EXPLANATORY NOTE*(This note is not part of the Regulations)*

These Regulations make provision in England for the administration of Council Regulation (EC) No 73/2009 (OJ No L 30, 31.1.2009, p 16), and other associated Community instruments, in relation to direct support schemes under the Common Agricultural Policy. These largely continue the arrangements which applied under the Common Agricultural Policy Single Payment and Support Schemes Regulations 2005, and its amendments, which are revoked by these regulations.

Status: This is the original version (as it was originally made).

Regulation 3 specifies the minimum size of a holding in respect of which the establishment of entitlements may be requested.

Regulation 4 sets the minimum claim size.

Regulation 5 fixes the date on which parcels used to claim SPS must be at the disposal of farmers.

Regulation 6 makes provision for progressive modifications of entitlements.

Regulation 7 provides that transfer of payment entitlements must be communicated by the transferor to the relevant competent authority within the time limits specified.

Regulation 8 specifies the additional modulation deductions which will be made from direct payments payable to farmers.

Regulation 9 revokes the Common Agricultural Policy Single Payment Scheme (Set-aside) (England) Regulations 2004 and its amendments.

An impact assessment on the minimum claim size is available from the Defra Information Resource Centre, Lower Ground Floor, Ergon House, c/o Nobel House, 17 Smith Square, London SW1P 3JR. The other provisions covered by these Regulations either continue the existing arrangements or, in the case of the additional modulation deductions, do not lead to a new cost to business.
