RULES CONCERNING ACTIVITIES AIMED AT THE RMS TITANIC AND/OR ITS ARTIFACTS

General principles

1. The preferred policy for the preservation of RMS Titanic and its artifacts is in situ preservation.
2. Activities shall avoid disturbance of human remains.
3. Activities utilising non-destructive techniques and non-intrusive surveys and sampling shall be preferred to those involving recovery or excavation aimed at RMS Titanic and/or its artifacts.
4. Activities shall have the minimum adverse impact on RMS Titanic and its artifacts.
5. Persons undertaking these activities shall ensure proper recording and dissemination to the public of historical, cultural and archaeological information.
