POOLING OF RECEIPTS

Pooling of receipts from disposals of housing land

- 12.**—(1) This regulation applies to capital receipts which—
- (a) a local authority derives from the disposal of an interest in housing land other than a disposal which is a qualifying disposal; and
 - (b) on or after 1st April 2004, have been received by the local authority.
- (2) Subject to paragraph (3), where this regulation applies, the local authority shall use capital receipts to pay the amount specified in paragraph (4) (“the specified amount”) to the Secretary of State on or before—
- (a) the last day of the calendar month immediately following—
 - (i) 31st March;
 - (ii) 30th June;
 - (iii) 30th September; or
 - (iv) 31st December,
 whichever of those is the earliest date following the day on which the authority receives the capital receipt; or
 - (b) if later, such date as is notified to the local authority by the Secretary of State.
- (3) Where it is not reasonably practicable for the local authority to calculate the specified amount by the date on or before which it is payable under paragraph (2) (“the due date”)—
- (a) the amount to be paid by the due date shall be instead the local authority’s best estimate of the specified amount (“the estimated amount”);
 - (b) the local authority shall notify the Secretary of State in writing, at the time of payment, that it is paying the estimated amount rather than the specified amount;
 - (c) the local authority shall—
 - (i) provide the Secretary of State with a statement of the specified amount, the estimated amount, and the amount which is equal to the specified amount less the estimated amount already paid (“the balance”); and

 - (b) 50 per cent of the capital receipt in relation to the disposal of any other interest in housing land.
- (5) The total amount of any reductions made to the capital receipt for a disposal under regulations 14 to 21, shall not exceed the amount of that capital receipt.

Interest on late payments

13.—(1) Where all or part of the specified amount is not paid by the local authority to the Secretary of State on the due date, the local authority shall use capital receipts, which it has derived from the disposal of an interest in housing land, to pay to him interest on the unpaid amount.

(2) The interest shall be calculated at one per cent. above base rate on a day to day basis from the due date to the date of payment and compounded with three-monthly rests.

(3) In this regulation—

“base rate” means the base rate for the time being quoted by the reference banks or, where there is for the time being more than one such base rate, the rate which, when the base rate quoted by each bank is ranked in descending sequence of seven, is fourth in the sequence; and “reference banks” means the seven largest persons for the time being who—

- (b) the costs of expenditure incurred by the local authority in improving the housing land within the period of three years ending on the date of the disposal; and
- (c) an amount, by which the authority determines that it shall be reduced, which may be an amount up to the value of its available capital allowance at the time the specified amount is calculated.

(2) Paragraph (1)(c) shall not apply to capital receipts which a local authority derives from the disposal of a dwelling where the disposal is made—

- (a) under Part V of the Housing Act 1985 (right to buy)(**22**); or

(2) For the purposes of paragraph (1), the disposal meets the conditions specified in this paragraph if—

- (3) The amount of the reduction for the purposes of paragraph (1) is—

$$A - B$$

Transitional reductions for debt-free authorities

21.—(1) Where a local authority was a debt-free authority on 31st March 2004, for the purposes of calculating the specified amount, the capital receipt may be treated as reduced in accordance with paragraph (2).

(2) Subject to regulation 12(5) and paragraph (3), after the local authority has made any reductions to the amount of the capital receipt under regulations 14 to 20, the resulting amount of the capital receipt may be treated as further reduced—

- (a) in relation to any capital receipt received in the financial year beginning on 1st April 2004, by up to 75%;
- (b) in relation to any capital receipt received in the financial year beginning on 1st April 2005, by up to 50%; and
- (c) in relation to any capital receipt received in the financial year beginning on 1st April 2006, by up to 25%.

(3) The total amount of—

- (a) any reduction to a capital receipt calculated under paragraph (2), in relation to a financial year in which the capital receipt was received; and
- (b) any reductions previously made under paragraph (2) in relation to that financial year,

shall not exceed the total amount of housing expenditure which the local authority, at the time when the reduction referred to in sub-paragraph (a) is calculated, has incurred in that financial year or has decided in that financial year to incur but has not yet incurred.

(4) In this regulation—

- (b) in respect of which the authority receives otherwise than in the form of money any consideration which, if received in that form, would be a capital receipt under section 9,

the authority shall determine the amount (the “notional capital receipt”) which would have been the capital receipt if the consideration for the disposal had been wholly in money payable to the authority.

(2) Where money is payable to the authority in respect of the disposal, the notional capital receipt shall be determined by deducting the amount of that money from the amount which would have been the capital receipt if the consideration for the disposal had been wholly in money payable to the authority.

(3) Where the consideration for the disposal, or part of the consideration, consists of —

- (a) the grant of a right to the local authority to nominate a person either to occupy any dwelling or to acquire the freehold of, or a leasehold interest in, any dwelling; or
- (b) an undertaking given to the local authority to allow only a person of a particular description to occupy any dwelling or acquire the freehold of, or a leasehold interest in, any dwelling,

the amount of the notional capital receipt in respect of that consideration or that part of the consideration, as the case may be, shall be treated as nil.

(4) For the purposes of determining the notional capital receipt for a disposal, the consideration for the disposal shall be deemed to be received by the authority at the time that the authority makes the disposal.

(5) For the purposes of Chapter 1 of Part 1, a notional capital receipt shall be treated as a capital receipt and the amount specified in regulation 12(4) shall be calculated accordingly.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provisions for capital finance and accounts under Part 1 of the Local Government Act 2003 (“the 2003 Act”). The capital finance provisions in and under Part IV of the Local Government and Housing Act 1989 (including the Local Authorities (Capital Finance) Regulations 1997) are repealed or revoked, as the case may be, on or before 1st April 2004 by virtue of the 2003 Act, with savings and transitional provisions (*see* the Local Government Act 2003 (Commencement No. 1 and Transitional Provisions and Savings) Order 2003).

These Regulations apply only in relation to local authorities in England. Some of the provisions do not apply in relation to parish councils and charter trustees (**regulation 1**).

Regulation 2 requires a local authority and the Mayor of London to have regard to the “Prudential Code for Capital Finance in Local Authorities” when determining, under section 3 of the 2003 Act, how much money they can afford to borrow.

Regulations 3 and 4 make provision excluding certain liabilities from the definition of “qualifying liabilities”, under section 7 of the 2003 Act, so that certain transactions are not credit arrangements.

Regulation 5 makes provision for varied transactions to be credit arrangements and **regulation 6** sets out how the cost of credit arrangements are to be calculated.

Regulations 7 to 11 provide for certain sums received by a local authority to be treated, or not to be treated, as capital receipts.

Regulation 12 makes provision requiring a specified amount of capital receipts from disposals of housing land, other than qualifying disposals, to be paid to the Secretary of State. This is subject to certain reductions (**regulations 14 to 21**). Interest is payable (out of capital receipts) to the Secretary of State on late payments of the specified amount (**regulation 13**). **Regulation 22** provides for the calculation of notional capital receipts where the consideration for a disposal of housing land does not consist wholly of money.

Regulation 23 provides that capital receipts may only be used for specified purposes.

In carrying out its capital finance functions, a local authority must have regard to the code of practice in “Treasury Management in the Public Services: Code of Practice and Cross-Sectoral Guidance Notes” (**regulation 24**).

Regulations 25 and 26 provide for expenditure which is, and which is not, to be treated as capital expenditure for the purposes of Chapter 1 of Part 1 of the 2003 Act.

Regulation 27 provides that local authorities must charge to a revenue account a minimum amount (“minimum revenue provision”), and may charge to a revenue account an additional amount, in respect of the financing of capital expenditure. The minimum revenue provision is calculated in accordance with **regulations 28 to 29**. Parish councils and charter trustees may charge to a revenue account any amount in respect of the financing of capital expenditure (**regulation 27(2)**).

Regulation 30 requires a local authority to charge to a revenue account for a financial year an amount equal to retirement benefits payments and contributions to pension funds payable for that year.

For the purposes of the definition of “proper practices” in section 21 of the 2003 Act, **regulation 31** identifies certain documents that contain accounting practices.

Regulation 32 specifies certain levying bodies that are to be local authorities for the purposes of Part 1 of the 2003 Act.

Under **regulation 33**, a debt-free local authority with a negative credit ceiling on 31st March 2004, may use the amount, which on that date was the amount it set aside as provision to meet credit liabilities under the Local Government and Housing Act 1989, as if it were a capital receipt to which regulation 23 applies. The amount may not exceed the amount by which the authority's credit ceiling was less than nil.

Any local authority which is a local authority for the purposes of Part 1 of, or Schedule 1 to, the 2003 Act is specified by **regulation 34** as a qualifying local government body for the purposes of paragraph 4 of Schedule 1 (loans by parish councils and charter trustees).
