1.—(1) Subject to sub-paragraph (2), written notice of appeal against a decision on an issue of a medical nature stating—

- (a) the appellant's name and address, and
- (b) the grounds of the appeal,

must be given to the authority within 28 days of the date on which the appellant receives the documents referred to in rule 4(4) of Part 8; and where the appellant receives those documents on different dates, they shall be treated for this purpose as received on the later or latest of those dates.

(2) Where—

- (a) notice of appeal is not given within the period specified in sub-paragraph (1), but
- (b) the authority are of the opinion that the person's failure to give it within that period was not due to his own default,

they may extend the period for giving notice to such length, not exceeding six months from the date mentioned in sub-paragraph (1), as they think fit.

2.—(1) On receiving a notice of appeal, the authority shall supply the Secretary of State with three copies of—

- (b) the notice of the relevant decision,
- (c) the opinion, response or evidence (as the case may be) supplied to the appellant, and

(2) The board shall arrange for one of their number to review those documents ("the reviewing member").

(3) As soon as reasonably practicable after concluding the review, the reviewing member shall give written notice to the Secretary of State—

- (a) of any other information which the reviewing member considers would be desirable for the purpose of enabling the board to determine the appeal, and

- (4) On receipt of the reviewing member's notice the Secretary of State shall—
- (a) where the reviewing member has notified the Secretary of State of the desirability of obtaining other information, require the authority to use their best endeavours to obtain that information, and

  - (b) may interview or medically examine him or cause him to be interviewed or medically examined on such further occasions as the board thinks necessary for the purpose of determining the appeal.
- (2) The board shall appoint, and give the parties not less than two months' notice of, the time and place for every interview and medical examination; and if the board is satisfied that the appellant is unable to travel, the place shall be the appellant's place of residence.
- (3) The appellant shall attend at the time and place appointed for any interview and medical examination by the board or any member of the board or any person appointed by the board for that purpose.

(5) Any interview under this paragraph may be attended by persons appointed for the purpose by the authority or by the appellant or by each of them.

7.—(1) Where either party intends to submit written evidence or a written statement at an interview held under paragraph 6, the party shall, subject to sub-paragraph (2), submit the evidence or statement to the board and to the other party not less than 28 days before the date appointed for the interview.

8.—(1) The board shall supply the Secretary of State with—

- (a) a written report of its decision on the relevant medical issues, and
- (b) if the board is of the opinion that the appeal was frivolous, vexatious or manifestly ill-founded, a statement to that effect (which may form part of the report).

(2) The Secretary of State shall supply the parties with a copy of the report and of any separate statement under paragraph (1)(b).

9.—(1) There shall be paid to the board and the reviewing member—
