EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations further amend the National Health Service (Travelling Expenses and Remission of Charges) Regulations 1988 (“the principal Regulations”) which provide for the remission and repayment of certain charges which would otherwise be payable under the National Health Service Act 1977 and for the payment of travelling expenses incurred in attending hospital.

Regulation 2 amends regulation 8 of the principal Regulations to set out the arrangements for repayment in respect of expenses incurred in travelling to a port in accordance with regulation 3(3) (d) of the principal Regulations.

Regulation 3 amends Table A of Schedule 1 to the principal Regulations to uprate the capital limits used in remission and repayment calculations relating to people living permanently in residential care or nursing homes. It brings those limits into line with those used by local authorities under the National Assistance Act 1948 to determine such people’s liability to pay for their care.
