The Air Quality Standards Regulations 2007

PART 3

Other pollutants and background monitoring

Measurement of ozone precursor substances

18.—(1) The Secretary of State shall install and operate one or, if he considers it necessary, more measuring stations, to supply data on concentrations of the ozone precursor substances set out in Schedule 10.

(2) When complying with paragraph (1), the Secretary of State shall have regard—

- (a) generally, to Annex III of the Decision referred to in regulation 11(6); and
- (b) in choosing the number and sites of the measuring stations and in their operation, to Schedule 10.
