

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

SCHEDULE 4

CONFORMITY ASSESSMENT PROCEDURES

(This Schedule substantially reproduces the provisions of Part 1 of Annex IV of the Transportable Pressure Equipment Directive)

Module G—EC unit verification

4.1. The notified body must affix its identification number or have it affixed to the transportable pressure equipment and draw up a certificate of conformity for the tests carried out. This certificate must be kept for a period of 10 years.
