(4) A request under paragraph (2) must be made before the period ending at 12 noon on the fifteenth business day after the date of issue of the notice has expired.

## PART 6

## REGISTERED LAND: APPLICATIONS, DISPOSITIONS AND MISCELLANEOUS ENTRIES

#### **Applications**

#### **Outline applications**

**54.**—(1) An outline application is an application made in accordance with this rule.

(2) Subject to Schedule 2, any application may be made by outline application if it satisfies the following conditions—

- (a) the application must not be—
  - (i) an application which can be protected by an official search with priority within the meaning of rule 147,
  - (ii) an application for first registration,
  - (iii) an application for a caution against first registration or in respect of the cautions register,
  - (iv) an application dealing with part only of the land in a registered title, whether or not also involving any other registered title,
  - (v) an application under Part 13, and
- (b) the right, interest or matter the subject of the application must exist at the time the application is made.

(3) During the currency of any notice given under Schedule 2, and subject to and in accordance with the limitations contained in that notice, an outline application may be made by—

- (a) an oral application,
- (b) telephone, or
- (c) electronic means.
- (4) An outline application must contain the following particulars when made—

  - (c) the nature of the application,

- (d) the name of the applicant,
- (e) the name and address of the person or firm lodging the application,
- (f) any other particulars specified in any notice made under Schedule 2.

(5) Every outline application must be allocated an official reference number and must be identified on the day list as such and must be marked with the date and time at which the application is taken as made and the registrar must acknowledge receipt of any outline application by notifying the applicant, as soon as practicable, of the official reference number allocated to it.

(6) Without prejudice to the power of the registrar to cancel an application under rule 16, the outline application must be cancelled by the registrar unless there is delivered at the appropriate office before the expiry of the reserved period the relevant application form prescribed by these rules, duly completed in respect of the outline application, quoting the official reference number of the outline application and accompanied by the appropriate documentation and the prescribed fee.

(7) If the outline application has been cancelled before the form required by paragraph (6) is delivered at the appropriate office, the registrar shall accept the form as an application in its own right.

(8) In this rule the "appropriate office" is the same office as the proper office, designated under an order under section 100(3) of the Act, for the receipt of an application relating to the land in respect of which the outline application is made, but on the assumption that if the order contains exceptions none of the exceptions apply to the application.

(9) In this rule "reserved period" means the period expiring at 12 noon on the fourth business day following the day that the outline application was taken as made.

#### Modifications etc. (not altering text)

(2) Where the applications are made by the same applicant, they rank in such order as he may specify.

(3) Where the applications are not made by the same applicant, they rank in such order as the applicants may specify that they have agreed.

(4) Where the applications are not made by the same applicant, and the applicants have not specified the agreed order of priority, the registrar must notify the applicants that their applications are regarded as having been delivered at the same time and request them to agree, within a specified time (being not less than fifteen business days), their order of priority.

(5) Where the parties fail within the time specified by the registrar to indicate the order of priority of their applications the registrar must propose the order of priority and serve notice on the applicants of his proposal.

(6) Any notice served under paragraph (5) must draw attention to the right of any applicant who does not agree with the registrar's proposal to object to another applicant's application under the provisions of section 73 of the Act.

#### Dispositions affecting two or more registered titles

**56.**—(1) A disposition affecting two or more registered titles may, on the written request of the applicant, be registered as to some or only one of the registered titles.

(5) If a request is received under paragraph (4) the registrar may, if he considers it appropriate, seek the views of the applicant and if, after considering any such views and all other relevant matters, he is satisfied that a longer period should be allowed he may allow such period as he considers appropriate, whether or not the period is the same as any period requested by the recipient of the notice.

(6) Unless any recipient of the notice objects to the application to determine the exact line of the boundary within the time fixed by the notice (as extended under paragraph (5), if applicable), the registrar must complete the application.

- (2) Notice under this paragraph shall include notice of the effect of paragraph 4.

# Treatment of application

**3.**—(1) A person given notice under paragraph 2 may require that the application to which the notice relates be dealt with under paragraph 5.

(2) The right under this paragraph is exercisable by notice to the registrar given before the end of such period as rules may provide.

**4.** If an application under paragraph 1 is not required to be dealt with under paragraph 5, the applicant is entitled to be entered in the register as the new proprietor of the registered rentcharge.

**5.**—(1) If an application under paragraph 1 is required to be dealt with under this paragraph, the applicant is only entitled to be registered as the new proprietor of the registered rentcharge if either of the following conditions is met.

  - (a) it would be unconscionable because of an equity by estoppel for the registered proprietor to seek to assert his title to the registered rentcharge against the applicant, and
  - (b) the circumstances are such that the applicant ought to be registered as the proprietor.

(3) The second condition is that the applicant is for some other reason entitled to be registered as the proprietor of the registered rentcharge.

# Right to make further application for registration

**6.**—(1) Where a person's application under paragraph 1 is rejected, he may make a further application to be registered as the proprietor of the registered rentcharge if he is in adverse possession of the registered rentcharge from the date of the application until the last day of the period of two years beginning with the date of its rejection.

- (b) detained in enemy territory.

(2) No-one may apply under this Schedule to be registered as the proprietor of a registered rentcharge during any period in which the existing registered proprietor is—

- (b) unable to communicate such decisions because of mental disability or physical impairment.

(3) For the purposes of sub-paragraph (2), mental disability means a disability or disorder of the mind or brain, whether permanent or temporary, which results in an impairment or disturbance of mental functioning.

(3) Subject to sub-paragraph (4), where a person is registered under this Schedule as the proprietor of a registered rentcharge, the registered rentcharge is vested in him free of any registered charge affecting the registered rentcharge immediately before his registration.

(4) Sub-paragraph (3) does not apply where registration as proprietor is in pursuance of an application determined by reference to whether either of the conditions in paragraph 5 applies.

# Apportionment and discharge of charges

10.-(1) Where-

- (a) a registered rentcharge continues to be subject to a charge notwithstanding the registration of a person under this Schedule as the proprietor, and
- (b) the charge affects property other than the registered rentcharge,

the proprietor of the registered rentcharge may require the chargee to apportion the amount secured by the charge at that time between the registered rentcharge and the other property on the basis of their respective values.

(2)

The person requiring the apportionment is entitled to a discharge of his registered rentcharge from the charge on payment of—

- (a) the amount apportioned to the registered rentcharge, and
- (b) the costs incurred by the chargee as a result of the apportionment.

(3) On a discharge under this paragraph, the liability of the chargor to the chargee is reduced by the amount apportioned to the registered rentcharge.

(4) Rules may make provision about apportionment under this paragraph, in particular, provision about—

(a) procedure,

- (b) valuation,
- (c) calculation of costs payable under sub-paragraph (2)(b), and
- (d) payment of the costs of the chargor.

# Meaning of "adverse possession"

**11.**—(1) A person is in adverse possession of a registered rentcharge for the purposes of this Schedule if, but for section 96, a period of limitation under section 15 of the Limitation Act 1980 (c. 58) would run in his favour in relation to the registered rentcharge.

(2) A person is also to be regarded for those purposes as having been in adverse possession of a registered rentcharge—

(a) where he is the successor in title to the registered rentcharge, during any period of adverse possession by a predecessor in title to that registered rentcharge,

or

(b) during any period of adverse possession by another person which comes between, and is continuous with, periods of adverse possession of his own.

(3) In determining whether for the purposes of this paragraph a period of limitation would run under section 15 of the Limitation Act 1980, there are to be disregarded—

- (a) the commencement of any legal proceedings, and
- (b) paragraph 6 of Schedule 1 to that Act.

# **Trusts**

**12.** A person is not to be regarded as being in adverse possession of a registered rentcharge for the purposes of this Schedule at any time when the registered rentcharge is subject to a trust, unless the interest of each of the beneficiaries in the registered rentcharge is an interest in possession."

# **EXPLANATORY NOTE**

This note is not part of the Rules)

These Rules are made under the Land Registration Act 2002 (2002 c. 9) (the Act). The Act repeals the Land Registration Act 1925 (1925 c. 21). These Rules perform a similar function to the Land Registration Rules 1925 (S.R. & O. 1925/1093) made under the Land Registration Act 1925. Part 1 of the Rules makes provisions about the form and arrangement of the register to be kept under the Act. Part 2 makes provision about the indices to be kept under the Act. Part 3 makes provisions about applications to the registrar and objections to them; Part 4 deals with applications for first registration of land. Part 5 of the Rules makes provisions about cautions against first registration. Part 6 makes further provisions about applications to the register.

Part 7 of the Rules makes provisions about notices within the meaning of section 32 of the Act. Part 8 of, and Schedule 4 to, the Rules deal with restrictions within the meaning of section 40 of the Act. Part 9 makes provisions relating to charges. Part 10 of the Rules makes provisions about applications to the registrar to determine the exact line of a boundary, and agreements about accretion and diluvion. Part 11 of the Rules deals with applications to the registrar to upgrade the quality of title under section 62 of the Act and the use of the register to record defects in title. Part 12 makes provisions as to alterations of the register and correction of mistakes in an application or accompanying document.

Part 13 of, and Schedules 2, 5 and 6 to, the Rules make provisions about delivery of applications to the registrar by electronic means; inspection and copying of registers and documents; official copies; exempt information documents; and transitional period documents. The Part also deals with applications in connection with: court proceedings, insolvency and tax liability; information about the day list, electronic discharges of charges and inspection of title plans; historical information; official searches; and information requested about official searches.

Part 14 of the Rules covers a number of miscellaneous and special cases, and in particular makes provisions about (together with Schedule 7) strict settlements under the Settled Land Act 1925 (1925 c. 18) and (together with Schedule 8) applications for registration in connection with adverse possession of land and rentcharges.

Part 15 of the Rules makes provisions about: the content, address for service, and service of notices given by the registrar; use of specialist assistance by the registrar; production of documents to, and the making of orders for costs by, the registrar; the retention and return of documents by the registrar; the use of forms prescribed by the Rules; documents accompanying applications; and when the land registry is to be open to the public. Rule 217 is a general interpretation rule and Part 16 makes transitional provisions about cautions against dealings under the Land Registration Act 1925, and rentcharges.

Schedule 1 to the Rules contains the various Forms prescribed by them. Schedules 3 and 9 to the Rules prescribe certain forms of declaration, execution etc.

A Regulatory Impact Assessment has been prepared and placed in the library of each House of Parliament. Copies can be obtained from the Land Registry, 32 Lincoln's Inn Fields, London WC2A 3PH.
