## **EXPLANATORY NOTE**

*(This note is not part of the Regulations)*

These Regulations amend the Church of England Pensions Regulations 1988 which apply in relation to the Church of England Pensions Scheme (“the Past Service Scheme”). The amendments they make place a scheme member’s surviving civil partner in the same position, for the purposes of the Past Service scheme, as a widow or widower left by a scheme member. They also amend the meaning of “child” so that as well as a scheme member’s step child, that expression also includes the child of a scheme member’s civil partner and make consequential amendments.
