**CORRECTION**

Page 1, in the second paragraph of the preamble, line one: "...section 52(8) and (10)..." should read, "...section 52(8) and (9)..."

Page 2, regulation 1(2)(b)(ii)(bb) should read: "National Assembly for Wales, or";

Page 2, regulation 3(4)(b)(i): "...of which a license..." should read, "...of which a licence..."

Page 2, regulation 3(4)(b)(iii): "...of which a license..." should read, "...of which a licence..."

Page 2, footnote (a) should read: "S.I. 2006/1659";

Page 6, in the Explanatory Note, third paragraph, line two: "...to hold a license..." should read, "...to hold a licence..."

Page 6, in the Explanatory Note, fourth paragraph (first indented paragraph), lines three and four: "...or for the purpose of research for which ethical approval has been given or sought" should be deleted;

Page 6, in the Explanatory Note, immediately after the fourth paragraph (first indented paragraph) insert a new fifth paragraph (second indented paragraph) which should read:

“where the relevant material has come from a living person where storage is for the purpose of research for which ethical approval has been given or sought”; and

Page 6, in the Explanatory Note, delete the existing fifth paragraph (second indented paragraph) and insert a new paragraph, which now becomes the sixth paragraph (third indented paragraph), and should read:

“where the relevant material has come from a human body where storage is for the purpose of transplantation and either the material is an organ or part of an organ, or the storage period is for less than 48 hours”.
