

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

## SCHEDULE 1

### Provision of Information by Schools and Authorities

## PART 2

### All school teachers and teaching assistants

**8.** In respect of each teacher or teaching assistant who, at any time during the census period or on the census date, was or is employed or otherwise was or is engaged to work for one month or more at the school or for the authority or will have completed such a period by the end of his contract, the following information.
