[^{F31}Temporary non-residents

23.—(1) This regulation applies where an individual (“the taxpayer”) is temporarily non-resident.

(2) The taxpayer is chargeable to income tax as if offshore income gains within paragraph (3) were offshore income gains arising to the taxpayer in the period of return.

(3) The offshore income gains within this paragraph are those that—

- (a) arise to the taxpayer in the temporary period of non-residence, and
- (b) would be treated under section 13 of TCGA 1992 (attribution of gains to members of non-resident companies) as it applies to offshore income gains by virtue of regulation 24 as having arisen to the taxpayer in that period if the residence assumption were made.

(4) The residence assumption is—

 - (b) if that tax year was a split year as respects the taxpayer, that offshore income gain had arisen to the company in the UK part of it.
- (5) But a gain is not within paragraph (3) if, ignoring this regulation, the taxpayer is chargeable to income tax in respect of it (and could not cease to be so chargeable by making a claim under section 6 of the Taxation (International and Other Provisions) Act 2010).
- (6) Paragraph (2) is subject to regulation 23A.
- (7) If section 809B, 809D or 809E of ITA 2007 (remittance basis) applies to the taxpayer for the year of return, any offshore income gains to which regulation 19(2) applies falling within paragraph (3) of this regulation by virtue of sub-paragraph (a) of that paragraph that were remitted to the United Kingdom at any time in the temporary period of non-residence are to be treated as remitted to the United Kingdom in the period of return.
- (8) In this regulation—

- (b) it was so acquired otherwise than by means of a relevant disposal that by virtue of section 58, 73 or 258(4) TCGA 1992 is treated as having been a disposal on which neither a gain nor a loss accrued, and
- (c) the asset is not an interest created by or arising under a settlement.

(2) Nothing in any double taxation relief arrangements is to be read as preventing the taxpayer from being chargeable to income tax in respect of any offshore income gains treated under regulation 23 as accruing to the taxpayer in the period of return (or as preventing a charge to that tax from arising as a result).

(3) Nothing in any enactment imposing any limit on the time within which an assessment to income tax may be made prevents any assessment for the year of departure from being made in the

taxpayer's case at any time before the end of the second anniversary of the 31 January next following the year of return.

(5) The section applies as if subsection (8) were omitted.

(6) If this regulation applies, the person to whom the offshore income gain arises is treated as the person making the disposal.

(7) To the extent that an offshore income gain is treated, by virtue of this regulation, as having accrued to any person resident ^{F33}... in the United Kingdom, that gain shall not be deemed to be the income of any individual for the purposes of Chapter 2 of Part 13 of ITA 2007 (transfer of assets abroad).

Long-term insurance funds of insurance companies

27.—(1) No liability to tax arises under regulation 17 in respect of disposals of assets of an insurance company's long-term insurance fund.

(2) In paragraph (1) “insurance company” and “long-term insurance fund” have the same meaning as in section 431(2) of ICTA ^{F34}.

F34 In section 431(2), the definition of “insurance company” was substituted by [S.I. 2001/3629](#) and amended by [S.I. 2006/3270](#). As regards the expression “long-term insurance fund”, a definition of “long term business fund” was inserted by paragraph 1(2) of the [Finance Act 1990 \(c. 29\)](#) and amended by Part 5(26) of Schedule 41 to the Finance Act 1996. Loans other than participating loans

28.—(1) No liability to tax arises under regulation 17 if the asset is a loan which is not a participating loan.

(2) For the purposes of paragraph (1) a “participating loan” means a loan where the amount payable on redemption exceeds the issue price by an amount which is determined in whole or in part by reference to the income of the non-reporting fund.

Interests in transparent funds

29.—(1) No liability to tax arises under regulation 17 if—

- (a) the disposal is the disposal of an interest in an offshore fund falling within paragraph (b) or (c) of section 40A(2) of FA 2008 ^{F35}, and
- (b) the fund is a transparent fund.

This is subject to paragraphs (2) and (3).

(2) But there is a charge to tax under regulation 17 if—

- (a) there is a disposal of an interest in a transparent fund, and

- (b) during a period beginning with the date the interest (or any part of it) was acquired and ending with the date of the disposal, the offshore fund has at any time held interests in other non-reporting funds which amounted in total to more than 5% by value of the offshore fund's assets.
- (3) And there is a charge to tax under regulation 17 if—
 - (a) there is a disposal of an interest in a transparent fund,
 - (b) the fund is a non-reporting fund, and
 - (c) the fund fails to make sufficient information available to participants in the fund to enable those participants to meet their tax obligations in the United Kingdom with respect to their shares of the income of the fund.
- (4) If, on the disposal by an offshore fund of an interest in another non-reporting fund, no liability would arise under regulation 17 by virtue of this regulation, that interest is not taken into account for the purposes of paragraph (2)(b).

F35 Section 40A was inserted by paragraph 2 of Schedule 22 to the [Finance Act 2009 \(c. 10\)](#).

Rights in certain existing holdings

30.—(1) No liability to tax arises under regulation 17 in respect of any rights in an offshore fund to which this regulation applies if the rights are acquired by a person—

 - (b) in the case of an agreement which was conditional, the conditions are met before that date, and
 - (c) the agreement is not varied on or after that date.

(3) Rights of a person in a fund are rights in an offshore fund to which this regulation applies if, on the date on which the person acquired the rights, those rights did not constitute a material interest in an offshore fund within the meaning of that expression given by section 759 of ICTA ^{F36}.

F36 Section 759 is repealed by these Regulations (see regulation 13(2) and Schedule 2) subject to the saving contained in paragraph 3(4) of Schedule 1 (see regulation 13(3) of these Regulations).

Charitable companies and charitable trusts

31.—(1) A charitable company shall be exempt from corporation tax in respect of an offshore income gain if the gain is applicable and applied for charitable purposes.

- (a) property held on charitable trusts ceases to be subject to charitable trusts, and
- (b) that property represents directly or indirectly an offshore income gain.

(4) The trustees are treated as if they had disposed of and immediately reacquired that property for a consideration equal to its market value.

F37 Section 506 was amended by section 55(2) of the [Finance Act 2006 \(c. 25\)](#) and paragraph 95 of Schedule 1 to the [Income Tax Act 2007 \(c. 3\)](#).

[^{F38}Unlisted trading company exception

31A.—(1) No liability to tax arises under regulation 17 if conditions A to D are met.

(2) Condition A is that the disposal is a disposal of an interest in an offshore fund.

(3) Condition B is that the sole or main purpose of the fund is to invest in qualifying companies.

(4) Condition C is that throughout the period starting with the date on which the interest was acquired and ending 12 months before the date of the disposal the fund met the investment condition.

This is subject to paragraph (6).

(5) Condition D is that participants in the fund have access to, and are able to obtain copies of, sufficient information to demonstrate that the fund intends to dispose of any holdings of shares or securities within regulation 31B(1)(b) or (d).

(6) Condition C is treated as met in relation to the period—

(a) starting at the beginning of the first period of account of the fund, and

(b) ending on the earlier of—

(i) the expiry of 3 months, and

(ii) the date the fund meets the investment condition,

if the only asset of the fund during that period is cash.

(7) For the purposes of this regulation and regulation 31B—

(a) the shares of the company are not listed on a recognised stock exchange or admitted to trading on a regulated market, and

(b) the activities of the trading company or, in the case of a holding company, the activities of the members of the group or subgroup taken together, do not include to a substantial extent the carrying out of investment transactions undertaken in the course of a trade.

(8) In paragraph (7) in the definition of “qualifying company”, “holding company”, “trading company”, “trading group” and “trading subgroup” have the same meanings as in Schedule 7AC to TCGA 1992 (see paragraphs 20 to 24 and 26 and 27 of that Schedule).]

- (a) direct or indirect holdings in qualifying companies,
- (b) holdings of shares or securities listed on a recognised stock exchange or admitted to trading on a regulated market which the fund intends to dispose of as soon as reasonably practicable, taking into account market conditions and commercial and contractual constraints, and which—
 - (i) were acquired by the fund in exchange for shares or securities in a qualifying company, or
 - (ii) were shares in a qualifying company at the time of their acquisition by the fund,
- (c) holdings of shares or securities listed on a recognised stock exchange or admitted to trading on a regulated market, which are holdings in a company that would be a qualifying company if it were not so listed or admitted, where it is reasonable to believe that the shares or securities will cease to be so listed or admitted within 12 months,
- (d) shares or securities which have ceased to be within sub-paragraph (c) because it is no longer reasonable to believe that they will cease to be listed or admitted, which the fund intends to dispose of as soon as reasonably practicable taking into account market conditions and commercial and contractual constraints.

(2) For the purposes of the investment condition—

- (a) any holding of cash shall be disregarded, and
- (b) a holding in a qualifying company is held indirectly if it is held by a corporate body which is a 51% subsidiary of the fund.

(3) For the purposes of paragraph (2) section 1154 of CTA 2010 applies to determine whether a corporate body is a 51% subsidiary of a fund.]

CHAPTER 4

DISPOSALS OF INTERESTS IN NON-REPORTING FUNDS

Basic provisions

Application of this Chapter

- 32.** This Chapter applies if a participant disposes of an asset and at the time of the disposal—
- (a) the asset is an interest in a non-reporting fund, or
 - (b) the asset is an interest in a reporting fund and the requirements specified in paragraph (3) of regulation 17 (read, as appropriate, with paragraphs (4) and (5) of that regulation) are met.

Disposal of an asset: the basic rule

33.—(1) There is a disposal of an asset for the purposes of these Regulations if there would be a disposal of an asset for the purposes of TCGA 1992.

- (2) Paragraph (1) is subject to the following provisions of this Chapter.

Further provisions

Provisions applicable on death

34.—(1) Notwithstanding anything in paragraph (b) of subsection (1) of section 62 of TCGA 1992 (general provisions applicable on death: no deemed disposal by the deceased), where a person dies and the assets of which the deceased was competent to dispose at the time of death include an interest in a non-reporting fund, then, for the purposes of these Regulations—

- (a) immediately before the acquisition referred to in paragraph (a) of that subsection, that interest shall be deemed to be disposed of by the deceased for such a consideration as is mentioned in that subsection; but
- (b) nothing in this regulation affects the determination, in accordance with regulation 32, of the question whether that deemed disposal is one to which this Chapter applies.

(2) Subject to paragraph (1), section 62 of TCGA 1992 ^{F39} applies for the purposes of these Regulations as it applies for the purposes of that Act, and the reference in that paragraph to the assets of which a deceased person was competent to dispose are to be construed in accordance with subsection (10) of that section.

F39 Section 62 was amended by paragraph 5 of Schedule 21 to the [Finance Act 1998 \(c. 36\)](#), [section 52](#) of the [Finance Act 2002 \(c. 23\)](#) and paragraph 29 of Schedule 2 to the [Finance Act 2008 \(c. 9\)](#).

[^{F40}Exchanges and schemes of reconstruction

36A.—(1) The following sections of TCGA 1992 do not apply to the extent that an interest in a non-reporting fund is exchanged or treated as exchanged for an asset which is not an interest in a non-reporting fund.

- (2) The sections are—
- (a) section 103G (exchange of units for those in another collective investment scheme),
 - (b) section 103H (scheme of reconstruction involving issue of units),

- (c) section 135 (exchange of securities for those in another company), and
- (d) section 136 (scheme of reconstruction involving issue of securities).

(3) In a case where one of those sections would apply apart from paragraph (1), the exchange or deemed exchange shall for the purposes of this Part constitute a disposal of interests in the non-reporting fund for a consideration equal to their market value at the time of the exchange or deemed exchange.]

F40 Reg. 36A substituted for regs. 35, 36 (8.6.2013) by [The Collective Investment Schemes \(Tax Transparent Funds, Exchanges, Mergers and Schemes of Reconstruction\) Regulations 2013 \(S.I. 2013/1400\)](#), regs. 1(1), **15(a)** (with reg. 1(2))

Exchange of interests of different classes

37.—(1) If conditions A to D are met, section 127 of TCGA 1992 (equation of original shares and new holding) does not prevent an exchange from constituting a disposal for the purposes of these Regulations.

(2) Condition A is that an offshore fund is constituted by a class of interest (“class A”) in main arrangements.

(3) Condition B is that a participant exchanges an interest of class A for an interest in another offshore fund constituted by a different class of interest (“class B”) in those main arrangements.

(4) Condition C is that the interest of class A is at the time of the exchange an interest in a non-reporting fund.

(5) Condition D is that the interest of class B is at the time of the exchange an interest which is not an interest in a non-reporting fund.

(6) Any disposal to which this regulation applies is to be treated as a disposal for a consideration equal to the market value of the rights at the time of the exchange.

CHAPTER 5

OFFSHORE INCOME GAINS AND THE COMPUTATION OF OFFSHORE INCOME GAINS

General provisions

38.—(1) An offshore income gain arises to a person on the disposal of an asset if a basic gain arises on the disposal.

(2) The disposal gives rise to an offshore income gain of an amount equal to the basic gain on the disposal.

(3) The following provisions of this Chapter explain how the basic gain is computed.

The basic gain and its computation

39.—(1) In the case of a participant chargeable to income tax, the basic gain is a gain of the amount which would be the gain on that disposal for the purposes of TCGA 1992 if the gain were computed without regard to any charge to income tax arising under this Part.

(2) In the case of a participant chargeable to corporation tax, the basic gain is a gain of the amount which would be the gain on that disposal for the purposes of TCGA 1992 if the gain were computed—

- (a) without regard to any charge to corporation tax arising under this Part, and
- (b) without regard to any indexation allowance on the disposal under TCGA 1992.

(3) The computation of the basic gain is subject to—

Status: Point in time view as at 01/04/2022.

Changes to legislation: There are currently no known outstanding effects for the The Offshore Funds (Tax) Regulations 2009. (See end of Document for details)

- (a) regulation 34 (provisions applicable on death);
- [^{F41}(aa) regulation 36A (exchanges and schemes of reconstruction);]
- (d) regulation 37 (exchange of interests of different classes);
- (e) regulation 40 (earlier disposal to which the no gain/no loss basis applies);
- (f) regulation 41 (modifications of TCGA 1992);
- (g) regulation 42 (losses);
- (h) regulation 43 (special rules for certain existing holdings).

F41 Reg. 39(3)(aa) substituted for reg. 39(3)(b)(c) (8.6.2013) by [The Collective Investment Schemes \(Tax Transparent Funds, Exchanges, Mergers and Schemes of Reconstruction\) Regulations 2013 \(S.I. 2013/1400\)](#), regs. 1(1), **15(b)** (with reg. 1(2))

Earlier disposal to which the no gain/no loss basis applies

40.—(1) This regulation applies if—

- (a) a participant is chargeable to corporation tax, and
 - (b) the amount of any chargeable gain or allowable loss which would arise on the disposal would fall to be computed in a way which, in whole or in part, would take account of the indexation allowance on an earlier disposal to which section 56(2) of TCGA 1992 ^{F42} (disposals on a no gain/no loss basis) applies.
- (2) The basic gain on the disposal is computed as if—
- (a) no indexation allowance had been available on any such earlier disposal, and
 - (b) subject to that, neither a gain nor a loss had arisen to the person making such an earlier disposal.

F42 Section 56(2) was amended by section 93(5) of the [Finance Act 1994 \(c. 9\)](#).

Modifications of TCGA 1992

41.—(1) If the disposal forms part of a transfer to which section 162 of TCGA 1992 (roll-over relief on transfer of business) applies, the basic gain arising on the disposal is computed without regard to any deduction which falls to be made under that section in computing a chargeable gain.

(2) If the disposal is made otherwise than under a bargain at arm's length and a claim for relief is made in respect of that disposal under section 165 or 260 of TCGA 1992 ^{F43} (relief for gifts), the claim does not affect the computation of the basic gain arising on the disposal.

F43 Section 165 was amended by paragraph 1(1) of Schedule 7 to the [Finance Act 1993 \(c. 34\)](#), [section 140\(4\)](#) of, and Part 3(31) of Schedule 27 to, the [Finance Act 1998 \(c. 36\)](#), [section 90\(1\)](#), (3) and (4) of the [Finance Act 2000 \(c. 17\)](#), [paragraph 3](#) of Schedule 21 to the [Finance Act 2004 \(c. 12\)](#) and paragraph 33 of Schedule 2 to the [Finance Act 2008 \(c. 9\)](#). Section 260 was amended by section 72(6) of, and paragraph 4(2) of Schedule 13 to, the [Finance Act 1995 \(c. 4\)](#), [Parts 3\(31\)](#) and 4 of Schedule 27 to the Finance Act 1998, section 90(2) of the Finance Act 2000, paragraph 5 of Schedule 21 to the Finance Act 2004 and paragraph 32 of Schedule 20 to the [Finance Act 2006 \(c. 25\)](#).

Losses

42.—(1) If the effect of any computation under regulations 39 to 41 would be to produce a loss, the basic gain on the disposal is nil.

(2) Paragraph (1) applies notwithstanding section 16 of TCGA 1992 ^{F44} (losses determined in like manner as gains).

(3) Accordingly, for the purposes of these Regulations, no loss is to be treated as arising on the disposal.

F44 Section 16 was amended by section 113(1) of the Finance Act 1995, paragraph 7 of Schedule 4 to the Finance (No. 2) Act 2005 (c. 22), paragraph 298 of Schedule 1 to the Income Tax Act 2007 (c. 3) and paragraph 61 of Schedule 7 to the Finance Act 2008.

Special rules for certain existing holdings

43.—(1) This regulation applies if—

- (a) a person acquired rights (the “protected rights”) in an offshore fund—
 - (i) before 1st December 2009, or
 - (ii) in accordance with paragraph (2),
- (b) immediately before 1st December 2009 those rights did not constitute a material interest in an offshore fund within the meaning of that expression given by section 759 of ICTA ^{F45}, and
- (c) on or after 1st December 2009 the person acquires additional rights in the offshore fund (the “non-protected rights”).

(2) Rights are acquired in accordance with this paragraph if—

- (a) the rights are acquired by the participant in accordance with a legally enforceable agreement in writing that was entered into by the participant before 30th April 2009,
- (b) in the case of an agreement which was conditional, the conditions are met before that date, and
- (c) the agreement is not varied on or after that date.

(3) For the purposes of tax in respect of chargeable gains—

- (a) section 104 of TCGA 1992 ^{F46} (share pooling: general interpretative provisions) applies as if the protected rights were assets of a different class from the non-protected rights, and
- (b) all the protected rights must be treated as disposed of before any of the non-protected rights may be so treated.

F45 Section 759 is repealed by these Regulations (see regulation 13(2) and Schedule 2) subject to the saving contained in paragraph 3(4) of Schedule 1 (see regulation 13(3) of these Regulations).

F46 Section 104 was amended by sections 123(1) to (4) and 125(3) of the Finance Act 1998, paragraph 17 of Schedule 12 to the Finance Act 2006 (c. 25) and paragraph 85 of Schedule 2 to the Finance Act 2008.

CHAPTER 6

DEDUCTION OF OFFSHORE INCOME GAINS IN COMPUTING CHARGEABLE GAINS

Ambit of this Chapter

44.—(1) This Chapter applies if—

- (a) a material disposal gives rise to an offshore income gain, and
- (b) that disposal also constitutes the disposal of the interest concerned for the purposes of TCGA 1992.

(2) In this Chapter the disposal specified in paragraph (1)(b) is called the “TCGA disposal”.

Treatment of the TCGA disposal: general rules

45.—(1) This regulation applies for the purposes of the computation of the chargeable gain arising on the TCGA disposal.

(2) The provisions of this regulation have effect in relation to the TCGA disposal in substitution for section 37(1) of TCGA 1992 (deduction of consideration chargeable to tax on income).

(3) In the computation of the gain arising on the TCGA disposal, a sum equal to the offshore income gain shall be deducted from the sum which would otherwise constitute the amount or value of the consideration for the disposal.

(4) Paragraph (3) is subject to the following provisions of this Chapter.

(5) Paragraph (6) applies if the TCGA disposal is of such a nature that, by virtue of section 42 of TCGA 1992 (part disposals), an apportionment falls to be made of certain expenditure.

(6) No deduction is to be made by virtue of paragraph (3) in determining the amount or value of the consideration for the purposes of the fraction in section 42(2) of TCGA 1992.

Modification of section 162 of TCGA 1992

46.—(1) This regulation applies if the TCGA disposal forms part of a transfer to which section 162 of TCGA 1992 applies (roll-over relief on transfer of business in exchange wholly or partly for shares).

(2) For the purposes of subsection (4) of section 162 of TCGA 1992 (determination of the amount of the deduction from the gain on the old assets) “B” in the fraction in that subsection (the value of the whole of the consideration received by the transferor in exchange for the business) is to be taken to be what it would be if the value of the consideration other than shares so received by the transferor were reduced by an amount equal to the offshore income gain.

Application of section 128 of TCGA 1992

47.—(1) This regulation applies if there is a disposal to which this Part applies by virtue of—

- [^{F47}(aa) regulation 36A (exchanges and schemes of reconstruction), or]
- (c) regulation 37 (exchange of interests of different classes).

(2) TCGA 1992 has effect as if an amount equal to the offshore income gain to which that disposal gives rise were given (by the person making the exchange) as consideration for the new holding (within the meaning of section 128 of that Act (consideration given or received for new holding on a reorganisation)).

F47 Reg. 47(1)(aa) substituted for reg. 47(1)(a)(b) (8.6.2013) by [The Collective Investment Schemes \(Tax Transparent Funds, Exchanges, Mergers and Schemes of Reconstruction\) Regulations 2013 \(S.I. 2013/1400\)](#), regs. 1(1), **15(c)** (with reg. 1(2))

CHAPTER 7

THE CONVERSION OF A NON-REPORTING FUND INTO A REPORTING FUND

Consequences of conversion for participants

48.—(1) This regulation applies if an offshore fund ceases to be a non-reporting fund and becomes a reporting fund.

(2) A participant in the fund may make an election to be treated—

- (a) as disposing of the interest owned by the participant in the non-reporting fund at its market value on the disposal date, and
- (b) as acquiring a holding in the reporting fund at the beginning of the reporting fund's first period of account.

This is subject to [^{F48}paragraphs (5) and (5A)].

(3) Chapter 5 of this Part applies to determine the offshore income gain arising on the deemed disposal referred to in paragraph (2)(a).

(4) The deemed acquisition referred to in paragraph (2)(b) is treated as made for the same amount as the deemed disposal referred to in paragraph (2)(a).

(5) An election may not be made under paragraph (2) unless the offshore income gain arising on the deemed disposal referred to in paragraph (2)(a) (determined in accordance with paragraph (3)) is greater than zero.

[^{F49}(5A) If the interest owned by the participant represents variable remuneration represented by profit allocated under section 863I of ITTOIA 2005 (allocation of profit to the AIFM firm), an election may not be made under paragraph (2) if the fund ceases to be a non-reporting fund and becomes a reporting fund before the remuneration has vested in the participant.]

(6) If the participant is chargeable to income tax, the election mentioned in paragraph (2) must be made by being included in a return made for the tax year which includes the disposal date.

(7) If the participant is chargeable to corporation tax, the election mentioned in paragraph (2) must be made by being included in the participant's company tax return for the accounting period which includes the disposal date.

(8) In this regulation—

“company tax return” has the same meaning as in Schedule 18 to the Finance Act 1998 ^{F50}; the “disposal date” means the final day of the last period of account before the fund becomes a reporting fund.

CHAPTER 4

THE PREPARATION OF ACCOUNTS

Accounts to be prepared in accordance with acceptable accounting policy

59. A reporting fund must prepare accounts—

- (a) in accordance with international accounting standards, or
- (b) in accordance with the generally accepted accounting practice specified in the application.

Change in accounting policy

60.—(1) This regulation applies if—

- (a) there is a change of accounting policy in drawing up a reporting fund's accounts from one period of account (in this Chapter called the “earlier period”) to the next (in this Chapter called the “later period”), and
- (b) the approach in each of those periods accords with the law and practice applicable in relation to that period.

(2) If there is a difference between—

- (a) the accounting value of an asset or liability of the offshore fund at the end of the earlier period, and
- (b) the accounting value of that asset or liability at the beginning of the later period,

a corresponding debit or credit (as the case may be) must be brought into account for the purposes of these Regulations in the later period.

(3) In paragraph (2) “accounting value” means the carrying value of the asset or liability recognised for accounting purposes.

Change in accounting practice to a generally accepted accounting practice

61.—(1) This regulation applies if—

- (a) there is a change of accounting practice in drawing up a reporting fund's accounts from the earlier period to the later period, and
- (b) the fund prepares accounts for the later period in accordance with a generally accepted accounting practice.

(2) If the accounts for the later period are not prepared in accordance with international accounting standards, the offshore fund must give notice to HMRC—

- (a) applying for approval of the generally accepted accounting practice, and
- (b) providing the statement mentioned in regulation 53(1)(d).

(3) If the accounts for the later period are prepared in accordance with international accounting standards, the offshore fund must give notice to HMRC.

(4) Within 28 days beginning with the day on which HMRC receive an application under paragraph (2), HMRC must give notice to the offshore fund—

- (a) accepting the application, or
- (b) rejecting the application.

(5) If HMRC reject an application, the offshore fund may appeal.

(6) The notice of appeal must be given to HMRC within a period of 42 days beginning with the day on which the notice rejecting the application is given.

- (7) On an appeal, the tribunal may uphold or quash the rejection of the application.

CHAPTER 5

THE COMPUTATION OF REPORTABLE INCOME

General

Duty to provide computation

- 62.**—(1) This Chapter explains how reportable income is computed.
(2) A reporting fund must provide a computation of its reportable income for a period of account.

Computation of reportable income: general

63.—(1) The starting point for computing the reportable income of a reporting fund for a period of account is—

- (a) in a case in which the fund prepares its accounts in accordance with international accounting standards, the “total comprehensive income for the period” as that expression is used in international accounting standards, or
- (b) in any other case, the entries in the fund's accounts that are considered to equate to “total comprehensive income for the period” as that expression is used in international accounting standards.

(2) The starting point specified in paragraph (1) must be adjusted having regard to—

- (a) capital items [^{F73}and miscellaneous items] (see regulations 64 and 65),
- (b) special classes of income (see regulations 66 to 71), and
- [^{F74}(c) any arrangements to adjust income based on the number of units in issue (see regulations 72 to 72B).]

(3) In the case of any one item, an adjustment under paragraph (2) may be made only once (even if more than one of the regulations mentioned in that paragraph apply to that item).

(4) The reportable income of the reporting fund for the period of account is the amount computed in accordance with the provisions of this Chapter and of Chapter 6.

(5) But if the computation gives rise to a negative amount, the reportable income is nil.

Treatment of capital items following IMA SORP

64.—(1) The capital items for which an adjustment is required are such profits, gains or losses as would fall to be dealt with under the heading “net capital gains/losses” in the statement of total

return for the period of account if the accounts for that period were to be prepared in accordance with the IMA SORP.

(2) The amount specified in regulation 63(1) must be adjusted by—

- (a) deducting gains that fall within the heading specified in paragraph (1), and
- (b) adding losses that fall within that heading.

(3) A profit or loss from a trade may not be treated as a capital item for the purposes of this regulation. This paragraph is subject to regulation 80.

(4) For the purposes of paragraph (1) the IMA SORP applies to determine the “net capital gains/losses” of an offshore fund for a period of account in the same way that it applies to determine the “net capital gains/losses” of an authorised investment fund for an accounting period.

(5) In this regulation—

“authorised investment fund” has the meaning given in the Authorised Investment Funds (Tax) Regulations 2006 ^{F76};

“the IMA SORP” means, in relation to any period of account for which it is required or permitted to be used, the Statement of Recognised Practice relating to authorised investment funds issued by the Investment Management Association in November 2008, as from time to time modified, amended or revised.

F76 [S.I. 2006/964](#), to which there are amendments not relevant to these Regulations.

Treatment of other capital items [^{F77} and miscellaneous items]

65.—(1) The amount specified in regulation 63(1) must also be adjusted by adding the amounts specified in paragraph (2).

(2) Those amounts are—

- (a) expenses directly related to acquisition or disposal of investments (other than those taken into account in arriving at the amounts specified in sub-paragraph (a) or (b) of regulation 64(2)), ^{F78} ...
- (b) costs relating to the setting up, merger or dissolution of the fund^{F79}, and
- (c) sums payable or allocated to the manager of a fund calculated by reference to an increase in the net asset value of the fund or a formula designed to reward the manager’s performance.]

Adjustments for special classes of income

Effective interest income or comparable amounts

66.—(1) This regulation applies if the accounting practice used does not include—

- (a) the effective interest method for computing interest income (as described in international accounting standard 39 and equivalent United Kingdom financial reporting standards), or

Status: Point in time view as at 01/04/2022.

Changes to legislation: There are currently no known outstanding effects for the The Offshore Funds (Tax) Regulations 2009. (See end of Document for details)

- (b) another method of accounting for interest in such a way that the difference between the purchase price of an asset and the expected redemption price of the asset is taken into account as part of the interest income over the expected life of the asset.
- (2) The amount specified in regulation 63(1) must be adjusted by the addition of the net income computed by taking into account the expected redemption price of any interest bearing assets over the expected life of the asset.
- (3) The sum mentioned in paragraph (2) may be computed by any reasonable method which—
 - (a) takes into account the full expected gain or loss on the asset, and
 - (b) gives a reasonably comparable result to the effective interest method.

Income from wholly-owned subsidiaries

- 67.**—(1) This regulation applies if a reporting fund has a wholly-owned subsidiary.
- (2) For the purposes of this regulation, a company is a wholly-owned subsidiary of an offshore fund if and so long as the whole of the issued share capital of the company is—
- (a) in the case of an offshore fund falling within paragraph (a) of the definition of “offshore fund” in section 40A(2) of FA 2008 ^{F80}, directly [^{F81}or indirectly] owned by the fund;
 - (b) in the case of an offshore fund falling within paragraph (b) of the definition of “offshore fund” in that enactment, directly [^{F82}or indirectly] owned by the trustees of the fund for the benefit of the fund;
 - (c) in the case of an offshore fund falling within paragraph (c) of the definition of “offshore fund” in that enactment, owned in a manner which, as near as may be, corresponds either to paragraph (a) or paragraph (b) above.
- (3) But in the case of a company which has only one class of issued share capital, the reference in paragraph (2) to the whole of the issued share capital shall be construed as a reference to at least 95% of that share capital.
- (4) That percentage of the receipts, expenditure, assets and liabilities of the subsidiary which is equal to the percentage of the issued share capital of the company concerned which is owned as mentioned in paragraph (2) shall be regarded as the receipts, expenditure, assets and liabilities of the fund.
- (5) There shall be left out of account—
- (a) the interest of the fund in the subsidiary, and
 - (b) any distributions or other payments made by the subsidiary to the fund or by the fund to the subsidiary.
- (6) The adjustments required under regulations 64 and 65 must be made to the amount determined under paragraph (4).

Income from other reporting funds

- 68.**—(1) This regulation applies if a reporting fund (“RF1”) has an interest in another reporting fund (“RF2”).

(2) The excess (if any) of the income reported by RF2 in respect of RF1's interest in RF2 over the amount distributed by RF2 to RF1 must be added by RF1 to the amount specified in regulation 63(1) after making the adjustments specified in regulations 64 and 65.

(3) The adjustment specified in paragraph (2) must be made in the computation of the reportable income of RF1 for the period of account [^{F83}in which the fund distribution date of RF2 falls or, if earlier, in which the date on which the reported income from RF2 in respect of that reporting period is recognised in the accounts of RF1].

^{F84}(4)

(5) If [^{F85}RF2 does not make a report available in accordance with regulation 90(5)], RF1 must—

- (a) include its best estimate of reported income from RF2 as an adjustment to the computation of its reportable income for the period of account in which the latest possible fund distribution date for RF2 falls (to the extent that any such amount has not already been recognised in the computation of RF1's reportable income for that or any earlier period of account), and
- (b) make any necessary corrections to its best estimate in its computation of reportable income for the first later period of account in which it has sufficient information to make those corrections.

^{F86}Index tracking funds

68A.—(1) This regulation applies if—

- (a) a reporting fund has an interest in a non-reporting fund, and
- (b) the conditions in paragraph (2) are met for a period of account.

(2) The conditions are that—

- (a) in accordance with the reporting fund's rule or the instrument constituting the reporting fund, the aim of the fund's investment policy is to replicate the performance of a qualifying index,
- (b) the main purpose of the investment in the non-reporting fund is to represent the composition of the qualifying index, and
- (c) the capital and income returns of the reporting fund replicate as closely as practicable the returns of the investments comprised in the qualifying index.

(3) For the purposes of paragraph (2) an index is a “qualifying index” if—

- (a) it is based solely on the value of securities listed on a recognised stock exchange or admitted to trading on a regulated market,
- (b) an authority responsible for regulating offshore funds recognises the index on the basis that—
 - (i) its composition is sufficiently diverse,
 - (ii) it represents an adequate benchmark for the market to which it refers, and
 - (iii) it is published in such a way that it is widely available, and

Status: Point in time view as at 01/04/2022.

Changes to legislation: There are currently no known outstanding effects for the The Offshore Funds (Tax) Regulations 2009. (See end of Document for details)

- (c) it is calculated and published by a body which is managed independently from the management of the reporting fund.
- (4) Regulations 69 to 71 do not apply in respect of the interest in the non-reporting fund.]

Income from non-reporting funds: first case

69.—(1) This regulation applies if—

- (a) a reporting fund has an interest in a non-reporting fund, and
- (b) the conditions in paragraph (2) are met for a period of account.

(2) The conditions are that—

- ^{F87}(a)
- (b) the reporting fund has access to the accounts of the non-reporting fund;
 - (c) the reporting fund has sufficient information about the non-reporting fund to enable it to prepare a computation of reportable income for the non-reporting fund; and
 - (d) the reporting fund can reasonably expect to be able to rely on continued access to that information for the period in which it will hold the investment in the non-reporting fund.

(3) Regulation [^{F88}68(1) to (3)] applies as if the reporting fund were RF1 and the non-reporting fund were RF2.

(4) For the purposes of the computation mentioned in paragraph (2)(c), regulation 80 applies if (and only if) the non-reporting fund is a UCITS fund.

[^{F89}(5) For the purposes of applying regulation 68, “fund distribution date” means the date six months after the end of the period of account in which the income arose.

(6) If the period of account referred to in paragraph (5) is more than 12 months, there shall be two periods of account and two fund distribution dates for the purposes of applying regulation 68.

The first fund distribution date is the date six months after the end of the first 12 months in the period of account.

The second fund distribution date is the date six months after the end of the period of account in which the income arose.]

Income from non-reporting funds: second case

70.—(1) This regulation applies if a reporting fund has an interest in a non-reporting fund, but the conditions in regulation 69(2) are not met for a period of account.

(2) No adjustments may be made under regulations 64 and 65 in respect of the interest in the non-reporting fund.

(3) But if the condition specified in paragraph (4) is met, losses made by a reporting fund in earlier periods of account on an investment in a non-reporting fund may be set against gains made on the investment in the non-reporting fund to reduce the reportable income of the reporting fund, but only to the extent that the losses—

- (a) have not previously had the effect of reducing income for the period of account in which they were incurred, or
- (b) have not been used previously to reduce gains arising to the non-reporting fund.

(4) The condition specified is that the losses in earlier periods of account were all made during periods in which this Part applied continuously to the reporting fund.

Income from non-reporting funds if first case ceases to apply

71.—(1) This regulation applies if—

- (a) a reporting fund has an interest in a non-reporting fund, and
- (b) the conditions in regulation 69(2) have been met for an earlier period of account but are no longer met for a later period of account.

(2) Regulation 70 applies for the later period of account and for all subsequent periods of account.

Adjustments for equalisation arrangements

Treatment of reporting funds operating equalisation arrangements

[^{F90}72.—(1) This regulation applies if a reporting fund operates equalisation arrangements.

(2) If a person acquires an interest in the fund by way of initial purchase, the reportable income must be increased by an amount equal to that part of the acquisition price which is attributable to the undistributed income which has accrued to the fund in the period of account up to the time of the acquisition and which is taken into account in determining the acquisition price (“the equalisation amount”).

(3) If a participant disposes of an interest in the fund by way of redemption, the reportable income must be reduced by an amount equal to that part of the redemption price which is attributable to the undistributed income which has accrued to the fund in the period of account up to the time of the redemption and which is taken into account in determining the redemption price.

(4) For the purposes of these Regulations a person acquires an interest in an offshore fund by way of initial purchase if the acquisition is by way of subscription for or allotment of new shares, units or other interests issued or created by the fund or by way of direct purchase from the managers of the fund acting in their capacity as managers of the fund.

(5) For the purposes of this regulation a person disposes of an interest in a fund by way of redemption if the disposal is by way of cancellation of the units, shares or other interest or by way of direct sale to the managers of the fund acting in their capacity as managers of the fund.]

Reporting Funds not operating equalisation: income adjustments based on reportable income for computation periods

72A.—(1) This regulation applies if a reporting fund does not operate equalisation arrangements and—

- (a) the fund has given a statement under regulation 53(1)(k) that it intends to make income adjustments in a reporting period on the basis of reportable income, or
- (b) regulation 72B(7) applies.

(2) The reportable income of the fund for a reporting period is the sum of the reportable income per unit for all the computation periods in the reporting period multiplied by the number of units in the fund in issue at the end of the reporting period.

(3) But if the sum results in a negative amount, the reportable income for that period is nil.

(4) Where a period of account consists of two reporting periods, the reportable income for the period of account is the sum of the reportable income for both those reporting periods.

(5) The reportable income per unit for a computation period is calculated by dividing the reportable income of the fund for the computation period by the average number of units in the fund in issue during the computation period.

(6) For the purposes of paragraph (5), the reportable income of the fund for a computation period means the reportable income of the fund for that period computed in accordance with this Chapter (ignoring regulation 63(5) and this regulation) and Chapter 6 of this Part.

(7) In the computation referred to in paragraph (6), this Chapter and Chapter 6 of this Part apply as if references to a period of account of the fund were references to a computation period.

Reporting Funds not operating equalisation: income adjustments based on accounting income for computation periods

72B.—(1) This regulation applies if a reporting fund does not operate equalisation arrangements and the fund has given a statement under regulation 53(1)(k) that it intends to make income adjustments in a reporting period on the basis of accounting income.

(2) The reportable income of the fund for a reporting period is calculated as follows—

$$(AIU \times RI / AI) \times U$$

where—

AIU is the sum of the accounting income per unit for all the computation periods in the reporting period,

RI is the reportable income of the fund for the reporting period computed in accordance with this Chapter (ignoring this regulation), Chapter 6 of this Part and regulation 93,

AI is the sum of accounting income for all the computation periods in the reporting period, and

U is the number of units in the fund in issue at the end of the reporting period.

This is subject to paragraphs (6) and (7).

(3) Where a period of account consists of two reporting periods, the reportable income for the period of account is the sum of the reportable income for both those reporting periods.

(4) But if the sum results in a negative amount, the reportable income for that period is nil.

(5) The accounting income per unit for a computation period is calculated by dividing accounting income for the computation period by the average number of units in the fund in issue during the computation period.

(6) Where RI is zero the reportable income per unit of the fund for a reporting period is zero.

(7) Where the difference in the amount of reportable income per unit for any reporting period in a period of account calculated using this method and the amount of reportable income per unit for that reporting period calculated on the basis of reportable income is or is likely to be more than 10% of the latter of those amounts—

- (a) the fund must make income adjustments in that and future periods of account on the basis of reportable income, and
- (b) the manager must give notice to HMRC of the change in the method of income adjustment with the information provided to HMRC in relation to that period under regulation 106 (reporting requirements).

(8) In this Part “accounting income” means an amount proportionally related to the reportable income of the fund determined from the interim or management accounts of the fund, but this amount must not be less than zero.

Supplementary provisions: average number of units and computation period

72C.—(1) For the purposes of regulations 72A(5) and 72B(5), the average number of units in the fund in issue during the computation period is the sum of the units in the fund in issue during the period after each unit has been multiplied by the fraction of the period for which it is held.

(2) In this Part a “computation period” means a period determined by a fund in accordance with the following rules.

Rule 1

A new computation period must start—

- (a) at the beginning of a reporting period, and
- (b) immediately after the end of a previous computation period.

Rule 2

A computation period must end—

- (a) at the end of a reporting period, and
- (b) at the end of a period in relation to which income is allocated to participants for distribution or accumulation.

Rule 3

If a reporting period consists of more than one computation period those periods must be of approximately equal length.]

CHAPTER 6

TRANSACTIONS BY CERTAIN REPORTING FUNDS WHICH ARE NOT TREATED AS TRADING

Conditions to be met by reporting funds for this Chapter to apply

Introductory

73.—(1) A reporting fund meets the conditions for this Chapter to apply in respect of a period of account if it meets—

- (a) the equivalence condition (see regulation 74), and
- (b) the genuine diversity of ownership condition (see regulations 75 and 76).

(2) In this Part a “diversely owned fund” means a reporting fund in respect of which the conditions mentioned in paragraph (1) are met for a period of account.

The equivalence condition

74.—(1) The equivalence condition is met if the fund meets condition A [^{F92}, B or C] throughout the period of account.

(2) Condition A is that the fund is recognised by the [^{F93}Financial Conduct Authority] within the meaning of section ^{F94}...^{F95}... 272 of FISMA 2000.

(3) Condition B is that the fund is a UCITS fund.

[^{F96}(4) Condition C is that the fund—

- (a) is constituted in another EEA state and authorised by the competent authority in that state to market to retail or professional investors, and
- (b) is required either by the competent authority in that state or by other binding arrangements to limit its borrowing and its exposure under derivative contracts and forward transactions to 100% of its net asset value.

(5) In paragraph (4), the competent authority in an EEA state is the authority designated in accordance with Article 97 of Council Directive [2009/65/EC](#) in relation to that fund.]

The genuine diversity of ownership condition

75.—(1) The genuine diversity of ownership condition is met if the fund meets [^{F97}, or, in relation to a fund constituted by a class of interests in the main arrangements, the main arrangements meet,] conditions A to C throughout the period of account.

(2) Condition A is that the fund produces documents, available to investors and to HMRC, which contain—

- (a) a statement specifying the intended categories of investor,
- (b) an undertaking that interests in the fund will be widely available, and

(3) Condition B is—

- (a) that the specification of the intended categories of investor do not have a limiting or deterrent effect, and
- (b) that any other terms or conditions governing participation in the fund do not have a limiting or deterrent effect.

(4) Condition C is—

- (a) that interests in the fund must be marketed and made available—
 - (i) sufficiently widely to reach the intended categories of investors, and
 - (ii) in a manner appropriate to attract those categories of investors, and
 - (b) that a person who falls within one of the intended categories of investors can, upon request to the manager of this fund, obtain information about the fund and acquire units in it.
- [^{F98}(5) A fund also meets the genuine diversity of ownership condition if—

 - (b) conditions A to C are met in relation to the fund after taking into account—
 - (i) the fund documents relating to the feeder fund, and
 - (ii) the intended investors in the feeder fund, and
 - (c) the fund and the feeder fund have the same manager (or proposed manager).]

Clearances in relation to the equivalence and genuine diversity of ownership conditions

Who may apply for clearance

77.—(1) The following may apply for clearance that the fund meets the equivalence condition and the genuine diversity of ownership condition—

- (a) the manager of an eligible offshore fund;
- (b) the manager of a non-reporting fund who makes an application under regulation 52.

(2) If it is proposed to establish an offshore fund which, on its establishment, is to be an eligible offshore fund, the applicant may apply for clearance that the fund will meet the equivalence condition and the genuine diversity of ownership condition on its establishment.

Procedure for obtaining clearance

78.—(1) The relevant person specified in regulation 77 (the “relevant person”) must apply in writing to HMRC for clearance that the fund meets the equivalence condition and the genuine diversity of ownership condition.

(2) A document submitted in accordance with paragraph (1) must be accompanied by the documents specified in regulation 75(2).

(3) HMRC may require the relevant person to provide further particulars if HMRC believe that full particulars of the fund have not been provided.

(4) HMRC must notify the relevant person within 28 days beginning with the day on which HMRC receive the documents mentioned in paragraphs (1) and (2) (or, as the case may be, the further particulars mentioned in paragraph (3))—

- (a) giving clearance that the fund meets the equivalence condition and the genuine diversity of ownership condition,
- (b) giving that clearance subject to conditions, or
- (c) refusing to give that clearance.

Circumstances in which clearance may not be relied upon

79.—(1) An offshore fund (and investors in that fund) may not rely on a clearance given under regulation 78 if any of conditions A to D is met.

(2) Condition A is that at the beginning of the first period of account of the fund to which the clearance relates (and at the beginning of each subsequent period of account), a relevant statement in the instrument constituting the fund or in its prospectus in issue for the time being is not in accordance with a relevant statement in the documents considered by HMRC before giving clearance.

(3) Condition B is that the fund is operated otherwise than in accordance with condition C of the genuine diversity of ownership condition (see regulations 75 and 76).

(4) Condition C is that the fund acts or is operated in contravention of a relevant statement in the instrument constituting the fund or in its prospectus.

(5) Condition D is that the documents specified in regulation 75(2) are materially amended.

(6) Condition D does not apply if the relevant person specified in regulation 77 has obtained a clearance given under regulation 78 which applies to the documents in their amended form.

(7) For the purposes of condition D, a material amendment is one that may reasonably be construed as causing, or likely to cause, the fund to fail to meet the equivalence condition or the genuine diversity of ownership condition in relation to any period of account.

Treatment of investment transactions carried out by diversely owned funds

80.—(1) This regulation applies if a diversely owned fund carries out an investment transaction in an accounting period.

TRANSPARENT REPORTING FUNDS

F102 Pt. 3 Ch. 6A inserted (with effect in accordance with reg. 1(2) of the amending S.I.) by [The Offshore Funds \(Tax\) \(Amendment\) Regulations 2011 \(S.I. 2011/1211\)](#), regs. 1(1), **24**

Transparent reporting funds

89A.—(1) This Chapter explains how reportable income is computed in the case of a transparent reporting fund.

(2) For the purposes of these Regulations a “transparent reporting fund” is a reporting fund which is a transparent fund.

Reportable income: general

89B.—(1) A transparent reporting fund must provide a computation of its reportable income for a period of account.

(2) The reportable income of a transparent reporting fund for a period of account is comprised of—

- (a) each of the separate sums of income for the period which fall within paragraph (a) or (b) of regulation 11 (meaning of transparent funds), and
- (b) the adjustments made to those sums in accordance with regulations 89C to 89E.

(3) For the purposes of this Part the adjustments referred to in paragraph (2)(b) are excesses of reported income of the fund over the sums which form part of the income of the fund within paragraph (2)(a).

Adjustment in relation to income from other reporting funds

89C.—(1) This regulation applies if a transparent reporting fund (“TRF”) has an interest in another reporting fund (“RF”).

(2) The reportable income of TRF in relation to that interest shall include the excess (if any) of the income reported by RF in respect of TRF’s interest in RF over the amount distributed by RF in relation to that interest.

(3) The excess is treated as reportable income of TRF for the period of account in which the fund distribution date of RF falls.

(4) If RF does not make a report available in accordance with regulation 90(5), TRF must—

- (a) include its best estimate of reported income from RF as an adjustment to the computation of its reportable income in relation to that interest for the period of account in which the latest possible fund distribution date for RF falls (to the extent that any such amount has not already been recognised in the computation of TRF’s reportable income for that or any earlier period of account), and
- (b) make any necessary corrections to its best estimate in its computation of reportable income for the first later period of account in which it has sufficient information to make those corrections.

Adjustment in relation to income from non-reporting funds: first case

89D.—(1) This regulation applies if—

- (a) a transparent reporting fund has an interest in a non-reporting fund, and
- (b) the conditions in paragraph (2) are met for a period of account.

(2) The conditions are that—

- (a) the transparent reporting fund has access to the accounts of the non-reporting fund;
- (b) the transparent reporting fund has sufficient information about the non-reporting fund to enable it to prepare a computation of reportable income for the non-reporting fund; and

- (c) the transparent reporting fund can reasonably expect to rely on continued access to that information for the period in which it will hold the investment in the non-reporting fund.
- (3) Regulation 89C applies as if the transparent reporting fund were TRF and the non-reporting fund were RF.
- (4) For the purposes of the computation mentioned in paragraph (2)(b), regulation 80 applies if (and only if) the non-reporting fund is a UCITS fund.

Adjustment in relation to income from non-reporting funds: second case

89E.—(1) This regulation applies if a transparent reporting fund has an interest in a non-reporting fund, but the conditions in regulation 89D(2) are not met for a period of account.

(2) The reportable income of the transparent reporting fund for a period of account in relation to that interest shall include an amount equal to the increase in the fair value of the interest in the non-reporting fund in that period.

(3) But if the condition specified in paragraph (4) is met, decreases in the fair value of that interest in earlier periods of account may be set against the increase referred to in paragraph (2) to reduce the amount of the increase, but—

- (a) not to below zero, and
- (b) only to the extent that the decreases in fair value have not previously had the effect of reducing the amount of a fair value increase.

(4) The condition specified is that the decrease in fair value in earlier periods of account all occurred during periods in which this Part applied continuously to the transparent reporting fund.

(5) In this regulation “fair value” in relation to an interest in a non-reporting fund means the amount which, at the time the value is to be determined, is the amount for which the interest could be exchanged between knowledgeable and willing parties dealing at arm’s length.]

CHAPTER 7

REPORTS TO PARTICIPANTS

Report to participants for a reporting period

90.—(1) A reporting fund must make a report available to each [^{F103}relevant] participant for each reporting period.

(2) For the purposes of these Regulations a report is made available if the fund—

- (a) sends the report to a [^{F104}relevant] participant by post,
- (b) sends the report to a [^{F104}relevant] participant by means of an electronic communications service,
- (c) makes the report available on a website accessible to relevant participants and to HMRC, or
- (d) publishes the report in a newspaper which is published in English in the United Kingdom and readily available in all parts of the United Kingdom.

(3) In [^{F105}this regulation] “relevant participants” means participants who—

- (a) are resident in the United Kingdom, or
- (b) are reporting funds,

during any part of the reporting period.

(4) If the fund does not provide the report to a [^{F106}relevant] participant by sending it to the participant by post, the fund must, if so required by the participant, make the report available to the participant in some further manner (whether or not that further manner is also specified in regulation 90(2)) as the fund and the participant may agree.

(5) The reporting fund must make the report available within a period of six months beginning with the day immediately following the final day of the reporting period.

(6) The report must be in English.

Meaning of “reporting period”

91. In these Regulations a “reporting period” of a reporting fund means a period determined in accordance with the following rules— *First rule* If the reporting fund's period of account is twelve months or less, the reporting period is the same as the period of account. *Second rule* If the reporting fund's period of account is more than twelve months, there are two reporting periods. The first reporting period is a period consisting of the first twelve months of the period of account. The second reporting period is a period consisting of the remainder of the period of account.

Contents of report to participants[^{F107}: non-transparent funds]

92.—(1) [^{F108}In the case of reporting funds which are not transparent funds,] the report to participants for a reporting period must include the following information—

(a) the amount actually distributed to participants per unit of interest in the fund in respect of the reporting period;

[^{F109}(b) the amount per unit of any excess treated as additional distributions made to participants in the fund in respect of the reporting period;]

(c) the dates on which distributions were made;

(d) the fund distribution date (see regulation 94(4));

(e) a statement whether or not the fund remains a reporting fund at the date the fund makes the report available.

[^{F110}(f) if the fund operates full equalisation arrangements and has not given a statement under regulation 50A(b)(i), the equalisation amount per unit of interest in the fund in relation to any interest acquired by way of initial purchase in the reporting period.]

(2) In these Regulations the “reported income” of a reporting fund for a reporting period means the reportable income of the fund for the reporting period, computed by or on behalf of the fund, and provided, in the report for the reporting period, to the participants in the fund.

(3) For the purposes of paragraph (1)—

[^{F111}(a) the amount in paragraph (b) is the amount of any excess specified in regulation 94(1) divided by the number of units in the fund in issue at the end of the reporting period.]

- [^{F112}(b) the amount actually distributed to participants per unit of interest in the fund in respect of the reporting period must be computed at the time the distribution is made,
- (ba) subject to paragraphs (3A) and (3B), the fund may chose to calculate the equalisation amount per unit of interest in the fund either on the basis of—
- (i) the sum of all the equalisation amounts in relation to all acquisitions by way of initial purchase in the reporting period divided by the total number of units acquired by way of initial purchase in the period, or
- (ii) the equalisation amount in relation to the acquisition by the participant to whom the report is made available divided by the number of units acquired on that acquisition, and]
- (c) the amount per unit of interest in the fund must be expressed to at least four decimal places of a pound (or other currency unit) of value per unit.
- [^{F113}(3A) A fund cannot change the basis for calculating the equalisation amount per unit of interest in the fund more than once in three successive reporting periods.
- (3B) In any reporting period all reports to participants must use the same basis for calculating the equalisation amount per unit of interest in the fund .]
- (4) If the amount of the reported income per unit of interest in the fund for the reporting period is equal to, or less than, the amount actually distributed to participants per unit of interest in the fund in respect of the reporting period, the amount to be stated for the purposes of paragraph (1)(b) is nil.

- (a) has a period of account which is longer than twelve months, and
- (b) has difficulty in computing its reportable income for the reporting period constituting the first twelve months of that period of account (the “relevant reporting period”).

(2) For the purpose of preparing its report to participants for the relevant reporting period, the fund may elect—

- (a) to compute its reportable income based on such information as is reasonably available, or
- (b) to make a just and reasonable apportionment of the income of the period of account.

(3) The computation of reportable income for the reporting period following the relevant reporting period must include all amounts not accounted for in the relevant reporting period.

CHAPTER 8

THE TAX TREATMENT OF PARTICIPANTS IN REPORTING FUNDS

Tax treatment of the reported income of the fund in the hands of participants

Reported income: general provisions

94.—(1) In the case of a reporting fund which is not a transparent fund, the Tax Acts have effect as if the excess (if any) of the reported income of the fund in respect of a reporting period over the distributions made by the fund in respect of the reporting period were additional distributions made to the participants in the fund in proportion to their rights.

(2) In the case of a reporting fund which is a transparent fund, the Tax Acts have effect as if the excess (if any) of the reported income of the fund in respect of a reporting period over the income of the fund for the reporting period were additional income of the participants in the fund in proportion to their rights.

[^{F118}(2A) But to the extent that the participant's rights in the fund are rights to which regulation 30 (rights in certain existing holdings) applies, the excess specified in [^{F119}paragraphs (1) and] (2) shall be reduced proportionately.]

(3) The excess specified in paragraphs (1) and (2) is treated as made, on the fund distribution date, [^{F120}or on such earlier date as the reported income in respect of that reporting period is recognised in the participant's accounts,] to participants holding an interest in the fund at the end of the reporting period.

[^{F121}(3A) If—

- (a) a participant disposes of an interest in a reporting fund in a reporting period (“the earlier period”), and
- (b) section 106A of TCGA 1992 (identification of securities: capital gains tax) applies to identify the whole or any part of that interest with an interest acquired in the next reporting period,

then, for the purposes of paragraph (3), the disposal of the interest so identified shall be ignored and the participant shall be treated as holding that interest at the end of the earlier period.]

(4) In these Regulations the “fund distribution date” for a reporting period of a reporting fund [^{F122}means the date six months following the last day of the reporting period].

(2) A breach of a requirement imposed in this Part is—

- (a) a minor breach, or
- (b) a serious breach.

(3) For the purposes of these Regulations, a breach of a requirement imposed in this Part is a “serious breach” if it is—

- (a) a breach specified as a serious breach in a provision of this Chapter, or
- (b) a breach which is not a minor breach.

(4) For the purposes of these Regulations, a breach of a requirement imposed in this Part is a “minor breach” if it is a breach (other than a breach specified as a serious breach in a provision of this Chapter)—

- (a) for which there is a reasonable excuse, or
- (b) which is inadvertent and remedied as soon as reasonably possible.

This paragraph is subject to the following provisions of this regulation.

(5) For the purposes of this Part a minor breach is not regarded as a breach if the reporting fund corrects the breach without any HMRC intervention.

(6) For the purposes of these Regulations there is an “HMRC intervention” in relation to a reporting fund if HMRC request the fund to provide them with information relating to a requirement imposed in this Part. This is subject to paragraph (7).

(7) There is no HMRC intervention in relation to a reporting fund if—

- (a) the fund takes the initiative to correct a minor breach, and

- (b) HMRC request the fund to provide them with information so that they may deal with the initiative taken.
- (8) Regulation 109 deals with the consequences of minor breaches.
- (9) Regulation 114 deals with the consequences of serious breaches.

Consequences of minor breaches

109.—(1) If a reporting fund is in breach of a requirement imposed in this Part and the breach is a minor breach, the fund continues to be treated as a reporting fund.

(2) Paragraph (1) is subject to the following provisions of this Chapter.

(3) If paragraph (1) applies on four separate occasions in a period of ten years beginning with the first day of the period of account in which the first breach occurs, the fourth breach is a serious breach.

(4) If a single event results in more than one minor breach within a single period of account, there is only one minor breach in that period of account for the purposes of this Chapter.

Differences between reported income and reportable income

110.—(1) This regulation applies if there is a difference between—

- (b) the reported income of the fund for all reporting periods comprised in the period of account.

(2) The following amounts must be determined for each reporting period comprised in the period of account—

- (a) the amount of the reported income for the reporting period, and
- (b) the amount of the reportable income for the period of account that is referable to that reporting period.

(3) If the difference between the two amounts specified in paragraph (2) is 10% or less of the reportable income, there is no breach of a requirement imposed in this Part.

(4) If the difference between the two amounts specified in paragraph (2) is more than 10% but not more than 15% of the reportable income—

- (a) an amount equal to the difference must be added to the reported income—
 - (i) for the reporting period in which the error is established, or
 - (ii) for the following reporting period; or
- (b) the reporting fund must make a supplementary report for the period of account in which the difference occurs before the end of a period of three months beginning immediately after the period of account in which the error is established.

(5) If the difference between the two amounts specified in paragraph (2) is more than 15% of the reportable income, the reporting fund must make a supplementary report to participants for the period of account in which the difference occurs before the end of a period of three months beginning immediately after the period of account in which the error is established.

(6) The supplementary report mentioned in paragraphs (4) and (5) must be made to those persons who were participants in the fund at the end of the period of account in which the difference occurs.

(7) If paragraph (4) or (5) applies and the action specified in the applicable paragraph is taken as soon as reasonably possible, there is a minor breach.

(8) If paragraph (4) or (5) applies but the action specified in the applicable paragraph is not taken as soon as reasonably possible, there is a serious breach.

(9) For the purposes of paragraph (4) an error is established for a reporting period if, during that reporting period—

(a) HMRC conclude—

- (i) that an error has been made in respect of an earlier reporting period, and
- (ii) that, as a result of the error, the difference between the reported income for the reporting period and the reportable income for the period of account in which the reporting period is comprised is more than 10% but not more than 15%; and

(b) HMRC give notice to the reporting fund of the matters specified in sub-paragraph (a).

(10) For the purposes of paragraph (5) an error is established for a period of account if, during that period of account—

- (b) the report to HMRC in accordance with the requirements of Chapter 9 of this Part.

(3) If the reporting fund provides a correct report as soon as reasonably possible, there is a minor breach.

(4) If the reporting fund does not provide a correct report as soon as reasonably possible, there is a serious breach.

Cases where information is not provided

112.—(1) This regulation applies if, on the relevant date, a reporting fund has not provided—

- (a) the information specified in regulation 106(1) to HMRC in relation to a period of account (the “requisite period of account”), and

- (b) the day on which the fund is established.

(2) This Part applies to the constant NAV fund and to its participants on and after the date specified in paragraph (1).

EXPLANATORY NOTE

(This note is not part of the Regulations)

Sections 41 and 42 of the Finance Act 2008 (c. 9), (which have since been amended and supplemented by provisions contained in Part 1 of Schedule 22 to the Finance Act 2009 (c. 10)), make provision for the tax treatment of participants in offshore funds. Section 41(1) of the Finance Act 2008 provides that the Treasury may by regulations make provision about the treatment of participants in an offshore fund for the purposes of enactments relating to income tax, capital gains tax or corporation tax; and section 42(3) of the Finance Act 2008 (as amended) envisages that the previous legislation relating to offshore funds (to be found in Chapter 5 of Part 17 to the Income and Corporation Taxes Act 1988 (c. 1)) may be repealed. These Regulations make provision accordingly.

These Regulations are in four Parts, with Parts 2 and 3 being divided into Chapters.

Part 1 of these Regulations contains introductory provisions. Regulation 1 deals with citation, commencement and effect; and regulation 2 sets out the structure of these Regulations. Regulation 3 defines the expression “offshore fund” by reference to the definition in section 40A(2) of the Finance Act 2008. Regulation 3 divides offshore funds into non-reporting funds (dealt with in Part

Changes to legislation: There are currently no known outstanding effects for the *The Offshore Funds (Tax) Regulations 2009*. (See end of Document for details)

2 of these Regulations) and reporting funds (dealt with in Part 3 of these Regulations). An offshore fund is a non-reporting fund unless it is a fund to which Part 3 of these Regulations applies for a period of account. Regulation 5 is concerned with the treatment of umbrella arrangements; regulation 6 with funds comprising more than one class of interest; and regulations 7 to 12 with interpretation. Regulation 13 introduces the three Schedules to these Regulations. Schedule 1 contains transitional provisions and savings; and Schedule 2 contains repeals. The repeals in Schedule 2 have effect subject to any savings provisions in Schedule 1. Schedule 3 contains abbreviations and defined expressions that apply for the purposes of these Regulations.

Part 2 of these Regulations is concerned with the treatment of participants in non-reporting funds. Chapter 1 of Part 2 contains preliminary provisions. Regulation 14 sets out the structure of this Part; and regulation 15 contains the definition of “material disposal”.

Chapter 2 of Part 2 deals with charges to tax on the participants in non-reporting funds. Regulation 16 provides for a charge to tax on certain amounts treated as distributions. Regulation 17 provides that there is a charge to tax if a person disposes of an asset; the asset is an interest in a non-reporting fund (or, in certain circumstances, an interest in a reporting fund) at the time of the disposal; and an offshore gain arises to the person making the disposal. Regulation 18 contains further provisions relating to this charge to tax, and regulation 19 is concerned with the application of the remittance basis. Regulation 20 deals with the position if an offshore income gain arises to a non-resident settlement in a tax year; and regulation 21 with the application of Chapter 2 of Part 13 of the Income Tax Act 2007 (c. 3) (transfer of assets abroad) if an offshore gain arises to a person resident or domiciled outside the United Kingdom. Regulations 22 to 24 deal with the application of provisions in the Taxation of Chargeable Gains Act 1992 (c. 12) (“TCGA 1992”) in the context of this Part.

Chapter 3 of Part 2 provides for various exceptions from the charge to tax in regulation 17.

Chapter 4 of Part 2 deals with the disposal of an interest in a non-reporting fund (and, in certain circumstances, of an interest in a reporting fund). Regulation 32 sets out the ambit of this Chapter. Regulation 33 sets out the basic rule: there is a disposal of an asset for the purposes of these Regulations if there would be a disposal of an asset for the purposes of TCGA 1992. The basic rule, however, applies subject to the following provisions of this Chapter, set out in regulations 34 to 37.

Chapter 5 of Part 2 is concerned with offshore income gains and the computation of offshore income gains. Regulation 38 provides that an offshore income gain arises to a person on the disposal of an asset if a basic gain arises on the disposal; and that the disposal gives rise to an offshore income gain on an amount equal to the basic gain on the disposal. Regulation 39 explains how the basic gain is computed. The computation of the basic gain, however, is subject to a number of other provisions: some of these have been set out in regulations 34 to 37; the others are set out in regulations 40 to 43.

Chapter 6 of Part 2 deals with the case which arises if a material disposal gives rise to an offshore income gain, and that disposal also constitutes the disposal of the interest concerned for the purposes of TCGA 1992 (the “TCGA disposal”). Regulation 44 sets out the ambit of this Chapter. Regulation 45 sets out the general rules that apply: a sum equal to the offshore income gain is deducted from the gain arising on the TCGA disposal. The general rules, however, need to be qualified in various respects; and the qualifications are set out in regulations 46 and 47.

Chapter 7 of Part 2 (consisting of regulation 48) is concerned with the situation arising if an offshore fund ceases to be a non-reporting fund and becomes a reporting fund. A participant in the fund may elect to be treated as disposing of an interest in the non-reporting fund and as acquiring an interest in the reporting fund.

Part 3 of these Regulations is concerned with the treatment of participants in reporting funds.

Chapter 1 of Part 3 contains preliminary provisions. Regulation 49 sets out the structure of this Part; and regulation 50 contains the definition of “reporting fund”.

Chapter 2 of Part 3 deals with entry into the reporting fund regime. Regulation 51 specifies the persons who may make an application for this Part to apply to an offshore fund; and regulation 52 with the position arising if a non-reporting fund wishes to make an application to become a

reporting fund. Regulation 53 deals with the contents of an application; and regulation 54 with the form, timing and withdrawal of an application. The next two regulations deal with procedure on applications: Her Majesty's Revenue and Customs ("HMRC") must respond to the application (regulation 55); and, if HMRC reject the application, the person who made the application may appeal (regulation 56).

Chapter 3 of Part 3 is concerned with the general duties of reporting funds. Regulation 57 deals with the effects of entry into the reporting fund regime, and regulation 58 with general duties of reporting funds.

Chapter 4 of Part 3 is concerned with the preparation of accounts. A reporting fund must prepare accounts in accordance with international accounting standards, or in accordance with the generally accepted accounting practice specified in the application (regulation 59). Special rules apply if there is a change in accounting practice (regulations 60 and 61).

Chapter 5 of Part 3 deals with the computation of reportable income. Regulation 62 provides that a reporting fund must provide a computation of its reportable income for a period of account. Regulation 63 provides that the starting point for this computation is the "total comprehensive income for the period" in a case where the fund prepares its accounts in accordance with international accounting standards (or the entries equivalent to that expression in any other case). But this starting point may need to be adjusted having regard to various matters specified in the remainder of this Chapter and in Chapter 6 of Part 3. Adjustments may be needed to deal with capital items (regulations 64 and 65); with special classes of income (regulations 66 to 71); and with reporting funds operating equalisation arrangements (regulation 72).

Chapter 6 of Part 3 deals with transactions by certain offshore funds which are not treated as trading. If a transaction falls within the ambit of this Chapter, the transaction will not fall within the starting point for the computation of reportable income specified in regulation 63, but will be classified as a capital item within regulation 64: the consequence, accordingly, is that a transaction falling within the ambit of this Chapter will not form part of the offshore fund's reportable income. The Chapter begins (in regulation 73) by specifying the two conditions which an offshore fund must meet before this Chapter can apply: a fund which meets these conditions is referred to as a "diversely owned fund". The conditions are the "equivalence condition" (regulation 74) and the "genuine diversity of ownership condition" (regulations 75 and 76). Clearance that the fund meets the two conditions may be applied for (regulation 77) and the procedure for obtaining clearance is specified (regulation 78). There are circumstances in which a clearance may not be relied upon (regulation 79). Regulation 80 provides that if a diversely owned fund carries out an investment transaction in an accounting period, the investment transaction is treated as a non-trading transaction. Regulation 81 defines the expression "investment transaction"; and regulations 82 to 89 provide for the interpretation of component parts of that expression.

Chapter 7 of Part 3 deals with reports to participants. Regulation 90 provides that a reporting fund must make a report available to each participant for each reporting period. Regulation 91 deals with the meaning of the expression "reporting period" and regulation 92 with the contents of the report. Regulation 93 makes further provision if the relevant period of account is lengthy and the reporting fund does not have full information available for the relevant reporting period.

Chapter 8 of Part 3 deals with the tax treatment of participants in reporting funds. Provision is first made in relation to the tax treatment of the reported income of the fund in the hands of participants. Regulation 94 provides for any excess of the reported income of the offshore fund over the income of the fund actually received by participants in the fund in respect of a reporting period to be attributed to the participants in proportion to their rights. Regulations 95 to 97 make provision for participants to be charged to income tax in the case of various different types of offshore fund; and regulation 98 makes provision for participants to be charged to corporation tax. Provision is then made in relation to disposals and deemed disposals of interests. Regulation 99 provides that if a participant has an interest in a reporting fund and disposes of the interest, the participant disposes of an asset for the purposes of tax in respect of chargeable gains. Regulation 100 provides that if an offshore fund ceases to be a reporting fund and becomes a non-reporting fund, a participant in the fund may elect to be treated as disposing of an interest in the reporting

fund and as acquiring an interest in the non-reporting fund. Further provision is then made: regulation 101 contains special provisions applying to charitable companies and charitable trusts, while regulations 102 to 105 are anti-avoidance provisions applying to financial traders. Chapter 9 of Part 3 deals with the provision of information to HMRC. Regulation 106 specifies the information which a reporting fund must provide to HMRC in relation to each period of account, and regulation 107 provides HMRC with powers to obtain information.

Chapter 10 of Part 3 applies if a reporting fund is in breach of a requirement imposed in this Part. Regulation 108 deals with the various types of breach, distinguishing between a serious breach and a minor breach; and regulation 109 deals with the consequences of minor breaches. Regulation 110 applies if there is a difference between the reportable income of a reporting fund for a period of account, and the reported income of the fund for all reporting periods comprised in the period of account: the classification of any resulting breach depends on the amount of the difference, and whether the error is corrected as soon as reasonably possible. Regulation 111 applies if the reporting fund provides an incorrect report and regulation 110 does not apply: the classification of the breach depends on whether the error is corrected as soon as reasonably possible. Regulation 112 applies if a reporting fund has not provided information to HMRC in relation to a period of account and a report to each participant for each reporting period comprised in that period of account: the classification of the breach (if any) depends upon how quickly the information is provided. Regulation 113 deals with serious breaches and regulation 114 with the consequences of serious breaches: HMRC may give notice to the fund excluding it from the reporting fund regime (so that the fund is treated as a non-reporting fund). Regulation 115 provides that the fund may appeal against the notice.

Chapter 11 of Part 3 deals with leaving the reporting fund regime. Regulation 116 provides that a reporting fund may give notice to HMRC specifying a date from which this Part will cease to apply to the fund. But if the fund has not complied with all requirements imposed in Part 3, regulation 117 provides that the fund is treated as a fund to which regulation 114 has applied and not as a fund to which regulation 116 has applied.

Chapter 12 of Part 3 deals with constant NAV funds. Regulation 118 defines “constant NAV fund”. Regulation 119 provides that, in the case of a constant NAV fund, Chapters 2 to 11 of Part 3 apply with modifications; and regulations 120 to 124 specify those modifications.

Part 4 of these Regulations (consisting of regulations 125 to 131) makes provision for consequential amendments to primary legislation.

Schedule 1 to these Regulations contains transitional provisions and savings.

Schedule 2 to these Regulations provides for repeals. Chapter 5 of Part 17 of the Income and Corporation Taxes Act 1988 is repealed, together with provisions in later legislation amending that Chapter. This Schedule also includes the repeals made in Part 4 of these Regulations.

Schedule 3 to these Regulations lists abbreviations and defined expressions. Part 1 gives the abbreviated references to Acts used in these Regulations; and Part 2 consists of an Index of expressions defined or otherwise explained in these Regulations.

A full impact assessment of the effect that the new legislation relating to offshore funds (including this instrument) will have on the costs of business and the voluntary sector is annexed to the Explanatory Memorandum which is available alongside this instrument on the OPSI website.
