

SCHEDULE 3

ENGINEERING PLANT

PART 3

CONDITIONS RELATING TO USE

Restrictions on carriage of loads etc

13.—(1) This paragraph applies at any time when engineering plant is engaged on the construction, maintenance or repair of roads.

(2) Engineering plant may carry—

- (a) materials that have been excavated and raised from the ground by apparatus on the plant; or
- (b) materials that the plant is specially designed to treat while carried on the plant.
