Interests in offshore non-reporting funds: general

14ZA.—(1) Regulation 14ZB applies if—

- (a) an authorised investment fund disposes of an asset which is an interest in a non-reporting fund (“the asset”); and
- (b) the conditions in paragraph (2) are satisfied for the period beginning with the date on which the authorised investment fund acquired the asset and ending on the date of the disposal.

(2) The conditions are that—

- (a) the authorised investment fund has access to the accounts of the non-reporting fund,
- (b) the authorised investment fund had sufficient information about the non-reporting fund referred to in paragraph (1)(a) to enable it to prepare computations of reportable income for the non-reporting fund for every accounting period which, if the non-reporting fund were a reporting fund, would be a reporting period ending within the period mentioned in paragraph (1)(b),
- (c) the authorised investment fund has prepared such computations, and
- (d) any excess of the authorised investment fund’s share of the reportable income of the non-reporting fund over the authorised investment fund’s share of the distributions made by the non-reporting fund is included in the amount available for income allocation by the authorised investment fund for each reporting period of the authorised investment fund which falls within the period mentioned in paragraph (1)(b).

(3) An authorised investment fund has an interest in a non-reporting fund if and to the extent that it has an interest in such a fund for the purposes of the Offshore Funds Regulations.

(4) For the purposes of the computations mentioned in paragraph (2)(b), regulation 80 of the Offshore Funds Regulations applies if (and only if) the non-reporting fund is a UCITS fund.

(5) In this regulation, “UCITS fund” has the same meaning as in regulation 12 of the Offshore Funds Regulations and “reporting period” has the same meaning as in regulation 91 of those Regulations.

Treatment of disposal of interest in non-reporting fund

14ZB. No tax shall be charged on the authorised investment fund under regulation 17 of the Offshore Funds Regulations on the disposal by the authorised investment fund of an asset which is an interest in a non-reporting fund at the time of the disposal.

14ZC.—(1) This regulation applies in relation to an asset of an authorised investment fund (“the asset”) which—

- (a) is an interest in a non-reporting fund, but
- (b) in relation to which the conditions in regulation 14ZA(2) would not (apart from this regulation) be satisfied for the whole of the period specified in regulation 14ZA(1)(b) in relation to the asset.

(2) Paragraph (4) applies if the authorised investment fund, in relation to the asset, reasonably expects to satisfy the conditions in regulation 14ZA(2) for the period beginning with a date to be determined in accordance with paragraph (3) (“the deemed start date”) and ending on the date of the disposal of the asset.

(3) The deemed start date is a date to be determined by the authorised investment fund but which must not be earlier than 6th March 2011.

(4) The authorised investment fund is treated for all purposes (including for the purposes of determining the beginning of the period mentioned in regulation 14ZA(1)(b)) as if it had, on the deemed start date, disposed of the asset (and not satisfied the conditions in regulation 14ZA(2)) and immediately reacquired the asset for a consideration equal to its market value on the deemed start date.

(5) The authorised investment fund must notify the Commissioners of the deemed start date by making an appropriate entry in its tax return for the accounting period in which the deemed start date falls.]

CHAPTER 3

PARTICIPANTS CHARGEABLE TO CORPORATION TAX

Interest distributions

The obligation to deduct tax

47.—(1) This regulation applies if an interest distribution is made for a distribution period to a participant chargeable to corporation tax.

(2) The deduction obligation does not apply to the interest distribution.

(3) But if the participant is a company which is the trustee of the trust to which (or under which) the interest distribution is made (or received), the deduction obligation is not excluded by virtue of paragraph (2).

(4) In its application to an interest distribution to a participant in respect of accumulation units, the deduction obligation is an obligation to deduct a sum out of the amount being invested on the participant's behalf.

Dividend distributions

General

48.—(1) Paragraph (2) applies if—

- (a) a dividend distribution for a distribution period is made to a participant by the legal owner of an authorised investment fund, and
- (b) on the distribution date for that distribution period the participant is within the charge to corporation tax.

(2) [^{F61}Subject to paragraphs (2A)[^{F62}, (2B) and (2BA)],] for the purpose of computing the corporation tax chargeable upon the participant, the unfranked part of the dividend distribution is treated—

- (a) as an annual payment and not as a dividend distribution or an interest distribution; and
- (b) as having been received by the participant after deduction of [^{F63}tax at a rate equal to the basic rate of income tax] for the [^{F64}tax year] in which the distribution date falls, from a corresponding gross amount.

[^{F65}(2A) But paragraph (2) does not apply to a dividend distribution to which [^{F66}Chapter 2 of Part 3 of CTA 2009] applies.

(2B) If, on the distribution date, the participant is the manager of the authorised investment fund, paragraph (2) shall not apply to the extent that the rights in respect of which the dividend distribution is made are held by him in the ordinary course of the manager's business as manager of the fund.]

[^{F67}(2BA) Paragraph (2)(b) does not apply to so much of any dividend distribution as on a just and reasonable apportionment is attributable to an unallowable arrangement.

(2BB) For the purposes of paragraph (2BA), an unallowable arrangement is an arrangement the main purpose or one of the main purposes of which is to secure that an amount of tax, or an increased amount of tax, is treated as deducted under paragraph (2)(b).

(2BC) In paragraph (2BB), “arrangement” includes any arrangement, agreement, scheme, transaction, series of transactions or understanding (whether or not legally enforceable).]

Status: Point in time view as at 27/02/2012.

Changes to legislation: There are currently no known outstanding effects for the The Authorised Investment Funds (Tax) Regulations 2006. (See end of Document for details)

[^{F68}(2C) Regulation 48A makes provision in relation to the unfranked part of the dividend distribution treated as an annual payment under paragraph (2)(a) and regulation 48B makes provision in relation to the tax treated as deducted under paragraph (2)(b).]

(3) Regulation 49 explains how to calculate the unfranked part of the dividend distribution.

[^{F69}(4) This regulation does not apply in respect of a holding in a qualified investor scheme if the scheme has not met the genuine diversity of ownership condition in regulation [^{F70}9A] in relation to an accounting period.]

[^{F71}Income treated as an annual payment treated as foreign income

48A. If there is a foreign element of the tax treated as deducted under regulation 48(2)(b) (see regulation 48B), a corresponding proportionate part of the distribution which is treated as an annual payment under regulation 48(2)(a) is treated as if it were income that—

Tax treated as deducted from a dividend distribution

48B.—(1) The tax treated as deducted under regulation 48(2)(b) (“the deemed deduction”) is treated as income tax.

(2) But paragraph (1) does not apply to any foreign element of the deemed deduction.

(3) Instead, for the purposes of the Tax Acts the foreign element of the deemed deduction is treated as if it were tax—

- (a) payable under the law of a territory outside the United Kingdom with which there are not in force any arrangements under section 2(1) of TIOPA 2010 (double taxation relief by agreement),
- (b) calculated by reference to income arising or any chargeable gain accruing, in the territory, and
- (c) corresponding to United Kingdom corporation tax.

(4) The amount of the foreign element of the deemed deduction is the amount, if any, by which the participant’s portion of the legal owner’s liability to corporation tax in respect of the gross income is reduced by any relief which is given, or falls to be given by way of a credit under section 18 of TIOPA 2010 (entitlement to credit for foreign tax reduces UK tax by amount of the credit).

(2) If there is a breach which is caused by the action of a shareholder in the company and the company has not taken reasonable steps to prevent the breach (so that, accordingly, there is a charge to corporation tax under regulation 69Z12) (a “specified breach”), this Part shall continue to apply to the company despite the breach (but see paragraph (3) and regulation 69Z8).

(3) If there are three specified breaches in a period of ten years beginning with the first day of the accounting period in which the first specified breach occurs, the Commissioners may give a termination notice to the company.

Further provisions

Profit/financing costs in the case of a Property AIF that is a qualified investor scheme

69Z9.—(1) This regulation applies if conditions A and B are met.

(2) Condition A is that an open-ended investment company to which this Part applies is a qualified investor scheme.

(3) Condition B is that the result of the following calculation is less than 1.25 in respect of an accounting period—

Income / Financing Costs

Income
Financing Costs

(4) In paragraph (3)—

“Income” means the amount of the net income of F (tax-exempt) arising in the accounting period (before the offset of capital allowances, of losses from a previous accounting period, and of amounts taken into account under regulation 69Z1(3)), and

“Financing Costs” means the amount of the financing costs incurred in that period in respect of the business of F (tax-exempt).

(5) An amount shall be charged to corporation tax.

(6) That amount is determined as follows—

Step One

Determine the financing costs which, given the actual income, would produce the result of 1.25 in the calculation specified in paragraph (3) (the “theoretical financing costs”).

Step Two

Determine the amount by which the actual financing costs exceed the theoretical financing costs (“the excess financing cost”).

Step Three

Divide the main rate at which corporation tax is charged for the accounting period by the rate at which corporation tax is charged on an open-ended investment company for the accounting period (see section 468A(1) of ICTA) to determine the multiplier.

Step Four

Multiply the excess financing cost by the multiplier.

The result is the amount charged to tax.

(7) For the purposes of paragraphs (3) and (4) “financing costs” are the costs of debt finance; and in calculating the costs of debt finance in respect of an accounting period the matters to be taken into account include—

(a) costs giving rise to debits in respect of debtor relationships of the company under Chapter 2 of Part 4 of FA 1996 (loan relationships), other than debits in respect of exchange losses from such relationships (within the meaning of section 103(1A) and (1B) of that Act),

- (b) any exchange gain or loss from a debtor relationship within the meaning of that Chapter in relation to debt finance,
 - (c) any credit or debit falling to be brought into account under Schedule 26 to FA 2002 (derivative contracts) in relation to debt finance,
 - (d) the financing cost implicit in a payment under a finance lease, and
 - (e) any other costs arising from what would be considered, in accordance with generally accepted accounting practice, to be a financing transaction.
- (8) No loss, deficit, expense or allowance may be set off against the amount charged to tax by paragraph (5).

Cancellation of tax advantage

69Z10.—(1) This regulation applies if a company to which this Part applies has tried to obtain a tax advantage for itself or another person.

(2) The Commissioners may give a notice to the company specifying the tax advantage.

(3) If the Commissioners give a notice to the company under paragraph (2) a tax advantage obtained by the company shall be counteracted, in accordance with the notice, by an adjustment by way of—

- (a) an assessment;
- (b) the cancellation of a right of repayment;
- (c) a requirement to return a repayment already made; or
- (d) the computation or recomputation of profits or gains, or liability to tax, on a basis specified by the Commissioners in the notice.

(4) The Commissioners may (in addition to the adjustment under paragraph (3)) assess the company to such additional amount of income tax under Case VI of Schedule D as they think is equivalent to the value of the tax advantage.

(5) For the purposes of this regulation “tax advantage” has the meaning given by section 709 of ICTA.

(6) But a company does not obtain a tax advantage by reason only of this Part applying to it, unless it does anything (whether before or during the application of this Part) which is wholly or principally designed to create or inflate or apply a loss, deduction or expense (whether or not suffered or incurred by the company).

Appeal against notice under regulation 69Z10

69Z11.—(1) If a notice is given to a company under regulation 69Z10, the company may appeal ^{F106}....

(2) The notice of appeal must be given to HM Revenue and Customs within a period of 28 days beginning with the day on which the notice under regulation 69Z10 is given.

(3) On an appeal [^{F107}that is notified to the tribunal, the tribunal] may—

- (a) affirm, vary or cancel the notice, and
- (b) affirm, vary or quash an assessment made under regulation 69Z10(4).

(5) The amount determined in accordance with paragraph (3) shall be charged to corporation tax as if it were income of F (residual) chargeable under Case VI of Schedule D arising in the accounting period in which the distribution mentioned in paragraph (1) was made by the company.

(6) No loss, deficit, expense or allowance may be set off against the amount charged to tax by paragraph (5).

Meaning of “holder of excessive rights”

69Z13.—(1) In this Part a “holder of excessive rights” means a body corporate which—

- (a) is a participant in an open-ended investment company to which this Part applies, and
- (b) is beneficially entitled to shares representing rights to 10% or more of the net asset value of the company.

- (a) the results of all or part of the authorised investment fund’s business, or
- (b) the value of any of the fund’s assets.

(3) For the purposes of condition A, a loan shall not be treated as dependent on the results of the fund’s business by reason only that the terms of the loan provide—

- (b) for the interest to be increased in the event of results deteriorating.

(4) Condition B is that, in the case of a debtor relationship of the fund, the person standing in the position of a creditor as respects the debt in question is not entitled to an amount by way of interest which exceeds a reasonable commercial return on the consideration lent.

(6) In this regulation “loan relationship” and “debtor relationship” shall be construed in accordance with Part 5 of CTA 2009 (loan relationships).

PART 6

FURTHER PROVISIONS RELATING TO AUTHORISED INVESTMENT FUNDS

CHAPTER 1

GENERAL

Ownership of shares of different denominations in open-ended investment companies

76.—(1) This regulation applies if conditions A and B are met.

(2) Condition A is that in respect of a given class of shares specified in the instrument of incorporation of an open-ended investment company, shares issued of that class consist of both smaller denomination shares and larger denomination shares.

(3) Condition B is that a participant owns both smaller denomination shares and larger denomination shares of that class.

(4) For the purposes of the provisions relating to ownership of shares in a company contained in the Tax Acts and TCGA 1992, the shares owned by the participant are treated as securities of the same class.

(5) Each larger denomination share is to be treated for those purposes as if it were comprised of the relevant number of smaller denomination shares.

(6) The market value of each smaller denomination share is to be taken for those purposes to be the relevant proportion of the market value of each larger denomination share.

(7) In this regulation—

“smaller denomination shares” means shares to which are attached rights specified in the company's instrument of incorporation that are expressed in the smaller of two denominations;

“larger denomination shares” means shares to which are attached rights so specified that are expressed in the larger of two denominations;

“relevant number” means the number calculated by reference to the relevant proportion; and

“relevant proportion” means the proportion, determined by the company's instrument of incorporation, which the rights attaching to each smaller denomination share bear to the rights attaching to each larger denomination share.

Non-discrimination in respect of different classes of shares

77.—^{F135}(1) This regulation applies if there is an amount available for income allocation.]

(2) There must not be any discrimination between participants in respect of different classes of shares.

(3) There is no such discrimination if condition A and either condition B or C is met.

(4) Condition A is that the differences are wholly attributable to differences between the amounts or treatment for accounting purposes of the charges or expenses which—

(a) are permitted by the instrument of incorporation of the open-ended investment company concerned or the prospectus in issue for the time being of that company ^{F136}... or by the trust deed under which the authorised unit trust is constituted, and

(b) are payable out of the scheme property of that authorised investment fund in respect of the shares of those classes.

(5) Condition B is that the authorised investment fund is able to show that the differences between the amounts or treatment for accounting purposes of the charges or expenses referred to in condition A apply for bona fide commercial reasons.

(6) Condition C is that the differences are not such as to enable the participants in any one of those classes to obtain a tax advantage which they would not obtain if there were no differences between the amounts or treatment for accounting purposes of those charges or expenses.

(7) In paragraph (6) “tax advantage” has the same meaning as in Chapter 1 of Part 17 of ICTA (cancellation of tax advantages from transactions in securities).

CHAPTER 2

AMALGAMATION OF AN AUTHORISED UNIT TRUST WITH, AND CONVERSION OF AN AUTHORISED UNIT TRUST TO, AN OPEN-ENDED INVESTMENT COMPANY

Circumstances in which this Chapter applies

78.—(1) This Chapter applies if, in connection with a scheme of reorganisation, conditions A to E are met.

(2) Condition A is that the whole of the scheme property of an authorised unit trust that is available for transfer is transferred on a given date under an arrangement to an open-ended investment company.

(3) Condition B is that the consideration under the arrangement consists of or includes the issue, on the transfer date, of shares in the acquiring company to the holders of units in the target trust in exchange for those units.

(4) Condition C is that the consideration shares are issued to the holders of units in proportion to their holdings of the exchanged units.

(5) Condition D is that the consideration under the arrangement does not include anything else in addition to the issue of the consideration shares, other than (where applicable) the assumption or discharge by the acquiring company of liabilities of the trustees of the target trust.

(6) Condition E is that under the arrangement all the units in the target trust are extinguished.

(7) In this Chapter—

the “target trust” means the authorised unit trust mentioned in paragraph (2);

the “transfer date” means the given date mentioned in paragraph (2);

the “acquiring company” means the open-ended investment company mentioned in paragraph (2); and

“the whole of the scheme property of an authorised unit trust that is available for transfer” means the whole of the property subject to the trusts of the target trust, other than any property which is retained for the purpose of discharging liabilities of the trustees of the target trust;

the “consideration shares” means the shares in the acquiring company mentioned in paragraph (4); and

the “exchanged units” means the units in the target trust mentioned in paragraph (4).

Ending of accounting period of the target trust

79.—(1) An accounting period of the target trust (the “pre-transfer accounting period”) ends immediately before the transfer date; and, for the purposes of the Corporation Tax Acts, the whole of the scheme property of the target trust that is available for transfer is treated as having been transferred immediately after the end of that accounting period.

(2) This regulation applies despite anything in section 12(1) to (7) of ICTA (periods of assessment for corporation tax).

Carrying forward of excess management expenses

80.—(1) This regulation applies if condition A or B is met.

(2) Condition A is that, in respect of the pre-transfer accounting period of the target trust, the trustees are entitled, under section 75(9) of ICTA ^{M24} (carry forward of management expenses and sums treated as management expenses), to carry forward an excess amount to the next accounting period of the trust.

(3) Condition B is that—

- (a) the pre-transfer accounting period is the final accounting period of the target trust, and
- (b) the trustees are entitled, under section 75(9) of ICTA, to carry forward an excess amount to what would have been the next accounting period of the trust were the trust to have an accounting period beginning on the transfer date.

(4) With effect from the transfer date, the entitlement is translated into a right in the acquiring company to treat the amount as if it had been carried forward under section 75(9) of ICTA to the first of its accounting periods to end on or after the transfer date.

M24 Section 75 was substituted by section 38(1) of the [Finance Act 2004 \(c. 12\)](#).

Distributions by authorised unit trust after the end of its pre-transfer accounting period

81.—(1) This regulation applies if, in respect of any post-transfer distribution date of the target trust, there is an amount which falls to be treated, in accordance with regulation [^{F137}22] (dividend distributions: general), as dividends on shares paid on that distribution date by the target trust to its participants in proportion to their rights.

(2) The amount shall instead be treated as dividends on shares paid on that date by the acquiring company to those persons in proportion to their rights.

(3) In this regulation “post-transfer distribution date” of a target trust means a distribution date of that trust which—

- (a) occurs on or after the transfer date, and
- (b) is the distribution date for a distribution period of the trust ending before the transfer date.

Continuing validity of residence declarations

82.—(1) This regulation applies if—

- (a) before the transfer date, a unit holder has made a residence declaration to the trustees of the target trust, and
- (b) immediately before the transfer date, the trustees of the target trust treated the residence declaration as valid.

(2) The acquiring company may treat the residence declaration as valid.

Powers of the acquiring company

83.—(1) On and after the transfer date, the acquiring company has the powers set out in paragraphs (2) and (3).

(2) The acquiring company may continue anything which—

Changes to legislation: There are currently no known outstanding effects for the The Authorised Investment Funds (Tax) Regulations 2006. (See end of Document for details)

- (a) immediately before the transfer date was in the process of being done by the trustees of the target trust for the purposes of tax in relation to accounting periods of the target trust ending before that date, and
 - (b) is not continued by those trustees on or after the transfer date.
- (3) The acquiring company may do anything which—
- (a) immediately before the transfer date was not in the process of being done by the trustees of the target trust for the purposes of tax in relation to accounting periods of the target trust ending before that date and is not done by them for those purposes, and
 - (b) might reasonably have been expected to be done by those trustees for those purposes had the scheme of reorganisation not taken place.

Assessments made on discovery

84. The provisions of this Chapter do not affect any enactment in the Tax Acts which provides for assessments to be made where an officer of the Commissioners discovers that a set-off, matching, repayment of tax, or payment of tax credit or provision for relief in any other form ought not to have been made, given or otherwise allowed, or is or has become excessive.

Prevention of double relief

85. For the purposes of the Tax Acts, nothing in this Chapter has the effect of enabling—

- (a) any set-off or matching of an amount to be made,
- (b) any repayment of an amount of tax or payment of an amount of tax credit to be made, or
- (c) any other relief to be given,

more than once in respect of the same amount or relief.

(2) This regulation applies where—

(5) If the tribunal determine that it was not just and reasonable for HM Revenue and Customs to issue the refusal notice, paragraph (1) of regulation 85J shall apply.

Disposal of an interest in an authorised investment fund prior to its becoming a FINROF

85L.—(1) This regulation applies if an authorised investment fund either meets the investment condition or becomes an elective FINROF in accordance with regulation 85F.

(2) A participant in the fund may make an election to be treated for the purposes of TCGA 1992—

- (a) as disposing of all the units that they hold in the authorised investment fund on the deemed disposal date, and
- (b) as immediately upon that disposal, acquiring units in the FINROF.

(3) The disposal referred to in paragraph (2)(a) is treated as made for a consideration equal to the market value of the participant’s holding of units in the fund on the deemed disposal date.

(4) The acquisition referred to in paragraph (2)(b) is treated as made for a consideration equal to the consideration for the disposal referred to in paragraph (2)(a).

(5) If the participant is chargeable to income tax, the election mentioned in paragraph (2) must be made by being included in a return made for the tax year which includes the deemed disposal date.

(6) If the participant is chargeable to corporation tax, the election mentioned in paragraph (2) must be made by being included in the participant’s company tax return for the accounting period which includes the deemed disposal date.

(2) Condition A is that the participant is required to treat units in the FINROF as a loan relationship to which the provisions of Chapter 3 of Part 6 of CTA 2009 apply.

(3) Condition B is that the participant is required to treat units in the FINROF as a derivative contract to which the provisions of Part 7 of CTA 2009 apply.

(5) An income gain accruing on the disposal arising under paragraph (4) is treated as an income gain not accruing to a charity.

(6) In this regulation “charity” and “charitable company” have the same meaning as in section 506 of ICTA.

CHAPTER 5

Disposal of units in FINROFs

Application of this Chapter

85U. This Chapter applies if a participant disposes of an asset and at the time of the disposal—

- (a) the asset consists of units in a FINROF, or
- (b) the asset consists of units in an authorised investment fund that is not a FINROF and the requirements specified in paragraph (3) of regulation 85M are met.

Disposal of an asset: the basic rule

85V.—(1) There is a disposal of an asset for the purposes of this Part if there would be a disposal of an asset for the purposes of TCGA 1992.

(2) Paragraph (1) is subject to the following regulations in this Chapter.

Provisions applicable on death

85W.—(1) Notwithstanding anything in paragraph (b) of subsection (1) of section 62 of TCGA 1992 (general provisions applicable on death: no deemed disposal by the deceased), where a person dies and the assets of which the deceased was competent to dispose at the time of death include units in a FINROF, then, for the purposes of these Regulations—

- (a) immediately before the acquisition referred to in paragraph (a) of that subsection, those units shall be deemed to be disposed of by the deceased for such a consideration as is mentioned in that subsection; but
- (b) nothing in this regulation affects the determination, in accordance with regulation 85U, of the question whether that deemed disposal is one to which this Chapter applies.

Status: Point in time view as at 27/02/2012.

Changes to legislation: There are currently no known outstanding effects for the The Authorised Investment Funds (Tax) Regulations 2006. (See end of Document for details)

(2) Subject to paragraph (1), section 62 of TCGA 1992 applies for the purposes of these Regulations as it applies for the purposes of that Act, and the reference in that paragraph to the assets of which a deceased person was competent to dispose are to be construed in accordance with subsection (10) of that section.

Application of section 135 of TCGA 1992

85X.—(1) Section 135 of TCGA 1992 (exchange of securities for those in another company treated as not involving a disposal) does not apply for the purposes of this Part to the extent that—

- (a) the interest in the entity that is company A for the purposes of that section that is exchanged is units in a FINROF, and
- (b) the interest in the entity that is company B for those purposes that is exchanged is not units in such a fund.

(2) In a case where section 135 of TCGA 1992 would apply apart from paragraph (1), the exchange in question shall for the purposes of this Part constitute a disposal of units in the FINROF for a consideration equal to their market value at the time of the exchange.

Application of section 136 of TCGA 1992

85Y.—(1) Section 136 of TCGA 1992 (scheme of reconstruction involving issue of securities treated as exchange not involving disposal) does not apply for the purposes of this Part to the extent that—

- (a) the interest in the entity that is company A for the purposes of that section that is exchanged is units in a FINROF, and
- (b) the interest in the entity that is company B for those purposes that is exchanged is not units in such a fund.

(2) In a case where section 136 of TCGA 1992 would apply apart from paragraph (1), the deemed exchange in question shall for the purposes of this Part constitute a disposal of units in the FINROF for a consideration equal to their market value at the time of the deemed exchange.

CHAPTER 6

Income gains and computation of income gains

General provisions

85Z.—(1) An income gain arises to a person on the disposal of an asset if a basic gain arises on the disposal.

- (2) The disposal gives rise to an income gain of an amount equal to the basic gain on the disposal.
- (3) The following provisions of this Chapter explain how the basic gain is computed.

The basic gain and its computation

85Z1.—(1) In the case of a participant chargeable to income tax, the basic gain is a gain of the amount which would be the gain on that disposal for the purposes of TCGA 1992 if the gain were computed without regard to any charge to income tax arising under this Part.

(2) In the case of a participant chargeable to corporation tax, the basic gain is a gain of the amount which would be the gain on that disposal for the purposes of TCGA 1992 if the gain were computed—

- (a) without regard to any charge to corporation tax arising under this Part, and
- (b) without regard to any indexation allowance on the disposal under TCGA 1992.

- (3) The computation of the basic gain is subject to—
- (a) regulation 85W (provisions applicable on death);
 - (b) regulation 85X (application of section 135 of TCGA 1992);
 - (c) regulation 85Y (application of section 136 of TCGA 1992);
 - (d) regulation 85Z2 (earlier disposal to which the no gain/no loss basis applies);
 - (e) regulation 85Z3 (modifications of TCGA 1992); and
 - (f) regulation 85Z4 (losses).

Earlier disposal to which the no gain/no loss basis applies

85Z2.—(1) This regulation applies if—

- (a) a participant is chargeable to corporation tax, and
 - (b) the amount of any chargeable gain or allowable loss which would arise on the disposal would fall to be computed in a way which, in whole or in part, would take account of the indexation allowance on an earlier disposal to which section 56(2) of TCGA 1992 (disposals on a no gain/no loss basis) applies.
- (2) The basic gain on the disposal is computed as if—
- (a) no indexation allowance had been available on any such earlier disposal, and
 - (b) subject to that, neither a gain nor a loss had arisen to the person making such an earlier disposal.

Modifications of TCGA 1992

85Z3.—(1) If the disposal forms part of a transfer to which section 162 of TCGA 1992 (roll-over relief on transfer of business) applies, the basic gain arising on the disposal is computed without regard to any deduction which falls to be made under that section in computing a chargeable gain.

(2) If the disposal is made otherwise than under a bargain at arm's length and a claim for relief is made in respect of that disposal under section 165 or 260 of TCGA 1992 (relief for gifts), the claim does not affect the computation of the basic gain arising on the disposal.

Losses

85Z4.—(1) If the effect of any computation under regulations 85Z1 to 85Z3 would be to produce a loss, the basic gain on the disposal is nil.

(2) Paragraph (1) applies notwithstanding section 16 of TCGA 1992 (losses determined in like manner as gains).

(3) Accordingly, for the purposes of these Regulations, no loss is to be treated as arising on the disposal.

CHAPTER 7

Deduction of income gains in computing chargeable gains

Scope of this Chapter

85Z5.—(1) This Chapter applies if—

- (a) a disposal gives rise to an income gain, and
- (b) that disposal also constitutes the disposal of the units concerned for the purposes of TCGA 1992.

(2) In this Chapter, the disposal specified in paragraph (1)(b) is called the “TCGA disposal”.

Treatment of the TCGA disposal: general rules

85Z6.—(1) This regulation applies for the purposes of the computation of the chargeable gain arising on the TCGA disposal.

(2) The provisions of this regulation have effect in relation to the TCGA disposal in substitution for section 37(1) of TCGA 1992 (deduction of consideration chargeable to tax on income).

(3) In the computation of the gain arising on the TCGA disposal, a sum equal to the income gain shall be deducted from the sum which would otherwise constitute the amount or value of the consideration for the disposal.

(4) Paragraph (3) is subject to the following provisions of this Chapter.

(5) Paragraph (6) applies if the TCGA disposal is of such a nature that, by virtue of section 42 of TCGA (part disposal), an apportionment falls to be made of certain expenditure.

(6) No deduction is to be made by virtue of paragraph (3) in determining the amount or value of the consideration for the purpose of the fraction in section 42(2) of TCGA 1992.

Modification of section 162 TCGA 1992

85Z7.—(1) This regulation applies if the TCGA disposal forms part of a transfer to which section 162 of TCGA applies (roll-over relief on transfer of business in exchange wholly or partly for shares).

(2) For the purposes of subsection (4) of section 162 of TCGA 1992 (determination of the amount of the deduction from the gain on the old assets) “B” in the fraction in that subsection (the value of the whole of the consideration received by the transferor in exchange for the business) is to be taken to be what it would be if the value of the consideration other than shares so received by the transferor were reduced by an amount equal to the income gain.

Application of section 128 of TCGA 1992

85Z8.—(1) This regulation applies if there is a disposal to which this Part applies by virtue of—

- (a) regulation 85X (application of section 135 of TCGA 1992), and
- (b) regulation 85Y (application of section 136 of TCGA 1992).

(2) TCGA 1992 has effect as if an amount equal to the income gain to which that disposal gives rise were given (by the person making the exchange) as consideration for the new holding (within the meaning of section 128 of that Act (consideration given or received for new holding on a reorganisation)).

CHAPTER 8

Leaving the FINROF regime

Leaving the FINROF regime

85Z9.—(1) The provisions of this Part apply to a FINROF until the date specified in an election under this regulation made by the manager.

(2) An election under this regulation must be made to HM Revenue and Customs in writing and must comply with the following provisions of this regulation.

(3) An election may only be made in respect of a FINROF if—

- (a) the FINROF does not meet the investment condition—

- (i) at the date specified in the election, and
 - (ii) at the date on which the election is made,
 - (b) the FINROF has been subject to this Part for at least one complete accounting period, and
 - (c) the fund has obtained any necessary regulatory approval of the instrument constituting the fund and the prospectus.
- (4) An election under this regulation must specify the date from which this Part ceases to apply to the FINROF.
- (5) But the date specified in paragraph (4) must not be earlier than the date which is 3 months before the date on which the election is made.

Requirement to notify participants when a fund leaves the FINROF regime

85Z10.—(1) If an election is made under regulation 85Z9, the legal owner must notify the participants in a fund that this Part no longer applies to the fund but continues to apply to a participant unless an election is made in accordance with regulation 85Z11.

(2) The notification under paragraph (1) must be made within a period of 3 months beginning with the date mentioned in regulation 85Z9(5).

(3) An authorised investment fund which fails to comply with this regulation is liable to a penalty not exceeding £3,000 determined in accordance with section 100 of TMA 1970.

(4) Sections 100A, 100B, 102, 103(4) and 118(2) of TMA 1970 apply to a penalty determined in accordance with paragraph (3).

Participant's power to elect for deemed disposal

85Z11.—(1) Notwithstanding an election made under regulation 85Z9, this Part continues to apply to a participant in a FINROF unless the participant makes an election in accordance with paragraph (2).

(2) A participant in the fund may make an election to be treated—

- (a) as disposing of the units owned by the participant in the FINROF at their market value on the deemed disposal date, and
- (b) as acquiring units in the authorised investment fund on the deemed disposal date.

(3) The income gain arising on the deemed disposal referred to in paragraph (2)(a) shall be determined in accordance with Chapter 6 of this Part.

(4) The acquisition referred to in paragraph (2)(b) is treated as made for a consideration equal to the consideration for the disposal referred to in paragraph (2)(a).

(5) An election may not be made under paragraph (2) unless the income gain arising on the disposal referred to in paragraph (2)(a) (determined in accordance with Chapter 6 of this Part) is greater than zero.

(6) If the participant is chargeable to income tax, the election mentioned in paragraph (2) must be made by being included in a return made for the tax year which includes the deemed disposal date.

(7) If the participant is chargeable to corporation tax, the election mentioned in paragraph (2) must be made by being included in the participant's company tax return for the accounting period which includes the deemed disposal date.

(8) In this regulation—

“company tax return” has the same meaning as in Schedule 18 to the Finance Act 1998; and

Status: Point in time view as at 27/02/2012.

Changes to legislation: There are currently no known outstanding effects for the The Authorised Investment Funds (Tax) Regulations 2006. (See end of Document for details)

the “deemed disposal date” means the date on which, in accordance with regulation 85Z9, the fund ceases to be a FINROF.]

EXPLANATORY NOTE

(This note is not part of the Regulations)

In the Finance (No. 2) Act 2005 (c. 22) (“the 2005 Act”), Chapter 3 of Part 2 makes provision relating to authorised investment funds. Existing statutory provisions dealing with authorised investment funds cease to have effect on such day as the Treasury may appoint by order (see sections 17(1) and 19(1) of the 2005 Act). Arrangements are being made for the enactments specified in section 17(1) of the 2005 Act to be repealed.

Sections 17(3) and 18 of the 2005 Act then confer powers to make provisions about the treatment of authorised investment funds for taxation purposes. These Regulations exercise those powers.

In doing so, these Regulations contain material dealing with the same matters as those dealt with in the enactments specified in section 17(1) of the 2005 Act, and in various statutory instruments; but these Regulations make some changes in dealing with those matters. These Regulations also contain new provisions.

Part 1 of these Regulations contains preliminary provisions and provides for interpretation. As regards the preliminary provisions, regulation 1 provides for citation, commencement and effect; and regulation 2 sets out the structure of these Regulations, indicating the nature of each of the eight parts into which these Regulations are divided. Regulations 3 to 8 then deal with matters of interpretation. Regulation 3 defines “authorised investment funds” as “open-ended investment companies” and as “authorised unit trust schemes”. The definition of an open-ended investment company is dealt with in regulation 4 and definitions relating to authorised unit trust schemes are set out in regulation 5. Regulations 6 to 8 contain further definitions. The final regulation in this Part is regulation 9, which introduces the Schedule to these Regulations.

Part 2 of these Regulations deals with the tax treatment of authorised investment funds; and this Part contains the special detailed rules that apply to this subject. Capital profits, gains or losses arising to an authorised investment fund must not be brought into account for the purposes of Chapter 2 of Part 4 of the Finance Act 1996 (c. 8) (loan relationships) (see regulation 10), or for the purposes of Schedule 26 to the Finance Act 2002 (c. 23) (derivative contracts) (see regulation 11). Regulation 12 contains further provisions supplementing these basic rules. Further provision is then made for the purposes of an authorised investment fund's loan relationships. Regulation 13 is concerned with the treatment of interest distributions, and regulation 14 prevents the carrying-back of deficits on loan relationships to earlier periods.

Part 3 of these Regulations deals with distributions made by authorised investment funds. Regulation 15 is concerned with interpretation, and regulation 16 specifies the funds excluded from the ambit of this Part. Regulation 17 deals with the contents of distribution accounts: amounts shown as available for distribution must be shown as available for distribution as yearly interest or as dividends. Regulations 18 to 21 are concerned with interest distributions. Regulation 18 sets out the general rule that applies. But before an interest distribution may be made, an amount must satisfy the qualifying investments test. The test is set out in regulation 19 and further explained in regulations 20 and 21. Regulation 22 deals with dividend distributions; and regulation 23, which applies both to interest distributions and to dividend distributions, contains provisions which apply if the amounts available for distribution are de minimis only.

Part 4 of these Regulations deals with the treatment of participants in authorised investment funds; and this Part is divided into four Chapters.

Chapter 1 of Part 4 contains preliminary provisions. Regulation 24 sets out the structure of this Part, indicating the nature of each of the four Chapters, and regulation 25 specifies funds excluded from the ambit of this Part.

Chapter 2 of Part 4 deals with participants chargeable to income tax. Regulation 26 provides for the general obligation to deduct a sum representing tax when any yearly interest is paid (“the deduction obligation”) to be relaxed in a number of cases. The cases in question include those where the reputable intermediary condition is met, the residence condition is met or the non-liability condition is met. Regulations 27 to 29 then deal in detail with the reputable intermediary condition; regulations 30 to 33 with the residence condition; and regulations 34 to 46 with the non-liability condition.

Chapter 3 of Part 4 deals with participants chargeable to corporation tax. Regulation 47 provides that the deduction obligation does not apply to interest distributions. So far as dividend distributions are concerned, regulation 48 provides for the unfranked part of the dividend distribution to be treated as an annual payment and not as a dividend distribution or an interest distribution. Regulation 49 specifies how the unfranked part of the dividend distribution is to be calculated, and regulations 50 to 52 contain supplemental provisions.

Chapter 4 of Part 4, which does not derive in any way from earlier legislation, imposes a charge to tax on substantial QIS holdings in qualified investor schemes. The first group of provisions in this Chapter is of a general nature. Regulation 53 provides for the charge to tax under this Chapter,

Status: Point in time view as at 27/02/2012.

Changes to legislation: There are currently no known outstanding effects for the The Authorised Investment Funds (Tax) Regulations 2006. (See end of Document for details)

and specifies those participants who are excepted from that charge. Regulation 54 explains what is meant by the expression “substantial QIS holding”. Regulation 55 is concerned with the amount charged to tax under this Chapter: that amount is calculated by reference to the difference in value of the substantial QIS holding between two measuring dates. Regulation 56 specifies the dates that are measuring dates, and regulations 57 and 58 contain additional provisions relating (respectively) to the charges to income tax and corporation tax. Regulation 59 contains further provisions. The next group of provisions in this Chapter is concerned with the first measuring date. The general rule that a participant must value his holding on the first measuring date is set out in regulation 60; but that general rule is modified in the cases dealt with in regulations 61 to 63. Regulation 64 contains the definition of the first measuring date, and regulation 65 specifies a calculation that must then be made. The final group of regulations in this Chapter is concerned with disposals of holdings. Separate provision is made for reorganisations (regulation 66), for the disposal of part of a holding (regulation 67), for the disposal of the whole of a holding (regulation 68) and for no gain/no loss disposals (regulation 69).

Part 5 of these Regulations deals with compliance. Regulation 70 provides for section 234A of the Income and Corporation Taxes Act 1988 (c. 1) (information relating to distributions) to apply in a modified form. Regulation 71 provides that an authorised investment fund making interest distributions without deduction of tax must report this information to the Commissioners for Revenue and Customs. The Commissioners may require information to be given about interest distributions made without deduction of tax (regulation 72) and may inspect records (regulation 73), but the information so obtained by the Commissioners may only be used in limited contexts (see regulation 74). The Commissioners may also inspect residence declarations given under Chapter 2 of Part 4 of these Regulations (regulation 75).

Part 6 of these Regulations contains further provisions relating to authorised investment funds; and this Part is divided into two Chapters.

Chapter 1 of Part 6 is of a general nature. Regulation 76 deals with the case where an open-ended investment company issues shares of different denominations. Regulation 77 provides that there must not be discrimination in respect of different classes of shares.

Chapter 2 of Part 6 is concerned with the amalgamation of an authorised unit trust with, and the conversion of an authorised unit trust into, an open-ended investment company. The circumstances in which this Chapter applies are set out in regulation 78; and regulations 79 to 85 are concerned with the tax consequences of the scheme undertaken.

Part 7 of these Regulations contains consequential amendments and modifications of enactments; and this Part is divided into three Chapters.

Chapter 1 of Part 7 contains amendments of references to enactments repealed by section 17(1) of the 2005 Act (regulations 86 to 92).

Chapter 2 of Part 7 contains modifications of the Tax Acts (regulations 93 to 96).

Chapter 3 of Part 7 contains modifications of the Taxation of Chargeable Gains Act 1992 (c. 12) (regulations 97 to 110).

Part 8 of these of these Regulations contains final provisions. Regulation 111 provides for the revocation of statutory instruments whose subject matter is now contained in these Regulations.

The Schedule to these Regulations is in two Parts. Part 1 gives the meaning of the abbreviated references to Acts used in these Regulations; and Part 2 consists of an Index of expressions defined or otherwise explained in these Regulations.
