

SCHEDULE 9

Requirements for plant passports

3. The references in paragraph 1 above to an official label are references to a label which—
 - (a) has not been previously used and is made of a material suitable for its purpose, and
 - (b) in the case of an adhesive label, is in a form approved for use as an official label by the Commissioners, for plant passports issued in Great Britain, or by the authority with responsibility or such authorisation for plant passports issued in other member states.
