EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations, which are made under section 2(2) of the European Communities Act 1972 (c. 68), amend the Working Time Regulations 1998. The Working Time Regulations 1998 implement Council Directive 2003/88/EC (O.J. No L229 18.11.2003, p.9) (which consolidates Directive 93/104/EC (O.J. No. L307, 13.12.93, p18) as amended by Council Directive 2000/34/EC (O.J. No L195, 01.08.2000, p.41) as from 2 August 2004).

The Working Time Regulations 1998 impose (amongst other things) limits on the maximum weekly working time of workers and on the length of night work. Regulation 20(2) of those Regulations, which is revoked by regulation 2, provided an exemption from those limits in cases where a worker's working time was partly unmeasured or determined by the worker himself.

A full regulatory impact assessment has not been produced for this instrument as it has only marginal, if any, impact on the costs of business, charities or voluntary bodies.
