EXPLANATORY NOTE

(This note is not part of the Order)

These Regulations implement the directive of the Parliament and the Council on the reorganisation and winding up of credit institutions (2001/24/EC) for all UK credit institutions.

These Regulations provide that as from 5th May 2004, no winding-up proceedings or reorganisation measures in respect of EEA credit institutions can be undertaken in the UK except in the circumstances permitted by the Regulations. EEA reorganisation measures and winding-up proceedings are to be recognised in the UK. Provisions are made for the exercise by EEA liquidators of their functions in the UK. Provision is made for the notification of reorganisation measures and winding-up proceedings to competent authorities in other EEA Member States. Modifications are made to UK insolvency law in respect of notifications of various other matters including important stages in the relevant procedures and forms in which creditors in other EEA States may enter claims, to the Financial Services Authority, EEA authorities and creditors.

The Regulations make provision for application to credit institutions whose head office is outside the UK and the EEA. Provision is made for detailed amendment of existing secondary legislation including the insolvency rules in all UK jurisdictions dealing with the reorganisation or winding up of credit institutions.
