The Air Navigation Order 2009

PART 11

Public Transport Operations

Flight data monitoring, accident prevention and flight safety programme

94.—(1) The operator of an aircraft registered in the United Kingdom flying for the purpose of public transport must establish and maintain an accident prevention and flight safety programme.

(2) The operator of an aeroplane registered in the United Kingdom with a maximum total weight authorised of more than 27,000kg flying for the purpose of public transport must include a flight data monitoring programme as part of its accident prevention and flight safety programme.

(3) The sole objective of an accident prevention and flight safety programme is the prevention of accidents and incidents and each programme must be designed and managed to meet that objective.

(4) It is not the purpose of an accident prevention and flight safety programme to apportion blame or liability.
