SCHEDULE 11

PROTECTIVE PROVISIONS

PART 1

FOR PROTECTION OF DRAINAGE AUTHORITIES

10. For the purposes of section 109 of the Water Resources Act 1991 (as to structures in, over or under a main river) as applying to the construction of any specified work, any consent or approval given or deemed to be given by the Environment Agency under this Part of this Schedule with respect to such construction shall be deemed also to constitute an approval under that section.
