The National Health Service Pension Scheme Regulations 2008

PART 3

BENEFITS FOR PRACTITIONERS ETC.

CHAPTER 3.E

DEATH BENEFITS

Pensions for dependent children

3.E.10 Amount of children's pension under regulation 3.E.8: deceased active members

(1) This regulation applies for determining the annual amount of the pension payable under regulation 3.E.8(1) if at the date of death the deceased was an active member of the Scheme who was not also a pensioner member.

(2) Subject to paragraphs (6) and (7), that amount is the appropriate fraction of the basic death pension.

(3) In this regulation "the basic death pension" means twice the appropriate proportion of the deceased member's pension under 3.D.1 inclusive of any increase due to such enhancement period, if any, as would have applied for the purposes of regulation 3.D.7(5) if the deceased had become entitled to a tier 2 ill-health pension on the date of death.

(4) In this regulation "the appropriate fraction" means—

(a) if there is a surviving parent of the dependent child or children or a surviving spouse or civil partner of a parent of the dependent child or children and a surviving adult dependant's pension is payable under regulation 3.E.1—

(i) one-quarter if there is only one dependent child, and

(ii) one-half if there are two or more dependent children,

(b) if there is a such a parent or spouse or partner of a parent, but no surviving adult dependant's pension is payable under regulation 3.E.1—

(i) one-third if there is only one dependent child, and

(ii) two-thirds if there are two or more dependent children,

(c) if there is no such parent nor spouse nor partner of such a parent—

(i) one-third if there is only one dependent child, and

(ii) two-thirds if there are two or more dependent children.

(5) If—

(a) a surviving adult dependant's pension is payable under regulation 3.E.1, and

(b) there is a dependent child who is not dependent on the person entitled to that pension,

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

the rate of the pension payable in respect of that child for the first 3 months after the deceased's death is equal to the average rate of the member's pensionable earnings during the last complete quarter before he died.

(6) In a case within paragraph (4)(b) or (c), the rate of the pension in respect of the dependant child or children for the period of 6 months beginning with the deceased's death is equal to the rate of the member's pension at the date of death (disregarding any reduction made under Chapter H (abatement) and any additional pension).
