  - (b) water, fuel or accumulators used for the purpose of the supply of power for the propulsion of a vehicle or, as the case may be, of any vehicle by which a trailer is drawn, and loose tools and loose equipment.

#### SCHEDULE 19

Regulation 29

#### BUS STOP AND BUS STAND CLEARWAYS AND BOX JUNCTIONS

### PART I

## SIGNIFICANCE OF BUS STOP AND BUS STAND CLEARWAY MARKINGS

#### **Interpretation of Part I of Schedule**

- 1. For the purposes of this Part of this Schedule—
  - (a) "clearway" means an area of carriageway bounded by the continuous and broken straight yellow lines comprised in the road marking in diagram 1025.1, 1025.3 or 1025.4 and "bus stop clearway" means a clearway on which the words "BUS STOP" are marked; and
  - (b) a vehicle shall be taken to have stopped within a clearway if—
    - (i) any point in the clearway is below the vehicle or its load (if any); and
    - (ii) the vehicle is stationary.

# Prohibition conveyed by road markings

- **2.** The road markings in diagrams 1025.1, 1025.3 and 1025.4 shall each convey the prohibition that, subject to the exceptions specified in paragraphs 3 and 4, no person driving a vehicle shall cause it to stop within the clearway—
  - (a) at any time, if the sign shown in diagram 974 or 975 placed in conjunction with the markings is varied so as to omit the reference to times of day; or
  - (b) in any other case, during the period specified on that sign.

#### **Exceptions in favour of buses**

- **3.** Nothing in paragraph 2 applies to the driver of a bus being used in the provision of a local service who causes the bus to stop within the clearway for so long as may be necessary—
  - (a) to maintain the published timetable for the service (provided, in the case of a bus stop clearway, the bus is not stopped within the clearway for a period exceeding two minutes);
  - (b) to enable passengers to board or alight from the bus; or
  - (c) to enable the crew of the bus to be changed.

## Other exceptions

- **4.**—(1) Nothing in paragraph 2 applies in relation to—
  - (a) a vehicle being used for fire brigade, ambulance or police purposes;
  - (b) anything done with the permission or at the direction of—
    - (i) a constable in uniform;
    - (ii) a traffic warden; or
    - (iii) where the clearway is in a special parking area designated under Part II of the Road Traffic Act 1991 or Schedule 3 to that Act, a parking attendant appointed under section 63A of the 1984 Act(1);
  - (c) a vehicle which is prevented from proceeding by circumstances beyond the driver's control or which has to be stopped in order to avoid injury or damage to persons or property;
  - (d) a taxi which is stationary only for so long as may be reasonably necessary for a passenger to board or alight and to load or unload any luggage of the passenger;
  - (e) a marked vehicle which, whilst used by a universal service provider in the course of the provision of a universal postal service, is stationary only for so long as may be reasonably necessary for postal packets to be collected;
  - (f) a vehicle driven by a person whilst being trained to drive a bus operating local services who, as part of his training, stops the vehicle within a clearway for no longer than necessary to simulate the stopping of a bus at a bus stop for the purpose of picking up and setting down passengers;
  - (g) a vehicle which is stationary in order that it may be used for one or more of the purposes specified in paragraph 5 and which cannot be used for such a purpose without stopping in the clearway.
- (2) In sub-paragraph (1)(e) the expressions "universal service provider", "provision of a universal postal service" and "postal packet" shall bear the same meanings as in the Postal Services Act 2000(2).

#### **Permitted purposes**

- **5.** The purposes referred to in paragraph 4(g) are—
  - (a) any operation involving building, demolition or excavation;
  - (b) the removal of any obstruction to traffic;
  - (c) the maintenance, improvement or reconstruction of a road;

<sup>(1)</sup> Section 63A was inserted by the Road Traffic Act 1991 section 44(1) and was amended by the Greater London Authority Act 1999 (c. 29) section 289.

<sup>(2) 2000</sup> c. 26.

- (d) constructing, improving, maintaining or cleaning any street furniture including bus stop infrastructure; or
- (e) the laying, erection, alteration, repair or cleaning of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity, or of any telecommunications apparatus kept installed for the purposes of a telecommunications code system or of any other telecommunications apparatus lawfully kept installed in any position.

# PART II

#### SIGNIFICANCE OF BOX JUNCTION MARKINGS

#### **Interpretation of Part II of Schedule**

- 6. In this Part of this Schedule—
  - (a) "box junction" means the area of carriageway marked with yellow cross-hatching at a junction between two or more roads on which there has been placed the road marking shown in diagram 1043 or 1044; and
  - (b) a reference (however expressed) to a vehicle which is stationary or stops within a box junction includes a vehicle which is stationary whilst part of it is within the box junction.

# Prohibition conveyed by markings in diagram 1043 or 1044

- 7.—(1) Except when placed in the circumstances described in paragraph 8, the road markings shown in diagrams 1043 and 1044 shall each convey the prohibition that no person shall cause a vehicle to enter the box junction so that the vehicle has to stop within the box junction due to the presence of stationary vehicles.
  - (2) The prohibition in sub-paragraph (1) does not apply to any person—
    - (a) who causes a vehicle to enter the box junction (other than a box junction at a roundabout) for the purpose of turning right; and
    - (b) stops it within the box junction for so long as it is prevented from completing the right turn by oncoming vehicles or other vehicles which are stationary whilst waiting to complete a right turn.

# Prohibition conveyed when markings are placed in conjunction with signs in diagrams 615 and 811

**8.** When the road marking shown in diagram 1043 or 1044 is placed in conjunction with the signs shown in diagrams 615 and 811 on an area of carriageway which is less than 4.5 metres wide at its narrowest point, the road marking shall convey the prohibition that no person shall cause a vehicle to enter the box junction so that the vehicle has to stop within the box junction due to the presence of oncoming vehicles or other stationary vehicles beyond the box junction.

  - (b) in the case of vehicles not required to be marked with their maximum gross weight but required to be marked with their unladen weight, to any vehicle with an unladen weight not exceeding the maximum gross weight indicated on the sign.

# The placing of certain signs to indicate the beginning of a restriction, requirement, prohibition or speed limit

- **8.**—(1) This direction applies to the signs shown in diagrams 616, 617, 618, 618.1, 618.2, 618.3, 618.3A, 619, 619.1, 619.2, 620, 620.1, 622.1A, 622.4, 622.5, 622.6, 622.7, 622.8, 622.9, 625.1, 626.2A, 627.1, 629, 629A, 629.1, 629.2, 629.2A, 632, 642, 646, 663, 663.1, 665, 667, 667.1, 668, 668.1, 670, 672, 674, 951, 952, 953, 953.1, 955, 956 and 957.
- (2) In accordance with the following provisions of this direction and the provisions of direction 9, appropriate signs to which this direction applies shall be placed to indicate the point at which a restriction, requirement, prohibition or speed limit applying to traffic on a road (in this direction and in direction 9 called "the relevant road") begins.
- (3) Subject to paragraphs (4), (5) and (6) and to direction 9, a sign to which this direction applies shall be placed on the relevant road at or as near as practicable to the point referred to in paragraph (2)

378

- (a) where the relevant road has only one carriageway, on each side of that carriageway; or
- (b) where the relevant road has more than one carriageway, on each side of each carriageway in relation to which the restriction, requirement, prohibition or speed limit begins.
- (4) Where the relevant road has one carriageway, then signs to which this direction applies need only be placed on one side of the relevant road to indicate the point at which a restriction, requirement, prohibition (but not a speed limit) begins in the following cases—
  - (a) where the restriction, requirement or prohibition applies only to traffic on one side of the relevant road; or
  - (b) at a junction where—
    - (i) traffic proceeding on another road on which it is permitted to proceed only in one direction turns into the relevant road; or
    - (ii) the carriageway of the relevant road is less than 5 metres wide and the sign is so placed that its centre is within 2 metres of the edge of the carriageway.
- (5) Where a length of road which passes under or through a bridge, tunnel or other structure is subject to a prohibition on vehicles exceeding a particular height, the sign shown in diagram 629.2 or 629.2A may be placed on the bridge, tunnel or other structure to indicate the prohibition in addition to or instead of the signs required to be placed by paragraph (3).
- (6) Paragraphs (3) and (4) shall not apply to the signs shown in diagrams 667, 667.1, 668 and 668.1 which shall be placed on the side of the carriageway on which parking on a verge or footway is permitted and as near as is practicable to the point at which the length of the verge or footway concerned begins.

#### Beginning of a speed limit—further provisions

- 9.—(1) Direction 8(3) does not apply where a speed limit in force on the relevant road begins—
  - (a) at a point where the relevant road begins, being a point where it has no junction with another road; or
  - (b) at a point where the relevant road has a junction with another road and the same speed limit is in force on both roads.
- (2) This paragraph applies where the relevant road has a junction ("the junction") with the side of another road ("the other road") and a maximum speed limit is in force on the other road which is different from the speed limit in force on the relevant road.
- (3) Where paragraph (2) applies, it is sufficient compliance with direction 8(2), for the purpose of indicating the beginning of the speed limit on the relevant road to traffic entering it from the other road, if the sign shown in diagram 670, 674 or 675 is placed not further than 20 metres from the junction, on the left hand or near side of the carriageway of the relevant road as viewed in the direction of travel of such traffic or, where the relevant road is a dual carriageway road, on the left hand or near side of the carriageway by which traffic may pass into the relevant road from the other road.
- (4) Where paragraph (2) applies, for the purpose of indicating the speed limit in force on the other road to traffic entering that road from the relevant road, the sign shown in diagram 670, 674 or 675 shall (subject to paragraph (5)) be placed not further than 20 metres from the junction and so as to be visible to such traffic, on each side of the carriageway by which traffic may pass from the relevant road into the other road.
  - (5) Paragraph (4) does not apply if—
    - (a) the maximum speed limit in force on the other road is greater than that in force on the relevant road; and

(b) signs indicating the maximum speed limit have been placed on the other road in accordance with direction 11 on each side of, and not more than 100 metres from, the junction.

# The placing of certain signs to indicate the end of a restriction, requirement, prohibition or speed limit

- **10.**—(1) When the sign shown in diagram 618.4, 622.2, 645, 647, 664, 666, 667.2, 668.2, 673, 675 or 964 is placed to indicate the point at which traffic on a road ceases to be subject to a restriction, requirement, prohibition or speed limit, the sign shall be placed on the road as near as practicable to that point.
- (2) Subject to paragraph (3), where a length of road ceases to be subject to a speed limit and becomes subject to a national speed limit, the sign shown in diagram 671 shall be placed at or as near as practicable to the point where the speed limit ends and the national speed limit begins.
- (3) Where a temporary restriction of speed has been imposed under section 14 of the 1984 Act along a length of road by reason of works which are being or are proposed to be executed on or near that road, there shall be placed at or as near as practicable to the point where the temporary restriction of speed ends—
  - (a) the sign shown in diagram 7006 or in diagram 7001 (placed in combination with the plate shown in diagram 645); and
  - (b) in a case where, but for the temporary speed limit, a change in speed limit would at some point have occurred along the length of road, the sign shown in diagram 670 (varied as appropriate) or 671.
- (4) When the sign shown in diagram 671, 673 or 675 is placed to indicate the point at which traffic on a road ceases to be subject to a speed limit—
  - (a) where the road has only one carriageway, one such sign shall be placed on each side of the carriageway of the road; or
  - (b) where the road has more than one carriageway, one such sign shall be placed on each side of each carriageway on which the speed limit ends.
- (5) Where a road ("the relevant road") has a junction with the side of another road ("the other road") and—
  - (a) a maximum speed limit is in force on the other road; and
  - (b) a national speed limit is in force on the relevant road,

then, for the purpose of indicating the national speed limit to traffic entering the relevant road from the other road, the sign shown in diagram 671 or 675 shall be placed on the relevant road in accordance with paragraph (6).

- **22.**—(1) Subject to paragraphs (2) and (3)—
  - (a) the road marking shown in diagram 1018.1 may be placed on a side of a road only for the purpose of indicating a statutory prohibition or restriction on the waiting of vehicles which applies on that side of the road at all times of day on every day of the year or on every day in a period of at least four consecutive months; and
  - (b) the road marking shown in diagram 1017 may be placed on a side of a road only for the purpose of indicating a statutory prohibition or restriction on the waiting of vehicles which is not a restriction of the kind mentioned in sub-paragraph (a).
- (2) In this direction, references to a statutory prohibition or restriction on the waiting of a vehicle do not include references to any such prohibition or restriction imposed—
  - (a) on waiting for the purpose of loading or unloading goods from a vehicle or picking up or setting down passengers from a vehicle;
  - (b) and expressly to limit the duration of waiting of vehicles within a particular period; or
  - (c) on the waiting of goods vehicles (as defined by section 192(1) of the Road Traffic Act 1988(16)) but of no other class of vehicle.
