(2) In paragraph (1) “adequate” means capable of receiving the types and quantities of prescribed wastes from ships normally using that harbour or terminal taking into account the operational needs of the users of the harbour or terminal, its size and geographical location, the types of ships calling there and any exemptions provided for under regulation 15.

(3) A harbour authority or terminal operator may, in discharging their duty under paragraph (1), join with any other person in providing the waste reception facilities, and references in these Regulations to the provision of such facilities by a harbour authority or terminal operator shall be construed accordingly; and any such power shall also include power to arrange for the provision of such reception facilities by any other person.

(4) This regulation is subject to regulation 15(1).

Direction to provide adequate waste reception facilities

5. Where in respect of any harbour or terminal it appears to the Secretary of State, after consultation with the relevant harbour authority or terminal operator, that—

- (a) the harbour or terminal has no waste reception facilities; or
- (b) if the harbour or terminal has such facilities, those facilities are not adequate within the meaning in regulation 4,

the Secretary of State may direct the harbour authority or terminal operator to provide, or arrange for the provision of, such waste reception facilities as may be specified in the direction.

Requirements regarding waste management plans

6.—(1) Subject to paragraph (3), every harbour authority shall prepare a waste management plan with respect to the provision and use of waste reception facilities in the harbour and the use of those facilities by ships using the harbour and shall submit the plan to the Secretary of State for approval.

(2) The Secretary of State may direct that a terminal operator shall prepare a waste management plan with respect to the provision and use of waste reception facilities for any terminal operated by the terminal operator within a harbour and specified in the direction and submit it to the Secretary of State for approval.

(3) Where the Secretary of State gives a direction under paragraph (2), in preparing a waste management plan under paragraph (1) the harbour authority for the harbour in which the terminal in question is situated shall not be required to deal with the provision and use of waste reception facilities for that terminal in the waste management plan which it prepares.

(4) In preparing a waste management plan the harbour authority or terminal operator shall consult—

- (a) persons appearing to the harbour authority or terminal operator to represent the interests of—
 - (i) persons using the harbour or terminal,
 - (ii) persons using the waste reception facilities at the harbour or terminal; and
- (b) such other persons (if any) as the harbour authority or terminal operator thinks fit.

(5) A plan prepared under this regulation shall comply with the requirements in Schedule 1 to these Regulations.

(6) A harbour authority may, in discharging their duty under paragraph (1) and where required for reasons of efficiency, join with one or more other harbour authorities to prepare a waste management plan with respect to the provision and use of waste reception facilities at the harbours in question.

(7) Where a plan is prepared under paragraph (6) the need for, and availability of, waste reception facilities shall be specified for each individual harbour.

(8) This regulation is subject to regulation 15(2).

Requirements regarding waste management plans: time for submission of first and subsequent plans

7.—(1) Subject to paragraph (2), a harbour authority or terminal operator shall submit its first waste management plan to the Secretary of State for approval in accordance with regulation 6(1) or (2), as the case may be—

- (a) within three years of the date on which the Secretary of State approved a waste management plan for the harbour or terminal in question under regulation 10(2)(b) of the Merchant Shipping (Port Waste Reception Facilities) Regulations 1997; or
- (b) within three years of the date on which the Secretary of State prepared such a plan for the harbour or terminal in question pursuant to regulation 11 of those Regulations.

to a harbour or terminal, means a facility which commences operations after the coming into force of these Regulations.

(3) A harbour authority or terminal operator shall submit subsequent waste management plans to the Secretary of State for approval in accordance with regulation 6(1)—

- (a) within nine months of any significant change to the operation of the harbour or terminal since the most recent plan was approved by the Secretary of State pursuant to regulation 8(1) or prepared by him pursuant to regulation 9; or
- (b) no later than three years after the most recent plan was approved by the Secretary of State pursuant to regulation 8(1) or prepared by him pursuant to regulation 9,

whichever is the sooner.

Approval and implementation of waste management plans

8.—(1) The Secretary of State may either—

- (a) reject a plan submitted in accordance with regulation 6; or
- (b) approve the plan with or without modifications.

(2) A plan which has been approved by the Secretary of State pursuant to paragraph (1) or prepared by the Secretary of State pursuant to regulation 9 shall be implemented by the harbour authority or the terminal operator for the harbour or terminal to which the plan relates.

Power of the Secretary of State to prepare a waste management plan

9. If the Secretary of State is satisfied that a person who is required to prepare a waste management plan is not taking any steps necessary in connection with the preparation of the plan the Secretary of State may prepare such a plan.

Direction to implement a waste management plan

10. The Secretary of State may direct any harbour authority or terminal operator to take such steps as are specified for the purposes of securing the implementation of a waste management plan in respect of the harbour or terminal in question which has been approved by him pursuant to regulation 8(1) or prepared by him pursuant to regulation 9.

Notification

11.—(1) The master of a ship bound for a harbour or terminal shall complete a notice in the form set out in Schedule 2 to these Regulations.

(2) Subject to paragraph (3), the information in the notice referred to in paragraph (1) shall be notified by the master to the harbour authority for the harbour or terminal in question—

- (a) where it is known at which harbour or terminal the ship will be calling, at least 24 hours before the arrival of the ship;
- (b) if the harbour or terminal at which the ship will be calling is not known until less than 24 hours before the arrival of the ship at that harbour or terminal, as soon as possible after the harbour or terminal is known; or
- (c) where the duration of the voyage is less than 24 hours, at the latest upon departure from the previous port.

(3) Where a waste management plan approved by the Secretary of State pursuant to regulation 8(1) or prepared by him pursuant to regulation 9 specifies that in relation to a specified terminal the information in the notice referred to in paragraph (1) is to be notified to the terminal

operator rather than the harbour authority, that information shall be notified by the master to the terminal operator for the terminal in question—

- (a) where it is known that the ship will be calling at the terminal, at least 24 hours before the arrival of the ship;
- (b) if it is not known that the ship will be calling at the terminal until less than 24 hours before the arrival of the ship, as soon as possible after it is known the ship will be calling at the terminal; or
- (c) where the duration of the voyage is less than 24 hours, at the latest upon departure from the previous port.

(4) A copy of the notice referred to in paragraph (1) shall be retained on board the ship until at least the next port of call is reached.

(5) The master of a ship bound for a harbour or terminal in the United Kingdom shall—

- (a) if the previous port of call of the ship was a port in a member State, and
- (b) the Maritime and Coastguard Agency request it,

produce to the Agency, immediately on request, a copy of the notice retained in accordance with paragraph (4).

(6) The master of a United Kingdom ship calling at a port of another member State shall—

- (a) if the previous port of call of the ship was a port in a member State, and
- (b) the competent authority of that member State requests it,

produce to the competent authority, immediately on request, a copy of the notice retained in accordance with paragraph (4).

Delivery of ship-generated waste

12.—(1) Subject to paragraph (2), the master of a ship calling at a harbour or terminal shall ensure that before the ship leaves the harbour or terminal all ship-generated waste is delivered to a waste reception facility.

(2) Subject to paragraph (3), a ship may proceed to the next port of call without delivering ship-generated waste if it follows from the information notified under regulation 11(2) or (3) that there is sufficient dedicated storage capacity for all the ship-generated waste that has been accumulated and will be accumulated during the intended voyage of the ship to the port of delivery.

(3) Where—

- (a) the Secretary of State is not satisfied that there is sufficient dedicated storage capacity for all ship-generated waste that has been accumulated and which will accumulate during the intended voyage of a ship to the port of delivery,
- (b) there are good reasons to believe that adequate facilities are not available at the intended port of delivery, or
- (c) the intended port of delivery is not known to the Secretary of State,

he may give a direction to the master or owner of the ship requiring the ship-generated waste to be delivered before the ship leaves the harbour or terminal.

Charges for ship-generated waste

13.—(1) Subject to paragraph (2), a harbour authority shall make charges (“waste charges”) in respect of ships to which this regulation applies.

(2) Where a waste management plan approved by the Secretary of State pursuant to regulation 8(1) or prepared by him pursuant to regulation 9 specifies that in relation to a specified

terminal the charges under this regulation are to be made by the terminal operator rather than the harbour authority, the terminal operator shall make charges for ships to which this regulation applies.

(3) A harbour authority or terminal operator (as the case may be) shall arrange for the amount of the charges made by it, and the basis on which they have been calculated, to be published in such manner as will bring them to the notice of persons likely to be affected.

(4) Any ship using a harbour or terminal shall pay the charges made under paragraph (1) or (2) to the harbour authority or terminal operator, as the case may be.

Charges for ship-generated waste: further provisions

14.—(1) Waste charges shall be made at such level as will—

- (a) ensure that each ship to which regulation 13 applies makes a significant contribution to the costs of waste reception facilities for ship-generated waste in the harbour or terminal, as the case may be (including the costs of the treatment and disposal of waste), irrespective of actual use of the facilities; and
- (b) provide no incentive for ships to discharge ship-generated waste into the sea.

(2) In making waste charges for ships a harbour authority or terminal operator may take into account the category, type and size of the ship.

(3) A harbour authority or terminal operator may make lower waste charges for any ship the environmental management, design, equipment and operation of which are such that the master can demonstrate the ship produces reduced quantities of ship-generated waste.

(4) In making waste charges under regulation 13(1) a harbour authority may make the charges in a combined charge under section 27A of the Harbours Act 1964⁽⁵⁾ or as a separate charge.

(5) Subsections (2) to (12) of section 31 of the Harbours Act 1964, or in Northern Ireland subsections (1) and (3) to (11) of section 7 of the Harbours Act (Northern Ireland) 1970 (right of objection to ship, passenger and goods dues) shall apply as respects charges made by a harbour authority by virtue of regulation 13(1) as they apply as respects charges to which section 31 or, as the case may be, section 7 applies but—

- (a) with the substitution for the references to the persons mentioned in section 31(2)(a) and (b) and (3)(b) or, as the case may be, section 7(1)(a) and (b) and (3)(b) of references to—
 - (i) the owners of ships which customarily navigate in the harbour in question;
 - (ii) any persons who carry on harbour operations within that harbour; and
 - (iii) any other harbour authority to whose harbour ships obtain access through that harbour,or, in any of those cases, persons representative of them; and

- (b) with the omission of section 31(2)(iii) or, as the case may be, section 7(1)(iii).

(6) Subsections (2) to (12) of section 31 of the Harbours Act 1964, or in Northern Ireland subsections (1) and (3) to (11) of section 7 of the Harbours Act (Northern Ireland) 1970 (right of objection to ship, passenger and goods dues) shall apply as respects charges made by a terminal operator by virtue of regulation 13(2) as they apply as respects charges made by a harbour authority to which section 31 or, as the case may be, section 7 applies but—

- (a) with the substitution for the words “by a harbour authority at a harbour which, in the exercise of and performance of statutory powers and duties, they are engaged in improving, maintaining or managing” in section 31(2) of the words “by a terminal operator at a terminal which they operate”;

(5) 1964 c. 40. Section 27A was inserted by paragraph 8(1) of Schedule 6 to the Transport Act 1981 (c. 56).

- (b) with the substitution for the references to the persons mentioned in section 31(2)(a) and (b) and (3)(b) or, as the case may be, section 7(1)(a) and (b) and (3)(b) of references to any persons who customarily use the terminal in question; and
- (c) with the omission of section 31(2)(iii) and the words “passengers or goods” in section 31(2)(iv) or, as the case may be, section 7(1)(iii) and the words “passengers or goods” in section 7(1)(iv).
