The Network Rail (Thameslink 2000) Order 2006

PART 2

WORKS PROVISIONS

*Streets*

**Access to works**

17.—(1) Network Rail may, for the purposes of the authorised works—

- (a) form and lay out means of access, or improve existing means of access, to the streets specified in columns (1) and (2) of Schedule 6 (access to works) to this Order at or about the points marked “A”; and
- (b) with the approval of the highway authority (such approval not to be unreasonably withheld) form and lay out such means of access or improve existing means of access at such other locations within the Order limits as Network Rail reasonably requires for the purposes of the authorised works.

(2) The provisions of paragraph (1)(a) in respect of Turnmill Street and Farringdon Road in the London borough of Islington and Withdean Road/Station Road in the City of Brighton and Hove shall extend only to the formation and laying out of pedestrian access or improving existing means of pedestrian access.
