

**EXPLANATORY MEMORANDUM TO
THE STAMP DUTY AND STAMP DUTY RESERVE TAX (INVESTMENT
EXCHANGES AND CLEARING HOUSES) REGULATIONS 2009**

2009 No. 35

1. This explanatory memorandum has been prepared by HM Revenue and Customs and is laid before the House of Commons by Command of Her Majesty.

This memorandum contains information for the Select Committee on Statutory Instruments.

2. **Purpose of the instrument**

The instrument contains regulations that remove the charge to stamp duty or stamp duty reserve tax when, as a result of the execution of trades on the Euro Millennium multilateral trading facility, shares in UK companies are transferred between clearing members of SIX X-Clear AG ('X-CLEAR'), by non-clearing members (or their nominees) to clearing members (or their nominees), and to or from SIX X-CLEAR AG itself.

3. **Matters of special interest to the Select Committee on Statutory Instruments**

None

4. **Legislative Context**

- 4.1 When shares in UK companies are traded on the Euro Millennium trading platform, the use of a central counterparty to clear and settle the transactions will involve a number of transfers of those shares, each of which is potentially chargeable to stamp duty or stamp duty reserve tax.

- 4.2 These Regulations will ensure that multiple charges to stamp duty or stamp duty reserve tax will not arise when shares are transferred between non-clearing and clearing members of X-CLEAR or when passing through X-CLEAR itself.

5. **Territorial Extent and Application**

This instrument applies to all of the United Kingdom.

6. **European Convention on Human Rights**

As the instrument is subject to negative resolution procedure and does not amend primary legislation, no statement is required.

8.1 This instrument followed a request for stamp relief from, and consultation with, both SIX X-Clear AG and Euro Millennium representatives.
