Set out in full the wording of the restriction required. For standard form restrictions, also insert the reference letter(s) of the form. For non-standard form restrictions delete the words in square brackets. Standard forms of restriction are set out in Schedule 4 to the Land Registration Rules 2003, Further guidance is contained in Practice Guide 19.

You must set out the wording of the restriction in full, unless you are applying for a standard form of restriction that has no variable content.

You must include the address(es) for service where a standard form of restriction requires an address to be included or where any other restriction requires a consent or certificate to be provided, or notice to be served on the restrictioner. Each restrictioner may give up to three addresses for service, one of which must be a postal address whether or not in the UK (including the postcode, if any). The others can be any combination of a postal address, a UK DX box number or an electronic address.

If the restriction refers to a registered company or limited liability partnership incorporated anywhere in the United Kingdom include the registered number (including any prefix) immediately after the name of the company. For an overseas company include the territory of incorporation and if its particulars are registered at Companies House, state the registered number in England and Wales

If a conveyancer is acting for the applicant, that conveyancer must sign. If no conveyancer is acting, the applicant (and if more than one person then each of them) must sign.

The conveyancer must sign if they have given one of the certificates referred to in panel 8.
