Regulation 2 amends regulation 19 to increase the redemption value of a voucher issued towards the cost of replacement of a single contact lens and to increase the maximum contribution by way of voucher to the cost of a repair of a frame.

Regulation 3 and the Schedule amend the Schedules to the Optical Regulations to increase the value of vouchers issued towards the costs of the supply and replacement of glasses and contact lenses, to increase the additional values for vouchers for prisms, tints, photochromic lenses and special categories of appliances and to increase the value of vouchers issued towards the cost of the repair and replacement of optical appliances. The rate of increase in the value of vouchers in these Regulations is approximately 2.7%.
