2003 No. 2553

**The Electronic Communications Code
(Conditions and Restrictions) Regulations 2003**

Listed buildings and ancient monuments

7.—(1) A code operator may install electronic communications apparatus in proximity to a building shown as grade 1 or category A in the statutory list of buildings only if he gives written notice to the planning authority and—

- (a) the planning authority has not objected in writing to the installation of the apparatus within 56 days of the notice being given; or
- (b) if the planning authority has previously objected, it has given written notice of the withdrawal of its objection; or
- (c) in Great Britain, the Secretary of State, after consulting with the planning authority, so directs.

(2) The notice to be given under paragraph (1) must state the code operator's intention to install electronic communications apparatus and must describe that apparatus and identify the location where it is proposed to install it.

(3) A code operator is exempt from paragraph (1) if—

- (a) the apparatus is to be installed for the purpose of providing a temporary electronic communications network under regulation 15; or
- (b) he is undertaking emergency works and he has provided the planning authority with an expected date of completion and a statement of the grounds for the need to execute the works.
