## SCHEDULE 6

### PROTECTIVE PROVISIONS

#### PART IV

#### PROTECTION FOR SEWERAGE UNDERTAKERS

*Temporarily stopped up streets etc.: maintenance of sewers*

2. Notwithstanding the temporary stopping up or diversion of any highway pursuant to article 9, the undertaker shall be at liberty at all times to construct and do all such works and things in, upon or under any such highway as may be reasonably necessary or desirable to enable it to maintain, protect or use any sewer which at the time of the stopping up or diversion was in that highway.
