(4) Where there is an agreement to make a temporary transfer pursuant to paragraph (1), the transferee must submit to the Secretary of State notice of the agreement, together with any charge payable under paragraph (3), so that the notice and any charge reach her no later than 31st March in the quota year in which the transfer takes place.

made by him before the date of the transfer.

Consequences of failure duly to submit a transfer notice

17.—(1) This regulation applies if a notice of transfer is not duly submitted in accordance with regulation 9 or 13.

(2) Any unused quota transferred is not to be treated as a part of the transferee's quota entitlement for the relevant quota year, but is to be treated as if it remained unused quota and available where appropriate for reallocation by the Secretary of State in that quota year in accordance with regulation 27 or 30.

(3) The transfer of quota has effect only from the beginning of the quota year in which the notice of transfer is received.

(4) The amount of quota, if any, which has been reallocated to the transferee under regulations 27 or 30 for the relevant quota year (or any subsequent year) shall not be varied to take the transfer into account until the quota year in which the transfer notice is received.

(5) In this regulation “relevant quota year” means—

- (a) in the case of a notice that should have been submitted in accordance with regulation 9, the quota year in which the transfer of the holding or the part of the holding takes effect; and
- (b) in the case of a notice that should have been submitted in accordance with regulation 13, the quota year in which the transfer of quota takes effect.

PART 4

ALLOCATIONS AND ADJUSTMENTS OF QUOTA

Allocation from national reserve

18. The Secretary of State may make allocations from the national reserve in accordance with the Community legislation.

Temporary reallocation of quota

19.—(1) This regulation applies where a producer has quota registered as his in relation to a holding which—

- (a) at any time during a quota year is in whole or in part subject to a notice served, or declaration made, under an order made pursuant to section 17(1) of the Animal Health Act 1981(a) prohibiting or regulating the movement of dairy cows; or
- (b) is situated wholly or partly within an area which at any time during a quota year has been designated by an order made pursuant to section 1 of the Food and Environment Protection Act 1985(b).

(2) For the purposes of the reallocation of quota referred to in Article 10(3) of the Council Regulation and subject to paragraph (10), the Secretary of State may award to a producer a temporary reallocation of an amount of any surplus quota in accordance with the provisions of paragraphs (3) to (5).

(3) An award may only be made for a quota year in which the notice, declaration or order referred to in paragraph (1) has effect or remains in force.

(4) The amount of any such award is the lower of—

- (a) the amount equal to 16 litres per qualifying cow per qualifying day in the quota year referred to in paragraph (3); and
- (b) the amount by which the producer's production exceeds his quota entitlement in that quota year.

(5) An award to a producer under this regulation is not available in respect of a quota year during which the producer—

- (a) transfers unused quota pursuant to regulation 9 or 13;
- (b) makes a temporary transfer of quota pursuant to regulation 15; or
- (c) purchases cows or in-calf heifers for dairy purposes,

unless the Secretary of State is satisfied that the agreement to transfer, temporarily to transfer or to purchase, was entered into before the service of the notice or the making of the declaration referred to in paragraph (1)(a) or, as the case may be, the coming into force of the order referred to in paragraph (1)(b).

(6) If a producer requires an award of a temporary reallocation of quota under this regulation, he must submit to the Secretary of State an application in such form as the Secretary of State may reasonably require.

(7) An application referred to in paragraph (6) must reach the Secretary of State no later than 30th April following the end of the quota year in which the holding, or part of the holding, in question, was—

- (a) subject to a relevant notice or a relevant declaration; or
- (b) situated in an area designated by a relevant order.

(8) If the Secretary of State awards to a producer a temporary reallocation of an amount of any surplus quota in accordance with this regulation, the Secretary of State must notify each purchaser to whom the producer makes deliveries of that reallocation.

(9) The Secretary of State can make an award of a temporary reallocation of quota only from the aggregate of the amounts of quota referred to in regulation 27(3)(a) and 30(9)(a) once the aggregate has been determined under those regulations.

(10) An eligible heifer which is a qualifying cow for the purposes of a quota year shall not be a qualifying cow for the purposes of any subsequent quota year.

(11) In this regulation—

- (a) “eligible heifer” means a qualifying heifer which calves for the first time on a relevant calving day;

(a) 1981 c.22.

(b) 1985 c.48; section 1 was amended by the Food Safety Act 1991 (c.16), section 51(2), by the Food Standards Act 1999 (c.28), section 40(1) and Schedule 5, paragraph 6(1) and (3), by S.I. 1999/1756 and by S.I. 2000/2040.

- (b) “qualifying cow”, for the purposes of a quota year, means an eligible heifer which calves for the first time at a time when the number of eligible heifers exceeds the replacement number, whether or not the time of such calving falls during that quota year;
- (c) “qualifying heifer” means a heifer which either—
 - (i) at the date of service of a relevant notice or the making of a relevant declaration, was on land subject to that notice or, as the case may be, that declaration; or
 - (ii) at the date of the coming into force of a relevant order, was on land subject to that order;
- (d) “qualifying day”, in relation to any qualifying cow, means the day on which it calves and each later day or part of a later day during which the relevant notice, the relevant declaration or the relevant order in question has effect or, as the case may be, remains in force;
- (e) “relevant declaration” means a declaration referred to in paragraph (1)(a);
- (f) “relevant notice” means a notice referred to in paragraph (1)(a);
- (g) “relevant order” means an order referred to in paragraph (1)(b).

(12) In this regulation, “relevant calving day”, in relation to a qualifying heifer, means a day which falls—

- (a) in a case where the relevant notice, the relevant declaration or the relevant order in question has effect or is in force for a period which expires at or before the end of the quota year during which it is served or, as the case may be, made, within the period of twelve months ending with the date on which that notice, declaration or order ceases to have effect or, as the case may be, to be in force; and
- (b) in any other case, within the quota year during which the relevant notice, the relevant declaration or the relevant order is served or made or at any later time when the relevant notice, the relevant declaration or the relevant order has effect or is in force.

(13) In this regulation, “replacement number” means the nearest whole number to 20% of the total number of dairy cows on land—

- (a) in a case where the land is subject to a relevant notice or a relevant declaration, as at the date of service of that notice or declaration; or
- (b) in a case where the land is subject to a relevant order, as at the date of the coming into force of that order,

and where 20% of the total number is half way between two whole numbers, the nearest even whole number is deemed to be the nearest one.

Special allocation of quota

20.—(1) This regulation applies if by reason of a mistake made by the Secretary of State—

- (a) a person has not been allocated any quota; or
- (b) has been allocated a smaller quantity of quota than he would have been allocated if the mistake had not been made.

(2) The Secretary of State may allocate to that person from the national reserve such quota as will compensate, in whole or in part, for that mistake.

Conversion of quota: general

21.—(1) For the purposes of—

- (a) the provisions of Article 6(2) and (5) of the Council Regulation (which concern changes from direct sales to delivery and vice versa); and
- (b) Article 11(2) of the Council Regulation (which concerns replacements of purchasers and changes of purchasers by producers),

a producer may apply to convert direct sales quota to wholesale quota or wholesale quota to direct sales quota either temporarily or permanently.

(2) If a producer wishes to convert quota in any quota year, he must submit to the Secretary of State an application in such form as the Secretary of State may reasonably require—

- (a) stating—
 - (i) the amount (if any) of that producer's direct sales quota, wholesale quota, direct sales and deliveries for the quota year in which the application is made,
 - (ii) the amount of unused quota which he holds at the time of the application, and
 - (iii) the amount which he wishes the Secretary of State to convert; and
 - (b) including such other information as the Secretary of State may reasonably require in order to assess whether the requirements of Article 6(2) and (5) of the Council Regulation and Article 7 of the Commission Regulation (which concerns representative fat content) are met.
- (3) The application must reach the Secretary of State—
- (a) in the case of a permanent conversion of quota, not later than 31st December in the quota year in which the conversion is intended to take effect; and
 - (b) in the case of a temporary conversion of quota, not later than 14th May in the year following the end of the quota year in which that temporary conversion is intended to take effect.

Conversion of quota: restriction on transfers of converted quota in conversion year

22.—(1) This regulation does not apply to permanently converted quota which is transferred with a holding pursuant to Article 17 of the Council Regulation.

(2) Subject to paragraphs (3) and (6), where a producer has permanently converted quota in any quota year, he must not transfer later in that quota year quota of the type to which he has converted, whether temporarily or otherwise.

(3) Where a producer who has permanently converted quota in any quota year applies to the Secretary of State for a release from the restriction in paragraph (2), the Secretary of State, being satisfied as to the matters set out in paragraph (5), may release that producer from that restriction.

(4) A release from the restriction in paragraph (2) shall be to the extent necessary to allow the transfer of the amount of quota that the Secretary of State considers has remained unused in the particular case.

- (5) The matters referred to in paragraph (3) are—
- (a) that, as regards the producer, exceptional circumstances have resulted in a significant fall in milk production or a significant failure to achieve a planned increase in milk production; and
 - (b) those circumstances could not have been foreseen or avoided by the producer at the time of his permanent conversion of quota.
- (6) The restriction in paragraph (2) does not apply if—
- (a) in a case where the permanent conversion is from direct sales quota to wholesale quota, the producer temporarily converted direct sales quota to wholesale quota in the immediately preceding quota year; or
 - (b) in a case where the permanent conversion is from wholesale quota to direct sales quota, the producer temporarily converted wholesale quota to direct sales quota in the immediately preceding quota year.

(7) The following are examples of circumstances which are to be taken to be exceptional for the purposes of paragraph (5)—

- (a) the death of the producer or his inability to conduct his business for a prolonged period as a result of the onset of ill-health, injury or disability;

- (b) a natural disaster seriously affecting the holding;
- (c) the accidental destruction of buildings used for the purposes of milk production;
- (d) an outbreak of illness or disease seriously affecting the dairy herd;
- (e) the serving of a notice or the making of a declaration under an order made pursuant to section 17(1) of the Animal Health Act 1981 or the making of an order pursuant to section 1 of the Food and Environment Protection Act 1985;
- (f) the loss of a significant proportion of the forage area as a result of the compulsory purchase of the holding or a part of the holding; and
- (g) where the transferee is a tenant, the serving of a notice to quit coming within any case specified in Part I of Schedule 3 to the Agricultural Holdings Act 1986(a).

Adjustment of purchaser quota

23.—(1) Where a quota holder's wholesale quota is increased or reduced in accordance with the Community legislation or these Regulations, the purchaser quota of any purchaser to whom that wholesale quota is applicable is correspondingly increased or reduced.

(2) As regards a transaction to which Article 11(2) of the Council Regulation applies (which concerns replacements of purchasers and changes of purchasers by producers), a purchaser whose purchaser quota has been increased by virtue of such a transaction must submit to the Secretary of State an application for his purchaser quota to be increased by the specified amount.

(3) An application referred to in paragraph (2) must include—

- (a) a statement setting out the particulars of the transaction; and
- (b) a declaration made and signed by the producer that the purchaser whose purchaser quota is to decrease has been notified of the particulars set out in the application referred to in paragraph (2).

(4) The application referred to in paragraph (2)—

- (a) must reach the Secretary of State no later than 14th May in the quota year immediately following that in which the transaction took place; and
- (b) must be made in such form as the Secretary of State may reasonably require.

(5) The specified amount must not include the remaining registered wholesale quota except so far as the increase registered in pursuance of paragraph (8) includes that quota.

(6) The remaining registered wholesale quota shall remain available to the original purchaser.

(7) If insufficient quota is registered with the original purchaser to cover deliveries made by the producer before the date of change of purchaser, any additional quota obtained by a producer is to be allocated to the original purchaser until all deliveries to the original purchaser made by the producer before that date are covered after any adjustment for butterfat content in accordance with Article 10(1) of the Commission Regulation.

(8) At the beginning of the quota year immediately following the quota year in which the increase referred to in paragraph (2) took place, the purchaser quota of the purchaser with whom the producer is newly registered is to be increased by such part of the remaining registered wholesale quota of the producer as is included in the specified amount.

(9) If the amount of quota necessary to cover the deliveries made to an original purchaser is affected by—

- (a) a transfer of quota to the producer under these Regulations; or
- (b) an adjustment for butterfat content in accordance with Article 10(1) of the Commission Regulation,

then, subject to paragraph (10), the Secretary of State must make such adjustments in the purchaser quota of the original purchaser, and of the purchaser with whom the producer is newly

(a) 1986 c.5; Part I of Schedule 3 was amended by the Agricultural Holdings (Amendment) Act 1990 (c.15), section 1.

registered, as are required to ensure that sufficient quota is registered with the original purchaser to cover deliveries made.

(10) The Secretary of State must make an adjustment pursuant to paragraph (9) after the end of the quota year in question.

(11) Where a producer has quota registered with two or more purchasers, the producer may apply to the Secretary of State temporarily to change the quota registered between them, except so far as the quota registered with each of them is necessary to cover the deliveries made by him before the date of the transfer after any adjustment for butterfat content in accordance with Article 10(1) of the Commission Regulation.

(12) A producer who makes an application to the Secretary of State pursuant to paragraph (11) must submit with his application—

- (a) a statement setting out particulars of the quota to be temporarily re-registered; and
- (b) a declaration made and signed by the producer that the purchaser whose purchaser quota is to decrease has been notified of the particulars set out in the statement.

(13) The statement and declaration referred to in paragraph (12)—

- (a) must be in such form as the Secretary of State may reasonably require; and
- (b) must reach the Secretary of State no later than 15th June in the quota year immediately following the quota year for which the temporary re-registration is requested.

(14) In this regulation—

- (a) “remaining registered wholesale quota” means the amount of quota necessary to cover the deliveries made by a producer before the date of the change of purchaser (adjusted in accordance with Article 10(1) of the Commission Regulation); and
- (b) “specified amount” means an amount equivalent to so much of a producer’s registered wholesale quota as is specified by that producer.

Restriction on use of quota in Scottish Islands Area

24.—(1) Quota registered under regulation 4 to quota holders within a Scottish Islands area may be used by producers and purchasers only against direct sales or deliveries of milk produced within that Scottish Islands area.

(2) If a quota holder has a part of his dairy enterprise outside a Scottish Islands area, he is treated for the purposes of this regulation as a quota holder within a Scottish Islands area if he has 50% or more of his dairy enterprise within that area.

(3) Paragraph (1) does not apply to the reallocation of quota undertaken in accordance with regulations 27 and 30.

PART 5

THE LEVY

Determination whether reduction in downward butterfat adjustment is required in relation to deliveries

25.—(1) After the end of each quota year, the Secretary of State must make a determination of—

- (a) the total volume of deliveries to purchasers; and
- (b) the total volume of such deliveries after an adjustment for butterfat content in accordance with Article 10(1) of the Commission Regulation.

(2) The determination under paragraph (1) must be made by reference to the summaries purchasers are required to submit to the Secretary of State for the purposes of Article 8(2) of the Commission Regulation.

(3) If for any quota year a purchaser has not submitted the summaries so required or is unable to provide such proof of the volume of milk delivered to him in that year as the Secretary of State may reasonably require for the purposes of these Regulations, the Secretary of State must for the purposes of paragraph (1)—

- (a) make her own determination of that volume of milk based on all the information available to her for the purposes of calculating any levy payable on deliveries made to that purchaser; and
- (b) inform the purchaser of her determination.

(4) If the volume referred to in paragraph (1)(a) exceeds that referred to in paragraph (1)(b), the Secretary of State must calculate the proportionate reduction required to be made in all downward butterfat adjustments that have previously been made in order to increase the volume referred to in paragraph (1)(b) so that it equals the volume referred to in paragraph (1)(a).

(5) If paragraph (4) applies, the Secretary of State must—

- (a) notify all purchasers that any downward butterfat adjustments made by them in the deliveries to them are reduced; and
- (b) specify the reduction.

(6) If the volume referred to in paragraph (1)(b) equals or exceeds that referred to in paragraph (1)(a), the Secretary of State must notify all purchasers that no such reduction need be made.

(7) In this regulation, “downward butterfat adjustment”, in relation to deliveries to a purchaser, means an adjustment of the volume of the deliveries for butterfat content that results in that volume being reduced for the purposes of the levy calculation in accordance with Article 10(2) of the Council Regulation.

Determination whether levy on deliveries is payable

26.—(1) Where the total amount of the wholesale quota of producers, including converted quota, together with the total amount of wholesale quota in the national reserve exceeds whichever is the higher of—

- (a) the total volume of deliveries referred to in regulation 25(1)(a); or
- (b) the total volume of deliveries referred to in regulation 25(1)(b),

the Secretary of State must determine that no levy is payable on deliveries.

(2) The Secretary of State must notify all purchasers of a determination made under paragraph (1).

(3) Where the total amount of the wholesale quota of producers, including converted quota, together with the total amount of wholesale quota in the national reserve is less than whichever is the higher of—

- (a) the total volume of deliveries referred to in regulation 25(1)(a); or
- (b) the total volume of deliveries referred to in regulation 25(1)(b),

the Secretary of State must notify all purchasers that levy is payable on the higher volume of deliveries.

Reallocation of producers' quota

27.—(1) This regulation applies for the purposes of Article 10(3) of the Council Regulation (which concerns the calculation of levy on deliveries).

(2) After the end of each quota year, the Secretary of State must determine for each producer the amount, if any, of unused quota available to that producer, taking into account any adjustment required under regulation 25(4) and the amount of any converted quota.

(3) If the Secretary of State determines, pursuant to paragraph (2), that a producer has unused quota, she must—

- (a) add the total amount of unused quota to the national reserve;

- (b) subject to paragraph (4), make an award of any temporary reallocation of quota in accordance with regulation 19; and
- (c) having made such an award, reallocate any remaining amount of unused quota to any producers whose deliveries are in excess of their quotas in proportion to their respective quotas.

(4) The amount of an award made under paragraph (3)(b) shall be reduced proportionately if there is insufficient quota after the Secretary of State has complied with paragraph (3)(a) to make a full award to all producers who are eligible to receive a temporary allocation of quota under regulation 19.

(5) Subject to paragraph (6), if the total amount of unused quota available for reallocation to a producer under paragraph (3)(c) is not required by that producer to cover his butterfat-adjusted deliveries, the Secretary of State must reallocate the amount of unused quota not required amongst all producers whose butterfat-adjusted deliveries are in excess of their quota in proportion to their respective quotas.

(6) No producer may receive any unused quota under paragraph (5) in excess of the amount of quota required by him to cover the amount by which his butterfat-adjusted deliveries exceed his quota.

(7) In this regulation, “butterfat-adjusted deliveries” means deliveries adjusted for butterfat content in accordance with Article 10(1) of the Commission Regulation.

Determination of liability for levy on deliveries

28.—(1) This regulation applies for the purposes of Article 10(3) of the Council Regulation (which concerns the calculation of levy on deliveries).

(2) After the end of each quota year, the Secretary of State must—

- (a) ascertain which producers have made deliveries which exceed the quota allocated to them after taking into account any adjustments made under regulations 25 and 27; then
- (b) establish the total amount of the levy payable by each such producer at the rate of levy set in Article 2 of the Council Regulation; and then
- (c) establish the total amount of levy payable by each purchaser on deliveries made to that purchaser.

Notification of levy liability

29. After the end of each quota year, the Secretary of State must—

- (a) notify each purchaser of the total amount of levy payable on deliveries made to that purchaser; and
- (b) give details to that purchaser of the amount of levy attributable to each producer who has made deliveries to that purchaser.

Determination of liability for levy on direct sales

30.—(1) This regulation applies for the purposes of Article 12 of the Council Regulation (which concerns the calculation of levy on direct sales).

(2) After the end of each quota year, the Secretary of State must make a determination of the total quantity of dairy produce sold or transferred free of charge by direct sellers in the quota year in question.

(3) A determination under paragraph (2) must be made by reference to the declarations direct sellers are required to submit to the Secretary of State in accordance with Article 11(2) of the Commission Regulation.

(4) If for any quota year a direct seller has not submitted to the Secretary of State a declaration in accordance with that Article or is unable to provide such proof of the quantities of dairy produce sold or transferred free of charge by him in that year as the Secretary of State may

reasonably require for the purposes of these Regulations, the Secretary of State must for the purposes of paragraph (2)—

- (a) make her own determination of such quantities based on all the information available to her for the purposes of calculating any levy payable by that direct seller, and
- (b) inform the direct seller of her determination.

(5) Where, in respect of a quota year—

- (a) the total amount of direct sales quota of direct sales quota holders, including any converted quota; and
- (b) the total amount of direct sales quota in the national reserve,

together exceed the total quantity determined by the Secretary of State under paragraph (2), the Secretary of State must determine that no levy in respect of direct sales is payable.

(6) The Secretary of State must notify all direct sales quota holders of her determination made under paragraph (5).

(7) Where, in respect of a quota year—

- (a) the total amount of direct sales quota of direct sales quota holders, including any converted quota; and
- (b) the total amount of direct sales quota in the national reserve,

together are less than the total quantity determined by the Secretary of State under paragraph (2), the Secretary of State must notify all direct sellers that levy is payable.

(8) After the end of each quota year, the Secretary of State must determine in respect of each direct sales quota holder the amount of any unused direct sales quota available to that direct sales quota holder in the quota year in question, taking into account any converted quota.

(9) If the Secretary of State determines under paragraph (8) that a direct sales quota holder has unused direct sales quota, she must—

- (a) add that unused quota to the national reserve; and
- (b) subject to paragraph (10), make such awards of temporary reallocation of quota under regulation 19 as she considers it appropriate to make.

(10) If, after the Secretary of State has complied with paragraph (9)(a), there is insufficient direct sales quota to make a full award under regulation 19 to each direct sales quota holder who is eligible to receive such an award, the amount of each award under paragraph (9)(b) shall be reduced proportionately.

(11) In respect of the quota year in question, the Secretary of State must then establish—

- (a) the amount by which the total quantity referred to in paragraph (2) exceeds the total of—
 - (i) the direct sales quota of all direct sales quota holders, including converted quota, and
 - (ii) the direct sales quota in the national reserve;
- (b) the total amount of levy payable by direct sales quota holders by multiplying the amount determined under sub-paragraph (a) by the rate of levy set in Article 2 of the Council Regulation; and
- (c) the amount by which the total quantity referred to in paragraph (2) exceeds all the direct sales quota of the direct sales quota holders whose direct sales are greater than their quota.

(12) The Secretary of State must establish the rate of levy per litre to be paid by each direct sales quota holder by dividing the amount determined in accordance with paragraph (11)(b) by the amount determined in accordance with paragraph (11)(c).

(13) The Secretary of State must—

- (a) ascertain which direct sales quota holders have sold or transferred free of charge dairy produce in excess of the quota available to them including any converted quota and any quota temporarily reallocated by an award under paragraph (9)(b);

- (b) establish the total amount of levy payable by each such direct sales quota holder at the rate of levy established in accordance with paragraph (12); and
- (c) notify each direct sales quota holder of the total amount of levy payable by him.

(14) If a direct seller fails to submit to the Secretary of State in accordance with Article 11(2) of the Commission Regulation a declaration of the total quantity of dairy produce sold or transferred free of charge by him in a quota year, the rate of levy per litre to be paid by that direct seller on the quantity not notified or determined under paragraph (4) is the rate set in Article 2 of the Commission Regulation.

Payment and recovery of levy

31.—(1) In respect of the collection of levy, the Secretary of State is the competent authority for the purposes of the Community legislation.

(2) For the purposes of—

- (a) Article 11(1) of the Council Regulation (which concerns payment of levy by purchasers in respect of deliveries);
- (b) Article 12(4) of the Council Regulation (which concerns payment of levy by direct sellers);
- (c) Article 8 of the Commission Regulation (which concerns statements by purchasers of deliveries by producers); and
- (d) Article 11 of the Commission Regulation (which concerns declarations of direct sales by producers),

the levy and penalties referred to in those provisions must be paid to the Secretary of State.

(3) Paragraph (4) applies for the purposes of Article 11(3) of the Council Regulation (which concerns deduction of levy liability) where a producer making deliveries to a purchaser exceeds his wholesale quota.

(4) Following any adjustment of the quantity delivered in accordance with Article 10(1) of the Commission Regulation, the purchaser may immediately deduct from the sums owed to the producer in respect of the deliveries an amount corresponding to the amount of levy that would otherwise be payable by him in respect of the excess.

(5) Where any part of the levy remains unpaid after 1st September in any year, the Secretary of State may recover the amount of the levy outstanding at that date together with interest in respect of each day after that date until that amount is recovered—

- (a) from the direct seller or, as the case may be, the purchaser; or
- (b) from the producer, in a case within paragraph (4) where—
 - (i) the purchaser has not paid the levy, and
 - (ii) the producer has not paid the purchaser the levy either directly or by deduction and the purchaser is not taking steps to recover it from him.

(6) Interest under paragraph (5) is payable at the rate of one percentage point above the sterling three month London interbank offered rate.

(7) If—

- (a) a purchaser has not been approved pursuant to regulation 5; or
- (b) a purchaser has had his approval withdrawn by the Secretary of State pursuant to Article 23(3) of the Commission Regulation,

subject to paragraph (8), the Secretary of State may require any levy payable by the purchaser that has not been paid by him to be paid in such proportions as she may reasonably require by any producers whose deliveries to that purchaser have given rise to the liability for levy.

(8) Paragraph (7) does not apply in respect of a producer who has paid the purchaser in question, either directly or by deduction, the levy payable by that producer.

Prevention of avoidance of levy

32.—(1) Subject to paragraphs (2) and (3), if—

- (a) a producer (“A”) makes sales or deliveries of milk or milk products in any quota year from milk produced by any cows; and
- (b) later in the same quota year another producer (“B”) makes sales or deliveries of milk or milk products from milk produced by any or all of the same cows,

B is deemed for the purposes of these Regulations to have made those sales or deliveries as agent of A.

(2) Paragraph (1) does not apply if—

- (a) an agreement has been entered into by A for the sale or lease of the cows in question to B;
- (b) the cows are kept on B’s holding; and
- (c) after the making of the agreement—
 - (i) B is actively involved in the management of the herd which the cows mentioned in paragraph (1)(b) comprise and production from it, and
 - (ii) A has no further involvement in that management and production.

(3) Paragraph (1) does not apply if—

- (a) B has inherited the cows in question from A; and
- (b) the cows are kept on B’s holding.

PART 6

INFORMATION AND RECORDS

Information

33.—(1) Every relevant person must provide such information to the Secretary of State as the Secretary of State may reasonably require to perform her functions under these Regulations and the Community legislation.

(2) Each purchaser must provide the Secretary of State with such information as she may reasonably require relating to deliveries made or to be made to the purchaser by such person or persons as the Secretary of State may identify for the purpose of monitoring deliveries in relation to the total national reference quantity for the United Kingdom referred to in Article 1(3) and Annex I of the Council Regulation.

(3) The information referred to in paragraph (2) must be provided—

- (a) for such periods; and
- (b) in such form,

as the Secretary of State may reasonably require.

(4) The information referred to in paragraph (2) must be submitted so as to reach the Secretary of State before the expiry of the period of three working days beginning with the end of the period to which the information relates or within seven working days beginning with the date of notification of the requirement, whichever is the later.

(5) Each purchaser must provide the Secretary of State with a list of those quota holders registered with that purchaser at 31st March in each quota year (whether they have been so registered for the whole or part of that quota year) who—

- (a) hold quota in respect of that quota year that has not been acquired by temporary transfer for that quota year; and
- (b) have not made deliveries to that purchaser during that quota year,

and ensure that the list reaches her no later than 14th May following the end of that quota year.

(6) The Secretary of State must provide each purchaser with a copy of such information as the purchaser may reasonably require for the purposes of—

- (a) that purchaser's registration obligations under regulation 6; and
- (b) Article 8 of the Commission Regulation (which concerns the submission of summaries of producers' statements of deliveries or declarations that no deliveries have been received).

Keeping and retention of records

(3) Where a purchaser fails to maintain accurate and updated records pursuant to Article 24(2) of the Commission Regulation and regulation 34, he is liable to pay to the Secretary of State a penalty equivalent to the theoretical amount of the levy that would be due on 0.5% of the quantity by volume of milk concerned.

Appointment and remuneration of arbitrator

1.—(1) Subject to sub-paragraph (2), in any case where an apportionment is to be carried out by arbitration, an arbitrator must be appointed by agreement between the transferor and transferee, and the transferee must give notice of the appointment of the arbitrator to the Secretary of State.

(2) The transferor or the transferee may at any time make an application to the President of the Royal Institution of Chartered Surveyors (referred to in this Schedule as “the President”) for the appointment of an arbitrator from amongst the members of the panel referred to in paragraph 7, and the person who makes such an application to the President must give notice of that fact to the Secretary of State.

(a) S.I. 2002/457.
(b) S.I. 2004/312.
(c) S.I. 1995/356; relevant amending instrument is S.I. 2004/964.
(d) S.I. 2005/466.

(3) If an arbitrator has not been appointed by agreement between the transferor and the transferee and no application has been made to the President under sub-paragraph (2), the Secretary of State may make an application to the President for the appointment of an arbitrator.

(4) Where the Secretary of State gives a notice pursuant to regulation 12(2), she must make an application to the President for the appointment of an arbitrator and the Secretary of State must be a party to the arbitration.

(5) Where an apportionment under regulation 39(4)(b) is to be carried out by arbitration, the producer must either appoint an arbitrator by agreement with all persons with an interest in the holding or make an application to the President for the appointment of an arbitrator from amongst the members of the panel referred to in paragraph 7.

2.—(1) In any case where a prospective apportionment is to be made by arbitration, an arbitrator must be appointed—

- (a) where regulation 11(1)(b) or (4)(b) applies, by agreement between the occupier of the relevant holding and any other interested party, or, in default, by the President on an application by the occupier; and
- (b) where regulation 12(3) applies, by the President.

(2) Where sub-paragraph (1)(a) applies, the occupier must give notice to the Secretary of State of the appointment of the arbitrator pursuant to the agreement, or of the application to the President for the appointment of an arbitrator.

3.—(1) An arbitrator appointed in accordance with paragraph 1(1) to (4) or 2 must conduct the arbitration in accordance with this Schedule and must base his award on findings made by him as to areas used for milk production in the last five-year period during which production took place before the change of occupation, or, in the case of a prospective apportionment, in the last five-year period during which production took place before the appointment of the arbitrator.

(2) An arbitrator appointed in accordance with paragraph 1(5) must conduct the arbitration in accordance with this Schedule and must base his award on findings made by him as to the areas used for milk production in the last five-year period during which production took place before the appointment of the arbitrator.

(3) An arbitrator appointed under any paragraph of this Schedule must base his award on findings made by him in accordance with the law in force at the time the event giving rise to an application for arbitration took place.

4.—(1) No application may be made to the President for an arbitrator to be appointed by him under this Schedule unless the application is accompanied by the appropriate fee for such an application; but once the fee has been paid in connection with any such application no further fee is payable in connection with any subsequent application for the President to exercise any function exercisable by him in relation to the arbitration by virtue of this Schedule (including an application for the appointment by him in an appropriate case of a new arbitrator).

(2) In sub-paragraph (1), the “appropriate fee” means such reasonable fee as the President may direct having regard to, and in no case exceeding, such fee as is for the time being prescribed under paragraph 1(2) of Schedule 11 to the Agricultural Holdings Act 1986(a).

5. Where the Secretary of State makes an application to the President under paragraph 1(3) or (4), the fee payable to the President in respect of that application referred to in paragraph 4 is recoverable by the Secretary of State as a debt due from the other parties to the arbitration jointly or severally.

6. Any appointment of an arbitrator by the President must be made by him as soon as possible after receiving the application.

7. For the purposes of paragraph 1(2) the panel of arbitrators is the panel appointed by the Lord Chancellor under paragraph 1(5) of Schedule 11 to the Agricultural Holdings Act 1986.

(a) 1986 c.5.

8. If the arbitrator dies, or is incapable of acting, or for seven days after notice from any party requiring him to act fails to act, a new arbitrator may be appointed as if no arbitrator had been appointed.

9. No party to the arbitration may revoke the appointment of the arbitrator without the consent of any other party, and his appointment is not revoked by the death of any party.

10. Every appointment, application, notice, revocation and consent under paragraph 1, 2, 8 or 9 must be in writing.

11.—(1) The remuneration of the arbitrator—

(a) in a case where he is appointed by agreement between the parties, is such amount as may be agreed upon by him and the parties or, in default of agreement, fixed by the registrar of the county court (subject to an appeal to the judge of the court) on an application made by the arbitrator or any party;

(b) in a case where he is appointed by the President, is such amount as may be agreed upon by the arbitrator and the parties or, in default of agreement, fixed by the President.

(2) The remuneration of the arbitrator is recoverable by the arbitrator as a debt due from the parties to the arbitration, jointly or severally.

Conduct of proceedings and witnesses

12.—(1) Subject to sub-paragraph (2), in any arbitration to which this Schedule applies, the arbitrator may join as a party to the arbitration any person having an interest in the holding, whether or not such person has applied to become a party to the arbitration, provided that such person consents to be so joined.

(2) Where an apportionment pursuant to a request in a statement under regulation 39(4)(b) is to be carried out by arbitration, any person with an interest in the holding who has refused to sign such a statement as is referred to in regulation 39(4)(a) must be a party to the arbitration.

13. Within 35 days of the appointment of the arbitrator, or within such further period as the arbitrator may determine, the parties to the arbitration must deliver to him a statement of their respective cases with all necessary particulars and—

(a) no amendment or addition to the statement or particulars delivered is allowed after the expiry of the 35 days, or such further period as the arbitrator may determine, except with the consent of the arbitrator; and

(b) a party to the arbitration is confined at the hearing to the matters alleged in the statement and particulars delivered by him and any amendment or addition duly made.

14. The parties to the arbitration and all persons claiming through them must, subject to any legal objection, submit to being examined by the arbitrator, on oath or affirmation, in relation to the matters in dispute and must, subject to any such objection, produce before the arbitrator all samples and documents within their possession or power which may be required or called for, and do such other things as the arbitrator reasonably may require for the purposes of the arbitration.

15. Any person having an interest in the holding to which the arbitration relates is entitled to make representations to the arbitrator.

16. Witnesses appearing at the arbitration must, if the arbitrator thinks fit, be examined on oath or affirmation, and the arbitrator may administer oaths to, or take the affirmation of, the parties and witnesses appearing.

17. The provisions of county court rules as to the issuing of witness summonses apply, subject to such modifications as may be prescribed by such rules, for the purposes of the arbitration as if it were an action or matter in the county court.

18.—(1) Subject to sub-paragraphs (2) and (3), any person who—

- (a) having been summoned in pursuance of county court rules as a witness in the arbitration refuses or neglects, without sufficient cause, to appear or to produce any documents required by the summons to be produced; or
- (b) having been so summoned or being present at the arbitration and being required to give evidence, refuses to be sworn or give evidence,

forfeits such fine as the judge of the county court may direct.

(2) A judge may not direct under sub-paragraph (1) that a person forfeits a fine of an amount exceeding £400.

(3) No person summoned in pursuance of county court rules as a witness in the arbitration forfeits a fine under this paragraph unless there has been paid or tendered to him at the time of the service of the summons such reasonable sum in respect of his expenses as the arbitrator may direct (including, in appropriate cases, compensation for loss of time), having regard to such sums payable in such cases as may be prescribed for the purposes of section 55 of the County Courts Act 1984^(a).

(4) The judge of the county court may at his discretion direct that the whole or any part of any such fine, after deducting costs, is applicable towards indemnifying a party injured by the refusal or neglect.

19.—(1) Subject to sub-paragraph (2), upon application by any party to the arbitration, the judge of the county court may, if he thinks fit, issue an order under his hand for bringing before the arbitrator any person (in this paragraph referred to as “the prisoner”) confined in any place under any sentence or under committal for trial or otherwise, to be examined as a witness in the arbitration.

(2) No such order may be made with respect to a person confined under process in any civil action or matter.

(3) Subject to sub-paragraph (4), the prisoner mentioned in any such order must be brought before the arbitrator under the same custody, and dealt with in the same manner in all respects, as a prisoner required by a writ of habeas corpus to be brought before the High Court and examined there as a witness.

(4) The person having the custody of the prisoner is not bound to obey the order unless there is tendered to him a reasonable sum for the conveyance and maintenance of a proper officer or officers and of the prisoner in going to, remaining at, and returning from, the place where the arbitration is held.

20. The High Court may order that a writ of habeas corpus ad testificandum must issue to bring a prisoner for examination before the arbitrator, if that prisoner is confined in any prison under process in any civil action or matter.

Award

21.—(1) Subject to sub-paragraph (2), the arbitrator must make and sign his award within 56 days of his appointment.

(2) The President may from time to time extend the time limited for making the award, whether that time has expired or not.

(3) The arbitrator must notify the terms of his award to the Secretary of State within eight days of delivery of that award.

(4) The award must fix a date not later than one month after the delivery of the award for the payment of any costs awarded under paragraph 25.

22. The award is final and binding on the parties and any persons claiming under them.

23. The arbitrator may correct any clerical mistake or error in the award arising from any accidental slip or omission.

^(a) 1984 c. 28.

Reasons for award

24. Where the arbitrator is requested by any party to the arbitration, on or before the making of the award, to make a statement, either written or oral, of the reasons for the award, the arbitrator must furnish such a statement.

Costs

25. The costs of and incidental to the arbitration and award are in the discretion of the arbitrator who may direct to and by whom and in what manner the costs, or any part of the costs, are to be paid. The costs for the purposes of this paragraph include any fee paid to the President in respect of the appointment of an arbitrator and any sum paid to the Secretary of State pursuant to paragraph 5.

26. On the application of any party, any such costs are taxable in the county court according to such of the scales prescribed by county court rules for proceedings in the county court as may be directed by the arbitrator under paragraph 25 or, in the absence of any such direction, by the county court.

27.—(1) The arbitrator must, in awarding costs, take into consideration—

- (a) the reasonableness or unreasonableness of the claim of any party, whether in respect of the amount or otherwise;
- (b) any unreasonable demand for particulars or refusal to provide particulars; and
- (c) generally all the circumstances of the case.

(2) The arbitrator may disallow any costs which he considers to have been unnecessarily incurred, including the costs of any witness whom he considers to have been called unnecessarily.

Special case, setting aside award and remission

28. The arbitrator—

- (a) may state at any stage of the proceedings; and
- (b) must state, upon a direction in that behalf given by the judge of the county court following an application made by any party,

any question of law arising in the course of the arbitration and any question as to the jurisdiction of the arbitrator in the form of a special case for the opinion of the county court.

29.—(1) Where the arbitrator has misconducted himself, the county court may remove him.

(2) Where—

- (a) the arbitrator has misconducted himself; or
- (b) an arbitration or award has been improperly procured; or
- (c) there is an error of law on the face of the award,

the county court may set the award aside.

30.—(1) The county court may from time to time remit the award, or any part of the award, to the arbitrator for reconsideration.

(2) Paragraph (3) applies in any case where it appears to the county court that there is an error of law on the face of the award.

(3) Instead of exercising its power of remission under sub-paragraph (1), the court may vary the award by substituting for so much of it as is affected by the error such award as the court considers that it would have been proper for the arbitrator to make in the circumstances.

(4) An award varied pursuant to paragraph (3) has effect as so varied.

(5) Where remission is ordered under sub-paragraph (1), the arbitrator must, unless the order otherwise directs, make and sign his award within 30 days of the date of the order.

(6) If the county court is satisfied that the time for making the award is for any good reason insufficient, the court may extend or further extend that time for such period as it thinks proper.

Miscellaneous

31. Any amount paid, in respect of the remuneration of the arbitrator by any party to the arbitration in excess of the amount, if any, directed by the award to be paid by him in respect of the costs of the award, is recoverable from the other party or jointly from the other parties.

32. For the purposes of this Schedule, an arbitrator appointed by the President must be taken to have been so appointed at the time when the President executed the instrument of appointment, in accordance with the law in force at the time of such execution and in the case of any such arbitrator the periods mentioned in paragraphs 13 and 21 accordingly run from that time.

33. Any instrument of appointment or other document purporting to be made in the exercise of any function exercisable by the President under paragraph 1, 2, 6, 11 or 21 and to be signed by or on behalf of the President is to be taken to be such an instrument or document unless the contrary is shown.

34. The Arbitration Act 1996(a) does not apply to an arbitration determined in accordance with this Schedule.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which come into force on 31st March 2005, revoke and replace the Dairy Produce Quotas Regulations 2002 (S.I. 2002/457) (“the 2002 Regulations”) as amended by the Dairy Produce Quotas (Amendment) Regulations 2004 (S.I. 2004/312).

These Regulations implement Council Regulation (EC) No. 1788/2003 (OJ No. L279, 21.10.2003 p.123) establishing a levy in the milk and milk products sector (“the Council Regulation”) and Commission Regulation (EC) No. 595/2004 (OJ No. L94, 31.3.2004, p.22) laying down detailed rules for applying Council Regulation (EC) No 1788/2003 establishing a levy in the milk and milk products sector (“the Commission Regulation”). The Council Regulation and the Commission Regulation revoke and replace earlier legislation relating to the levy.

Under the Community legislation, as defined in regulation 2(1), a levy continues to be payable on dairy produce sold by direct sale by a producer or delivered by him wholesale to a dairy business, unless the sales or deliveries are within a reference quantity described in that legislation. The Community legislation establishes the system of what are commonly called “milk quotas” and in these Regulations the term “quota”, which is defined in regulation 2(1), is used to refer to the reference quantity described in the Community legislation.

These Regulations apply in relation to relevant persons, including producers and purchasers, in relation to whom the Secretary of State for Environment, Food and Rural Affairs (“the Secretary of State”) is the competent authority under the Dairy Produce Quotas (General Provisions) Regulations 2002 (S.I. 2002/458). The terms “relevant person”, “producer” and “purchaser” are defined in regulation 2(1). The Secretary of State is the competent authority in relation to those relevant persons whose trading address is in England. The holdings of producers to whom these Regulations apply may comprise land in parts of the United Kingdom outside England. Amendments to the Dairy Produce Quotas (General Provisions) Regulations 2002 also come into force on 31st March 2005; see S.I. 2005/466.

Apart from drafting changes and the revocation of spent provisions, the new provisions included in these Regulations are as follows:

- (a) Before approving a purchaser, the Secretary of State may oblige the purchaser to lodge such security as the Secretary of State may reasonably require (regulation 5(4)).
- (b) Provisions relating to butterfat-adjusted deliveries and the liability of producers for levy on deliveries (regulations 25 and 27).
- (c) A direct seller who does not provide a declaration of his sales in a quota year (as defined in regulation 2(1)) by 14th May immediately following the end of that quota year and who is liable to pay levy in respect of such sales will pay levy at the full rate (regulation 30(14)).
- (d) Unless he has already paid levy, in certain circumstances a producer will be liable for the payment of levy to the Secretary of State where his purchaser has failed to do so (regulation 31).
- (e) Article 21 of the Commission Regulation requires that checks be made on the compatibility between deliveries and direct sales of milk on the one hand and production capacity on the other. Consequently, a producer is required to keep invoices of feed purchased by him (regulation 34(2) and paragraphs 2(1)(d) and 3(d) of Schedule 2).
- (f) Article 6 of the Commission Regulation provides that milk which is destroyed off-farm for sanitary reasons will not be taken into account when calculating levy. Consequently, a producer is required to keep records of such milk (regulation 34(2) and paragraphs 2(1)(j) and 3(k) of Schedule 2).

- (g) Where a person has to submit a document to the Secretary of State in accordance with these Regulations, the operative date is the date by when the Secretary of State receives the document, not the date of despatch to the Secretary of State.
- (h) New provision is also made—
 - (i) enabling a tenant who buys quota to retain that quota at the end of his tenancy in certain circumstances (regulation 14);
 - (ii) relating to the conversion of quota (regulation 22);
 - (iii) to prevent the avoidance of levy (regulation 32);
 - (iv) imposing a penalty for failure to submit a summary under Article 8(2) of the Commission Regulation by 1st July (regulation 36(6)); and
 - (v) for the confiscation of quota (regulation 38).
