

## SCHEDULE 1

General conditions under which farmed animals must be kept

### **Record keeping**

7. A record must be maintained of—
  - (a) any medicinal treatment given to animals; and
  - (b) the number of mortalities found on each inspection of animals carried out in accordance with any of the following provisions—
    - (i) in the case of laying hens, paragraph 1 of Schedule 5;
    - (ii) in the case of calves, paragraph 2 or 3 of Schedule 6; or
    - (iii) in the case of pigs, paragraph 2 of Schedule 8; or
    - (iv) in any other case, paragraph 2(1) or (2) of this Schedule.
