contains diverse biota and geological features and is a representative example of the terrestrial, limnological, and littoral habitats of the maritime Antarctic.

Map: Lions Rump, ASPANo. 151 (formerly SSSI No. 34), King George Island.
