PART 11

Flight Information Services and Licensing of Flight Information Service Officers

Flight information service manual

123. A person shall not provide a flight information service at any aerodrome or area control centre unless—

- (a) the service is provided in accordance with the standards and procedures specified in a flight information service manual in respect of that aerodrome or area control centre;
- (b) the manual is produced to the CAA within a reasonable time after a request for its production is made by the CAA; and
- (c) such amendments or additions have been made to the manual as the CAA may from time to time require.
