## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order provides for the recognition within Great Britain of certain pharmacy qualifications awarded in EEA States other than the United Kingdom and in Switzerland. Recognition of the qualifications is subject to specified conditions, which include a procedure for confirming the authenticity of qualifications where there are justified doubts.

Appropriately qualified pharmacists are entitled to register with the Royal Pharmaceutical Society of Great Britain and so practise as pharmacists in Great Britain, provided their fitness to practise is not impaired and they have paid the appropriate fees.

This Order and the Pharmacists and Pharmacy Technicians Order 2007 under which it was made contain the legislative measures necessary for implementing Council Directive [85/432/EEC](#) concerning the co-ordination of provisions laid down by law, regulation or administrative action in respect of certain activities in the field of pharmacy, and Council Directive [85/433/EEC](#) concerning the mutual recognition of diplomas, certificates and other evidence of formal qualifications in pharmacy. The legislative measures implementing these Directives in Great Britain were previously set out in the Pharmacy Act 1954<sup>(5)</sup>, which has been repealed by the Pharmacists and Pharmacy Technicians Order 2007.
