

## SCHEDULE 1

### MINIMUM REQUIREMENTS FOR STRATEGIC NOISE MAPPING

#### **Requirements for strategic noise maps for major roads, major railways and major airports**

- 4.—(1) This paragraph applies only to—
- (a) any strategic noise map made under—
    - (i) regulation 7(1)(b) to (d),
    - (ii) regulation 7(2)(b) to (d),
    - (iii) regulation 11(2); or
  - (b) any revision of such a map.
- (2) Strategic noise maps must—
- (a) include the information (in electronic format) described in paragraphs 2.1 to 2.4 inclusive of Annex VI of the Directive; and
  - (b) include editable numerical data in electronic form containing the values of  $L_{den}$ ,  $L_{night}$  and the supplementary noise indicators on a grid.
