The Batteries and Accumulators (Placing
on the Market) Regulations 2008

PART 1

Preliminary

Application

3.—(1) These Regulations apply to—

- (a) all types of batteries, regardless of their shape, volume, weight, material composition or use; and
- (b) all appliances into which a battery is or may be incorporated.

(2) These Regulations do not apply to batteries used in—

- (a) equipment connected with the protection of the essential security interests of EEA states, such as arms, munitions and war material, and intended for specifically military purposes; or
- (b) equipment designed to be sent into space.
