2003 No. 403

The Nuclear Industries Security Regulations 2003

PART 2

SECURITY OF NUCLEAR PREMISES

Replacement, amendment and revocation of approved security plans

6.—(1) The responsible person in relation to each nuclear premises may at any time submit to the Secretary of State for approval—

- (a) a fresh security plan for the premises, or
- (b) proposals for amending the approved security plan for the premises.

(2) The Secretary of State may approve the plan or proposals as submitted or with such amendments as she may require.

(3) On approving a fresh security plan for the premises, the Secretary of State may revoke the approval of the former plan for the premises.
