MATTERS TO BE DEALT WITH IN DIRECTORS' REPORT

PART 1

MATTERS OF A GENERAL NATURE

Asset values

2.—(1) If, in the case of such of the fixed assets of the company as consist in interests in land, their market value (as at the end of the financial year) differs substantially from the amount at which they are included in the balance sheet, and the difference is, in the directors' opinion, of such significance as to require that the attention of members of the company or of holders of its debentures should be drawn to it, the report must indicate the difference with such degree of precision as is practicable.

(2) In relation to a group directors' report sub-paragraph (1) has effect as if the reference to the fixed assets of the company was a reference to the fixed assets of the company and of its subsidiary undertakings included in the consolidation.
