

SCHEDULE 4

MODIFICATION OF THE SCOTTISH ACT IN ITS APPLICATION IN RELATION TO THE SOLWAY TWEED RIVER BASIN DISTRICT

5. Sections 20(2)(b) (regulation of controlled activities) and 22(1) (remedial and restoration measures) and paragraph 2(2) of Schedule 2 (regulators to exercise functions with a view to achieving environmental objectives set out in river basin management plans) shall have effect as if references to environmental objectives set out in river basin management plans included references to environmental objectives set out in any river basin management plan for the Solway Tweed River Basin District approved under paragraph 10 of Schedule 1 to these Regulations.

Changes to legislation:

There are currently no known outstanding effects for the The Water Environment (Water Framework Directive) (Solway Tweed River Basin District) Regulations 2004, Paragraph 5.
