## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the Corporation Tax (Treatment of Unrelieved Surplus Advance Corporation Tax) Regulations 1999 (S.I.1999/358) (“the principal Regulations”). The principal Regulations provide for the treatment of unrelieved surplus advance corporation tax arising as a result of the abolition (by virtue of section 31 of the Finance Act 1998 (c. 36)) of advance corporation tax in respect of distributions made by a company on or after 6th April 1999. The amendments are in consequence of amendments made to the legislation governing the taxation of insurance companies by Schedule 33 to the Finance Act 2003 (c. 14).

Regulation 1 provides for citation, commencement and effect. Authority for the retrospective effect of the amendments is given by section 32(11) of the Finance Act 1998.

Regulation 2 amends regulation 22 of the principal Regulations (life assurance companies).
